A. The Superintendent shall be reimbursed, upon the submission of receipts and within budget parameters, for reasonable and necessary out-of-pocket expenses incurred in the performance of his professional duties. It is understood by the parties that such expenses include expenses incurred by the Superintendent for items such as parking fees, tolls, hotel accommodations, and meals away from home when the Superintendent is traveling for the Districts or when he has back-to-back night meetings that end late in the evening or in the early morning making it impractical for him to travel home and return to his next scheduled workday in a timely manner. Vouchers for such expenses shall be processed monthly and reviewed quarterly by the three Board Chairpersons or their designees.

B. The Superintendent expressly agrees that he shall not be entitled to receive any reimbursement or other compensation for any travel related expenses related to the use of his personal automobile in connection with his duties as Superintendent, unless such reimbursement is for business travel outside of the three school districts which shall be payable at the applicable year's IRS mileage reimbursement rate.

C. To the extent permitted by State law and as approved in the Boards' Central Office budget, the Boards shall pay the full cost of the Superintendent's professional association memberships in the American Association of School Administrators, the Connecticut Association of Public School Superintendents (CAPSS) and such other groups in which the Superintendent desires to maintain membership for the purpose of maintaining and improving his professional skills (provided that the Superintendent receives prior approval from the Board Chairpersons for membership in such "other groups").

D. Recognizing the importance of a strong working relationship between the schools and the community, the Boards shall pay dues, membership fees and related expenses for membership in service and civic associations located in Easton or in Redding as provided in the annual Central Office budget, upon prior approval by the Board Chairpersons.

E. The Boards encourage the Superintendent to continue his professional development and expect him to participate in relevant learning experiences. Subject to Central Office budget appropriations, the Superintendent may attend professional
meetings at the local, state and national level, the expenses to be paid by the Boards, upon prior approval by the Board Chairpersons.

8. EVALUATIONS

A. Each Board shall separately evaluate and assess in writing the performance of the Superintendent at least annually during the term of this Agreement. This evaluation and assessment shall be reasonably related to the goals and objectives of the districts for the year in question. The Boards and the Superintendent shall attempt in good faith to agree on the development and adoption of the guidelines and criteria to be used by the Boards in evaluating the Superintendent. If the Boards and the Superintendent are unable to reach agreement on such guidelines and criteria, the Boards will determine the guidelines and criteria to be used in evaluating the Superintendent.

Each Board in executive session shall evaluate the Superintendent no later than June 30 of each year of this agreement. The evaluation shall include recommendations as to areas of improvement in areas where the Board deems such to be necessary or appropriate. A copy of the written evaluation shall be delivered to the Superintendent no later than July 31st for each year of this Agreement. The Superintendent shall have the right to make a written reaction or response to the evaluation, which shall become a permanent attachment to the Superintendent’s personnel file. No later than July 31 of each year of this Agreement, the Board in executive session shall meet with the Superintendent to discuss the evaluation.

The three evaluations shall become a permanent part of the Superintendent’s personnel file. The Superintendent hereby agrees that each Board’s evaluation may be provided by the Board to the Chairpersons of the other two Boards so that the members of all three Boards may be apprised of the evaluations of the other two Boards.

B. Whenever a Board has evaluated performance, in whole or in part, to be deficient, or has made recommendations as to areas of improvement, the Chairperson of the Board shall appoint a committee of not fewer than two (2) members of the Board to meet in executive session with the Superintendent and endeavor to assist the Superintendent in improving his performance as to such matters. Said committee shall report to the full Board its activities and the results thereof, within ninety (90) days of the date the Committee meets. Thereafter, the Board may continue the Committee and require additional reports where necessary. Nothing herein shall limit the right of the
Superintendent to request or offer, respectively, to periodically meet to discuss his performance with any Board.

C. The parties acknowledge that the procedures set forth in Sections A and B above applied to the 2015-16 contract year. The Boards will confer with the Superintendent in an effort to design unified goal formation and evaluation procedures for implementation beginning with the 2016-2017 school year. In the event that the Boards and the Superintendent are for any reason unable to reach agreement on such unified procedures, then the procedures set forth in Sections A and B above shall continue to apply.

9. TERMINATION

A. The parties may, by mutual consent, terminate this Agreement at any time.

B. The Superintendent shall be entitled to terminate this Agreement upon ninety (90) days written notice to each Board.

C. The Boards may terminate this Agreement at any time during its term for any of the following reasons:

1. Inefficiency or incompetence.
2. Insubordination against the reasonable rules of the Boards.
4. Disability which renders the Superintendent unable to carry out the essential functions of the Superintendent’s position, as shown by competent medical evidence.
5. Any other due and sufficient cause.

In the event the Boards seek to terminate this Agreement pursuant to Section C, above, the Boards shall notify the Superintendent in writing of the reasons therefor. Within fifteen (15) days after receipt from the Boards of written notice that contract termination is being sought, the Superintendent may file with the Boards a written request for a hearing before the Boards, which will be held within twenty (20) days of receipt of such request. The Boards shall render a decision within fifteen (15) days of such hearing and shall send a copy of its decision, setting forth the reasons and the evidence relied on, to the Superintendent. The decision of the Boards shall be based on the evidence presented at the hearing. Such hearing may be in public session at the
option of the Superintendent. The Superintendent shall have the right to his own
counsel at his own expense.

D. Any time limits established herein may be waived by written mutual
agreement signed by all of the parties.

10. GENERAL PROVISIONS

A. This Agreement shall be deemed severable, and any part hereof which
may be held invalid by a court or other entity of competent jurisdiction shall be deemed
automatically excluded from this Agreement and the remaining parts shall remain in full
force and effect.

B. This Agreement contains the entire understanding of the parties hereto
and constitutes the only agreement between the Boards and the Superintendent
regarding the employment of the Superintendent by the Boards. This Agreement
supersedes all prior agreements, either express or implied, between the parties hereto
regarding the employment of the Superintendent by the Boards.

C. None of the terms or conditions of this Agreement shall be amended or
modified unless expressly consented to in writing and signed by each of the parties
hereto.

D. This Agreement shall be governed by and construed under the laws of the
State of Connecticut.
