NOTE: REFER TO ARTICLE IX OF THIS AGREEMENT FOR LONGEVITY STIPEND

B. PLACEMENT ON THE SALARY SCHEDULE

1. All teachers shall be placed on the appropriate step in the salary schedule, taking into consideration the following:

2. Degree status as defined in Article X DEGREE DEFINITIONS.

3. Full credit may be given, at the discretion of the Superintendent, for previous teaching experience in Connecticut elementary public and military dependency schools, provided that such experience shall have been continuous service of at least one half of any school year. Intermittent or short-term substitute service will not be credited as previous teaching experience.

4. Credit for active service in the Armed Forces of the United States. Two years or more of military service will be recognized for a maximum credit or one salary step.
5. The Board or its designee shall review other professional, military, or nonmilitary experience in relation to the proposed teaching assignment and shall, at its discretion, grant credit for such experience.

C. **SALARY INCREMENTS**

1. Salary increments, when provided in the salary schedule, are not automatic. They are granted only where there is professional growth in service and a high standard of teaching, as attested to by an evaluation system implemented in accordance with Connecticut State guidelines.

2. When a teacher has completed work for an advance horizontal placement on the salary schedule, he/she will receive the appropriate increment on September 1, if the Superintendent has been notified, in writing, by December 30 of the preceding school year. Notification forms will be sent out to the teachers on or before December 1.

3. In order to receive credit on the salary schedule for a year's experience, a teacher must have taught for at least ninety-one (91) days at an employment status of fifty percent (50%) salary or more.

D. **COORDINATORS AND OTHER STIPEND ASSIGNMENTS**

1. The stipend for extra duty assignments shall be as follows:

   a. Team Leader $2,000  
      (Additional hours, meetings, responsibilities, evening meetings as necessary)

   b. Other stipends may be created at any time at the discretion of the Superintendent, within budgetary restrictions, to enhance the educational program. A list of the current stipends can be found at Appendix D.

E. **INSURANCE BENEFITS**

Notwithstanding any prior contractual provision to the contrary, the Board shall provide, for each individual teacher and his/her family if desired, the following health insurance benefits.
In each case where the name of a particular company or a specific plan has been used in this section, the intent is to indicate a general type of insurance and not to establish a relationship with one particular company or with any specific plan. The Board of Education shall have the right to change insurance carriers and/or to self-insure in whole or in part in order to provide the insurance coverage set forth below, provided that coverage which results from a change in carriers and/or self-insurance is substantially equivalent to (or better than) the coverage negotiated and described below, in terms of coverage, benefits and administration. Any change in carrier will not result in disruption of more than ten percent (10%) of the top one hundred (100) providers used in terms of encounters (number of visits). Prior to changing carriers under this section, the Board shall notify the President of the Association at least seventy-five (75) days in advance of the nature of the change and the reasons for the change. If the Association disagrees that the substitute insurance carrier's proposed policy is substantially equivalent to the current carrier's policy, the Association must notify the Board of their objection, in writing, no later than forty-five (45) days prior to the effective date of the carrier change, by filing a grievance, commencing at the arbitration level of the process.

The HDHP/HSA plan shall be the core insurance plan. The premium cost share for the HSA Plan for all teachers shall be twenty-two percent (22%) of the total HSA premium for single, couple, or family coverage for the 2018-19 school year, twenty-three percent (23%) of the total premium for the 2019-20 school year and twenty-four percent (24%) for the 2020-21 school year. The Board shall pay the remainder of the premium.

To be eligible to receive these insurance benefits, each employee must submit a written wage deduction authorization permitting the Board to deduct from the employee's salary his/her share of the amount of the premium set forth above. Each employee will be informed of the premium in writing prior to the first or any revised deduction. An employee may forgo or withdraw from full coverage rather than pay his/her share of the premium.

Teachers with contracts of employment less than 1.0 full time equivalent (FTE) will share the cost of health insurance as follows:

- .9 FTE = 70% Board/ 30% employee
- .8 FTE = 60% Board/ 40% employee
- .7 FTE = 50% Board/ 50% employee
- .6 FTE = 40% Board/ 60% employee
- .5 FTE = 30% Board/ 70% employee
- < .5 = No benefits

The Board's contribution toward the HSA deductible will be deposited into the HSA accounts in two installments, the first installment shall be deposited on the first payroll date in September and the second installment shall be made in February of each school year. The parties acknowledge that the Board's contribution toward the funding of the HSA plan is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for active employees. The Board shall have no obligation to fund any portion of the HSA deductible for retirees or other individuals upon their separation from employment.

b. Should any Federal statute or regulation pertaining to Internal Revenue Code §49801, otherwise known as the Affordable Care Act, or any other Federal or State statute or regulation be mandated to take effect between July 1, 2018 and June 30, 2021 triggering the imposition of an excise tax with respect to any of the contractually agreed upon insurance plans, the parties agree to commence mid-term negotiations to address the excise tax in accordance with the Teacher Negotiations Act. Such negotiations shall be limited solely to the distribution of payment of the excise tax, health insurance, plan offerings, coverage, design and premium cost share. Other
negotiated subject matter in the collective bargaining agreement shall not be subject to this reopener.

   c. Prosthetic services - 50%
   d. $50 / $150 calendar year deductible, section b & c only;

The premium cost share for dental insurance for all teachers for the duration of this contract shall be twenty-two percent (22%) for the 2018-19 school year, twenty-three percent (23%) for the 2019-20 school year and twenty-four percent (24%) for the 2020-21 school year of the total premium for single, couple, or family coverage.

3. Group Life Insurance coverage will be $50,000 of benefit coverage per teacher.

4. The insurance benefits above will remain in effect until August 31, providing that the teacher completes the full assignment for that contract year.

5. The Board shall maintain a "Section 125" Salary Reduction Agreement which shall be designed to permit exclusion from taxable income of the employees' share of health and life insurance premiums and other benefits as agreed. The Board makes no representations or guarantees as to the initial or continued viability of such a Salary Reduction Agreement, and shall incur no obligation to engage in any form of impact bargaining in the event that a change in law reduces or eliminates the tax-exempt status of employee insurance premium contributions. So long as the Board makes a good faith effort to comply with this paragraph, neither the Association nor any teacher covered by this Agreement shall make any claim or demand, nor maintain any action against the Board or any of its members or agents for taxes, penalties, interest or other cost or loss arising from a flaw or defect in the Salary Reduction Agreement, or from a change in law which may reduce or eliminate the employee tax benefits to be derived therefrom.

F. PAYMENT IN LIEU OF INSURANCE

1. Full-time teachers eligible for family or two person (couple) coverage may receive an annual salary stipend of $2,000 in lieu of health insurance coverage provided under this article, paid in two installments (September and February). Teachers who receive health insurance coverage from the Bethany Board of Education through a spouse or parent are not eligible to receive this stipend. Teachers who are not employed for the full school year shall receive a prorated payment. Teachers not employed as of January 1 shall not be eligible for such payment.
In order to receive such payment a teacher must notify the office of the superintendent in writing no later than July 1 in the year preceding the school year in which the payment is to be made. The availability of this benefit and the reinstatement of any insurance benefits are subject to the terms of the Board's insurance policies prevailing at the time the employee seeks payment in lieu of insurance or reinstatement and is contingent upon no additional cost being assessed against the Board above the normal group rate as a result of an employee's exercise of his/her options under this section. At no time shall the Board be deemed a self-insurer.

2. Teachers employed in less than full time positions eligible for family or two person (couple) coverage may receive a prorated annual salary stipend based on $2,000 in lieu of health insurance coverage provided under this article in accordance with the following:

Prior to reinstatement the teacher shall reimburse the Board the appropriate pro-rata portion of the payment in lieu of insurance (buy-out) or shall effect repayment by means of authorized payroll reduction within the current school year. After this six month period, the former employee's survivor may continue participation in the group plans at his or her own expense.

Such days may not be used the day before or the day following a vacation and/or a holiday, although exceptions may be made for extenuating circumstances with the permission of the Superintendent of Schools. Such days must be approved by the Principal and the reason for such leave must be stated when requested. The request must be submitted at least forty-eight (48) hours in advance of the date requested. In the event of an emergency which prevents prior notice, a teacher shall

4. JURY DUTY

Teachers who receive summons for jury duty should notify the Superintendent as soon as possible. Teachers shall make every effort to seek a release from jury duty during the school year. The Board will compensate employees who render services as jurors in an amount equal to the difference between their current base per diem (1/187th) salary and the amount paid to them for jury service. Effective July 1, 2017, the per diem calculation will be 1/188th of salary.

5. Personal Leave (Section 1) and Bereavement Leave (Section 2) shall be in addition to any sick leave to which the teacher is entitled.
6. For leaves of absence other than those covered by any portion of this Agreement, the rate of deduction shall be $1/187$th of the year's basic salary. Effective July 1, 2017, the per diem calculation will be $1/188$th of salary.

7. The length school day may be temporarily modified by the Board and/or administration to afford time for curriculum development, professional development, parent-teacher conferences, special activities or events, weather or facility related problems, or other reasons. In these situations, the teacher workday may also be adjusted to accommodate the circumstance.

8. The school calendar may provide for regularly scheduled full teacher work days on days students are not in school, for workshops, professional development, curriculum work, training, in-service activities, parent conferences, or other reasons as determined by the Board and/or administration.

9. In the interest of continually striving to enhance the District’s educational program, teachers will be required to attend before or after-school staff meetings for up to fifty (50) minutes, three (3) times per month, as scheduled by the Administration. Such time will be used for the purposes of faculty meetings, grade level meetings, team meetings, professional development sessions and other activities as designated by Administration. B. PREPARATION PERIODS

1. The Bethany Board of Education shall provide each teacher with a preparation period of at least forty (40) minutes per day, aligned with the school schedule, for the purpose of allowing the teacher to perform professional responsibilities. Whenever possible the preparation period will be scheduled as forty (40) consecutive minutes without the responsibility for supervision of students.

2. In deciding which teacher(s) shall be reassigned those factors considered may include but shall not be limited to the following: (1) Training and experience of the teacher and (2) the overall staffing needs of the school.

3. A change in assignment shall be made only after a meeting between the teacher involved and the superintendent or his or her designee, at which time the teacher shall be notified of the rationale for the reassignment. An association representative shall be present if requested by the teacher.

C. NOTIFICATION

Barring unforeseen circumstances (such as fiscal emergency or unanticipated resignations) teachers in the system shall receive notification of their programs for the ensuing school year prior to the close of the current school year.
ARTICLE XVIII

A. No material originating after initial employment, which concerns the teacher's performance, shall be placed in a teacher's personnel file unless the teacher has been notified and has had an opportunity to review the material. The teacher may submit a written notation regarding any such material, and the same shall be attached to the file copy of the material in question. The teacher shall sign all such material to be placed in his or her file, with the understanding that such signature indicates only his/her awareness of the material but in no instance shall said signature be interpreted to mean agreement with the content of the material.

B. ARTICLE XXI
JUST CAUSE
