Note: The estimates are based on the 2010 Census and reflect changes to the April 1, 2010 population due to the Count Question Resolution program and geographic program revisions. See Geographic Terms and Definitions at <https://www.census.gov/programs-surveys/popest/guidance-geographies/terms-and-definitions.html> for a list of the states that are included in each region and division. For functional status codes, see <https://www.census.gov/library/reference/code-lists/functional-status-codes.html>. All geographic boundaries for these population estimates are as of January 1, 2019. An "A" in the 2010 Census field indicates a government that was formed or incorporated after the 2010 Census.
