THIS AGREEMENT, by and between the Town of Bethany, hereinafter referred to as the "Town" and Local 1303 of Connecticut Council 4, AFSCME, AFL-CIO, hereinafter referred to as the "Union".

PREAMBLE

The welfare of the Town of Bethany, and its employees, is dependent upon the service the Town renders the public. Improvements in this service and economy in operating and maintaining expenses are promoted by willing cooperation between the Town management and the organization of its employees. An obligation rests upon the management, upon the Union, and upon each employee to render honest, efficient and economical service. The spirit of cooperation thereby, being essential to efficient operation, all parties will so conduct themselves to promote this spirit.

ARTICLE I
RECOGNITION

Pursuant to the certification of the Connecticut State Board of Labor Relations, decision No. 3076 dated June 23, 1999, the Town recognizes the Union as the sole and exclusive bargaining agent for all full-time road crew employees of the Town of Bethany working in the Highway Department, excluding supervisors and all others excluded by the Act.

ARTICLE II
MANAGEMENT RIGHTS

The Union recognizes the sole and exclusive prerogative of the Town to operate and manage its affairs in all respects in accordance with its public trust and interest, and further recognizes that the powers and authority which the Town has customarily possessed in the past, and has not had officially and specifically abridged, delegated or modified by this a specific provision of Agreement, are retained by the Town. This includes but is not limited to: the right to hire, transfer, promote, enforce work rules, suspend, discharge, to layoff and schedule employees; the right to establish positions and assign duties in accordance with the needs and requirements, as determined by the Town; the right to determine standards of employment to discipline employees for just cause; the right to promulgate, modify and enforce reasonable written rules and regulations as necessary to maintain order, safety and/or effective operations of the Town; the right to determine and/or change the nature of its services, and to introduce, change and operate new or improved methods, facilities, processes and techniques; the right to direct the working forces; the right to obtain from any source and to contract for materials, services, supplies and equipment; the right to require employees to perform other tasks and assume other responsibilities that may be different from their normal daily responsibilities; and all other rights pertaining to the operation and management of the business and affairs of the Town. The failure by the Town to exercise any of the rights as provided above shall not be construed as a waiver of these rights nor of the right of the Town to control, operate and manage its business.
Section 2. Management positions in the Highway department may perform bargaining unit work. The Town will not use language to deprive bargaining unit members of overtime opportunities. All bargaining unit employees will be asked for overtime before management will work.

ARTICLE III
UNION SHOP

The parties agree that all employees in the Collective Bargaining Unit shall, as a condition of employment, become and remain members of the Union in good standing, pursuant to the Constitution and By-Laws of the Union, within ninety (90) days of the date of this Agreement or within ninety (90) days after the date of their employment by the Town, whichever occurs last. The Town agrees to deduct from the pay of all its employees, who authorize such deductions from their wages, such membership dues, initiation fees and reinstatement fees as may be fixed by the Union. Such deductions shall continue for the duration of this Agreement or any extension thereof.

The deduction for any month shall be divided equally during each payroll of said month and shall be remitted to the Union, together with a list of names of the employees from whose wages such deductions have been made, not later than the last day of said month. The Union agrees to indemnify and save harmless the Town from any and all claims which may be made against the Town arising out of the deduction of dues and fees as provided above and payment thereof in accordance with the instructions of the Union.
