During negotiations, the Board and the Association shall present relevant data, submit proposals and counter-proposals. Any successor Agreement shall apply to all certified Administrators below the rank of superintendent. Such successor Agreement shall be reduced to writing and signed by the Board and the Association. The co-pay for ER visits will be $150 per visit.

   a. voluntary retirement
   b. voluntary resignation
   c. transfer of existing staff members

2. Para-professionals will be terminated whenever possible and practicable before any teacher.

3. Elimination of Professional Staff Positions
   a. Non-tenure teachers will be terminated before tenured teachers.

   b. Within the category of non-tenured teachers, the administration will recommend the teachers to be terminated on the basis of performance evaluation.

   c. Regarding tenured teachers in the administrators' unit where performance is relatively equal, degree status, years of service and value of contribution made in this system and total years' experience in any system will be the governing criteria.

   d. No tenured teacher in the administrators' unit shall be terminated when a position (level) exists in the administrators' unit which is either vacant or will be vacant by July 1 for which the tenured teacher is either certified or certifiable in time to assume the position.

   e. In the event a tenured teacher is relieved of his/her duties as an administrator because of a reduction in staff and another administrative position is not otherwise available as aforesaid, he/she will be offered a teaching position for which he/she is certified and qualified, subject to the reduction in force contract provision or policy therein effect relative to teachers in the teachers' unit.

E. Reappointment:

1. The name of any administrator whose services have been terminated because of
the elimination of a position or reduction in professional staff shall be placed upon a reappointment list and shall remain on such list for the remainder of the school year in which he/she was released plus the following school year provided such administrator does not refuse a reappointment or request removal. If an administrator accepts a teaching position with the Board, he/she shall remain on the recall list in accordance with the language set forth herein. Eligibility for placement on the reappointment list is limited to administrators with tenure at the time of their layoff.

2. Any administrator on the reappointment list shall receive a written notice of the existence of a vacant, or soon to be vacated or new position, prior to consideration of any other applicant. The administrator must respond within ten (10) days of receipt of notification.

3. Administrators laid off are to be rehired in the reverse order of layoff contingent upon proper certification.

F. Salary Protection:

In the event that an administrator is transferred to an administrative position with a lower salary than that which the displaced administrator previously enjoyed or to a teaching position, the displaced administrator shall receive a separation allowance to compensate him/her for his/her loss of administrative pay so that such administrator’s salary previously enjoyed shall not be reduced for one (1) year.

ARTICLE XIV

Grievance Procedure

A. The purpose of the grievance procedure is to contribute to good human relations on the job, to maintain good employee morale, increase productivity and achieve greater efficiency of school operations. It is believed that these objectives can be furthered by providing a means of orderly discussion of concerns.

B. A grievance shall mean a claim by an Administrator that certain rights under the specific language of this agreement have been violated, or that there has been a misapplication or misinterpretation of the specific provisions of this agreement.

C. The parties agree that the resolution of grievances shall be handled informally whenever possible.

1. All employees represented by the Association shall have the right to appeal any decision to the next step of the grievance procedure.
2. A grievance may be presented by the employee individually, with a representative of his/her personal choosing, or by the Association.

3. The grievance may be settled by informal discussion. However, if it cannot be, this procedure is provided to have the grievance reviewed: first by the Superintendent of Schools and then by the Board of Education.

4. Only the Association or the Board shall have the right to appeal an unresolved grievance to arbitration under this contract.

D. In order to be valid, a grievance must be filed, in writing, within thirty (30) days after the occurrence causing the grievance. As used in this Article, the term "day" means any day during which the Board of Education's office is open for business. This excludes weekends, legal holidays and declared days of national mourning or celebration. If a grievance is not timely filed, it shall be deemed to have been waived.

E. Informal Procedures: If an administrator feels there may be a grievance, it should first be discussed with the Superintendent in an effort to solve the problem informally. The Superintendent will, within five (5) days of the meeting, give an answer to the administrator involved.

F. Formal Procedures: If the grievance is not satisfactorily settled at the informal stage, the Administrator, within ten (10) days after receipt of the answer at the informal stage, may submit a written appeal to the Superintendent of Schools.

The Superintendent will review the appeal. Within fifteen (15) days of receipt of the appeal, the Superintendent will provide the administrator with his/her written decision.

Within ten (10) days after receipt of the Superintendent's written decision, the Administrator may appeal the decision of the Superintendent to the Board of Education or its designated committee.

The Board, or its designated committee, will, within thirty (30) days of receipt of the written appeal, examine the records, grant a hearing or meeting to the administrator involved, reach a decision and notify, in writing, the Superintendent and the administrator involved of its decision.

G. In the event that the administrator is not satisfied with the decision of the Board of Education (or a subcommittee of the Board, if applicable), the Union may submit the grievance to arbitration.

Such submission for arbitration must be submitted to the American Arbitration Association within ten (10) days of the decision of the Board of Education (or a subcommittee of the Board, if applicable).
The arbitrator shall render a decision in writing to all parties of interest, which decision shall be final and binding subject to applicable law. The costs for the services of the arbitrator shall be borne equally by both parties.

H. Grievance records shall be kept separate from regular personnel records.

No reprisals of any kind shall be taken by either party against any participant in the Grievance procedure by reason of such participation.

**ARTICLE XV**

**General Provisions**

A. It is understood that this Agreement is subject to, and shall operate within, the framework of the Statutes of the State of Connecticut.

B. It is understood that administrators shall continue to serve under the direction of the Superintendent of Schools and in accordance with Board and Administrative policies, rules and regulations provided that the provisions of this Agreement shall supersede and prevail over any conflicting provisions.

C. There shall be no reprisals of any kind taken against any administrator by reason of membership in a professional education organization or participation in its activities.

D. The Board’s policies shall be available to all administrators for review on the Board’s website.

E. If any portion of this Agreement is declared illegal, the remainder of the Agreement shall remain in full force and effect.

F. The Board and Association will comply with all applicable laws pertaining to discrimination because of age, sex, marital status, race, creed, color or national origin, or other applicable unlawful discriminatory standard. An alleged violation of this provision shall not be subject to the grievance procedure.

G. The Association agrees that it shall not call, authorize, instigate, sanction or condone any strike, slowdown or stoppage during the period of this Agreement or any extension thereof.
