THIS AGREEMENT made and entered into by and between the Regional School District No. 14 Board of Education (hereinafter referred to as the "Board"), and the Nonnewaug Administrators' Group (hereinafter referred to as the "Group").

ARTICLE I
RECOGNITION

The Board recognizes the Group as the Exclusive Bargaining Representative for all Administrators employed by the Board. The term "Administrator" shall mean all Principals, all Assistant Principals, the Director of Teaching and Learning, the Director of Student Services, the Data Administrator and the Dean of Students/Athletic Director.

ARTICLE II
BOARD OF EDUCATION

A. Legal Powers and Duties of Board of Education.

It is recognized that the Board has, whether exercised or not, the right, responsibility and prerogative to direct the operation of the public schools in Regional School District No. 14 in all its aspects including, but not limited to, the following:

Section 10-220 - Duties of Board of Education
Section 10-221 - Board of Education to Prescribe Rules

B. Not Subject to Delegation

These rights, responsibilities and prerogatives are not subject to delegation in whole or in part. Further, no action taken by the Board with respect to such rights, responsibilities and prerogatives, other than as there are specific provisions herein elsewhere contained, shall be subject to the grievance and arbitration provisions of this Agreement.

ARTICLE III
GRIEVANCE PROCEDURE

A. Grievance Procedure Application:

This procedure shall be applied to the handling of grievances as herein defined.

B. Definitions:

1. Administrator shall mean any member of the Group.
2. Grievance shall mean-a complaint by an administrator alleging a violation, misinterpretation or misapplication of a term of this Agreement, or a complaint by the Group on behalf of more than one administrator alleging the same, or a claim that there has been a failure to follow the established procedures of the professional evaluation and support program as specified in C.G.S. §10-151b.
3. "Days" shall mean working days for the bargaining unit except when the superintendent is on vacation during the summer recess.

C. General Principles:

1. It shall be the policy of the Board of Education to assure every administrator an opportunity to have the unobstructed use of the Grievance Procedure without fear of reprisal or without prejudice in any manner.
2. An administrator may seek and use the assistance of an officer or representatives of the Group in the presentation and/or appeal of any grievance. Such assistance shall include, but not be limited to, the direct representation of any administrator at all steps of the Grievance procedure.
3. Nothing contained in this Grievance Procedure shall be construed to deny any administrator of his/her rights under the laws of the State of Connecticut.
4. The failure of an administrator to proceed to the next step of the Grievance Procedure within the time limits set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning that particular grievance. The failure of a Superintendent, at any step, to communicate his/her decision within the specified time limits shall allow the administrator to proceed to the next step. All time limits may be extended by mutual agreement in writing.

D. Procedures:

1. Step One (Superintendent)
 - a. Any administrator may present a grievance to the Superintendent of Schools within fifteen (15) days of when the administrator knew or should have known of the occurrence giving rise to the complaint. Such grievance shall be in writing and must specifically state the nature of the grievance and that the Grievance Procedure is being invoked. The grievance shall identify the grievant(s). If an administrator does not so present a grievance in writing within such fifteen (15) day time period, then the grievance shall be considered to have been waived.

- b. Within ten (10) days of the receipt of the grievance, the Superintendent shall inform the administrator of his/her decision and shall provide the administrator with a detailed statement in writing as to the reason for the decision.
 2. Step Two (Board of Education)
 - a. The Group may present the grievance to the Board of Education or a committee thereof within five (5) days of notification of the disposition of the grievance by the superintendent of schools.
 - b. The Board shall conduct a hearing within thirty (30) days of the receipt of the grievance and render a decision within ten (10) days after completion of the hearing and the Board of Education shall notify the Group of its decision and shall provide the Group with a brief statement in writing setting forth the reasons for the decision.
 3. Step Three (Arbitration)
 - a. If the Group is not satisfied with the decision rendered by the Board of Education, within seven (7) days after receipt of that decision, the Group may appeal said decision to arbitration by notifying the American Arbitration Association (AAA) in writing of its intent to file the grievance for arbitration and by submitting the grievance to the AAA. The arbitration shall be in accordance with the Voluntary Rules and Regulations of the AAA. The cost of the services of the arbitrator and court reporter (if appropriate) shall be shared equally by the parties.
 - b. The decision rendered by the Arbitrator shall be final and binding on both parties. The arbitrator shall have no power to add to or subtract from or modify in any way the terms of this Agreement.

ARTICLE IV **SALARIES**

- A. Each administrator shall be paid a base salary in two parts: the payments listed in Appendix A, plus an elective tax sheltered annuity as described in Article V, subsection B. 5. Notwithstanding any other provision in this Agreement to the contrary, the Board may change or substitute insurance carriers, administrators or managed care organizations for the above-referenced health benefit programs as long as the level of benefits, as stated in the plan of benefits, is equivalent to or better than the existing program. 1. Each administrator shall be entitled to vacation days as follows: Twenty five (25) days for the first five (5) years of employment in a position in the bargaining unit; and thirty days (30) a year thereafter. Notwithstanding the foregoing, administrators with vacation accumulation in excess of ten (10) days on June 30, 2008 ("such current administrators") shall be entitled to carry over those excess days from contract year to contract year as long as they are not used and be paid for same at the time of retirement. If the vacation accumulation of an administrator on June 30, 2008 is reduced in subsequent years because of usage to an amount that is still above ten (10) days, then that lesser accumulation shall become the new cap of available unused accumulated vacation days which may be carried forward until retirement, or until such cap is further reduced by additional usage. In no event may any cap of unused accumulated vacation days, once established, be increased or returned to the June 30, 2008 cap. Finally, if a current administrator's cap of unused accumulated vacation days subsequently drops to ten (10) or less days, then such current administrator shall be able to carryover only up to ten (10) unused vacation days and then, only to the next contract year as is applicable for those administrators hired after June 30, 2008.

3. Upon retirement or death, the administrator, or his or her beneficiary shall be reimbursed for his or her unused vacation days. Upon resignation, the administrator shall be reimbursed for his or her unused vacation days, up to a maximum of ten (10) days, provided that for any person hired after June 30, 2017 as an administrator in the District, he or she shall not be reimbursed for any unused vacation days upon resignation.
4. The daily rate of pay for an administrator to be used for computations under paragraphs C-4 and D-2 above shall be determined by dividing the administrator's annual salary by 260.
5. As of July 1st, an administrator already in the employ of the Board becomes entitled to the specified vacation days for that year, in addition to any vacation days which he or she has accumulated, provided he or she completes the year, if not, the specified vacation days for the final year will be prorated.
6. An administrator who commences employment after July 1st shall receive vacation days proportionate to the remaining portion of the fiscal year he or she is employed.
7. Upon retirement or death, if an administrator leaves the system prior to the end of the fiscal year, he or she, or his or her estate, will receive credit for vacation days for that year in an amount proportionate to the portion of the fiscal year in which the administrator was employed, together with any vacation days the administrator has accumulated, as set forth in subpart 3, above.

It is understood that the deadline of March 1st may be waived at the discretion of the Superintendent of Schools when fellowships, grants or scholarships awarded later in the year could make such a deadline unreasonable.
 - (c) The administrator shall have completed at least seven (7) years of service in the Regional School District No. 14 School system.
 - (d) This leave will be compensated at one-half (50%) of the normal yearly rate of salary for the full year's leave.
