ARTICLE V GRIEVANCE PROCEDURE

- 5.0 a. A "grievance" shall mean a complaint or a dispute involving any teacher(s) or the Association, concerning the direct or indirect interpretation of a specific section of this Agreement. The grievance shall be deemed waived if not filed within the fifteen (15) day period.
- b. Failure by the aggrieved member, through the Association, at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision.

5.2 Informal Procedures

- a. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each step shall be considered as a maximum.
- b. If the grievance is of such a nature that the Level One Step is inappropriate in the opinion of the President and/or the Chairperson of the P. R. & R. Committee of the Association, the grievance shall be submitted directly to Level Two.

5.3 Level One - Principal or Immediate Supervisor

The aggrieved member shall first discuss the grievance with his/her principal, either directly or through the Association P. R. & R. Chairperson. The objective of the meeting is to resolve the matter at its lowest level. The building administrator must render a decision within ten (10) school days following receipt of the grievance. (Appendix E2)

5.4 Level Two - Superintendent of Schools

- a. In the event that such aggrieved member is not satisfied with the disposition of his/her grievance at Level One, he/she may authorize the P. R. & R. Chairperson to refer the written grievance (Appendix E3) to the Superintendent or his/her designee. The grievance shall be filed within five (5) school days after the decision at Level One has been received by the P. R. & R. Chairperson or fifteen (15) school days after the grievance was presented, whichever is sooner. The grievance shall be in writing (Appendix E1) and shall specify the section(s) of the contract allegedly violated, and the Level One written response (Appendix E2). The P. R. & R. R. & R. Committee and/or the designee. In all other instances, within ten (10) school days after receipt of the written grievance by the Superintendent, the Superintendent or his/her designee shall meet with the aggrieved member of the unit and the Chairperson of the P. R. & R. Committee and/or the designee. The Superintendent shall issue his/her written decision within ten (10) school days following the grievance meeting.

The aggrieved member shall be offered the opportunity to appeal to the Committee during its deliberations as to the merits of the claim. The claim shall be forwarded, either within five (5) school days after receipt of the Superintendent's decision or fifteen (15) school days after the Level Two grievance hearing, whichever is sooner.
- b. Within ten (10) school days after receiving the written grievance, the Board or a sub-committee of the Board shall schedule a meeting through the Chairperson of the P. R. & R. 5.6 Level Four -Impartial Arbitration

In the event that the Chairperson of the P. R. & R. Committee and his/her Committee are not satisfied with the grievance decision rendered at Level Three, the claim shall be forwarded to arbitration. The Committee shall consult with any advisor(s) they deem to be a party at interest and convey to the Grievant its decision within ten (10) days following receipt of the Level Three decision (Appendix E4). The decision of the Committee shall be based upon the merits of the contractual claim. The Demand for Arbitration shall be filed no later than fifteen (15) days following receipt of the decision by the Board. The Arbitrator shall be selected from a list submitted by the American Arbitration Association. The arbitration hearing shall be conducted in accordance with the AAA Voluntary Labor Arbitration Rules. The Association P. R. & R. Committee may designate the party at interest to present the evidence supporting the grievance claim. The hearing shall afford the Parties full opportunity to present witnesses and evidence to support their respective positions on the grievance matter.

The arbitrator designated shall hear and decide only one (1) grievance at a time. His/Her award shall be final and binding as provided by this Agreement. He/She shall be bound by and must comply with all terms of this Agreement and shall have no power to add to, subtract from, or in any way modify the provisions of this Agreement. ARTICLE VI NON-TEACHING DUTIES

- 6.0 The Board and the Association acknowledge that a teacher's primary responsibility is to teach and that his/her energies should be utilized to this end.
- 6.1 The Board and the Association recognize that teacher aides and part-time clerical and part-time non-teaching employees are useful and necessary in order to implement this principle.
- 6.2 No teacher shall be required to perform lunchroom duties; however, if a teacher volunteers, he/she shall be paid five dollars (\$5.00) per hour for such duty.
- 6.3 The classroom teachers are expected to establish liaison with the specialists in art, music and physical education to insure follow through on the activities developed.

ARTICLE VII TEACHING ASSIGNMENTS AND TRANSFERS

- 7.0 The assignment and transfer of teachers within the school system is the responsibility of the Superintendent of Schools. Assignment shall be made only after consideration by the Superintendent of the reasonable request of any teacher. Voluntary Transfers - A request for change to a vacant teaching assignment shall be honored when the Superintendent judges it to be in the best interest of the school system. Teachers who desire to transfer to another building shall file a written statement with the building principal, the Assistant Superintendent and/or the Superintendent not later than May 1st. Such statement shall include the grade and/or subject to which the teacher desires to be transferred. Should two or more teachers desire the same vacant position, the teacher with the greater years of service shall have a priority over all others when the more senior teacher has had experience in the desired area and the Superintendent deems it in the best interest of the school system to effectuate the transfer.

- 7.1 Teachers shall be notified in writing of their proposed programs for the coming school year, including the schools to which they will be assigned, the grades and/or subjects that they will teach, and any special or unusual classes that they will have, by June 1 of the current school year.
- 7.2 Changes in grade assignment in the elementary schools and in subject assignments in the secondary schools are sometimes necessary and even beneficial. To the extent possible, such changes in grade and subject assignment shall be with the assent of the teacher- (especially changes affecting probationary teachers) but the Superintendent reserves the right to make such changes.
- 7.3 In arranging schedules for teachers who are assigned to more than one school, an effort shall be made to limit the amount of inter-school travel. Such teachers shall be notified of any changes in their schedules as soon as practicable. Teachers who are assigned to more than one school in any one school day shall receive the IRS rate per mile for all inter-school travel. Cases of transportation other than inter-school travel shall be reviewed on an individual basis.
- 7.4 In order to assure that pupils are taught by teachers working within their areas of competence, teachers shall not be assigned, except temporarily and for good cause, outside the scope of their teaching endorsements and/or their major or minor fields of study if such assignment would limit the assigned teacher's benefits under the Teacher Retirement Board.
- 7.5 An involuntary transfer shall be made only after a meeting between the teacher involved and the Superintendent or his/her designee, at which time the teacher shall be notified of the organizational and educational reasons for the his/her transfer.
- 7.6 Reduction In Force within the Professional Staff

It is recognized that the Board has the sole authority to reduce the educational program and determine the number of teachers who shall be employed. This Article deals with the method by which staff reductions and recalls will be implemented.

Teachers holding Durational Shortage Area Permits (DSAP) shall not be subject to this provision.

When it becomes necessary to reduce the number of teachers in the bargaining unit, the Board, upon the recommendation of the Superintendent, shall determine and identify the areas, positions, programs or curriculum in which the reduction(s) shall take place. In determining the identity of teachers who shall thereafter be released the following criteria shall apply:

1. Retirements, resignations, non-renewals and terminations among the teaching staff will first be reviewed to determine if the staff is reduced in sufficient number by attrition to avoid release of teachers.

2. Should further reductions be necessary the principle of seniority within the areas of endorsement shall govern the process for non-tenured and tenured certified staff.
3. The date of seniority, for the purposes of this section, shall be the date and time which is date stamped on a teacher's initial contract upon receipt at the Office of the Superintendent. If an initial contract has not been date stamped, the date the teacher signed the initial contract shall be the teacher's seniority date.
4. A teacher who has been released, due to a reduction in force, shall be notified in writing, by certified mail, when a vacancy occurs for which the teacher holds endorsement. Such notified teacher shall respond to the certified mail vacancy notice within ten (10) days of the date of such notice. The recall to vacant positions shall be in the inverse order of lay-off or reduction in force. The recall rights described under this provision shall extend for a period of eighteen (18) months after release due to a reduction in force.

ARTICLE VIII THE SCHOOL YEAR

Before determining how to use additional days up to and including 186 days, the Board shall consider the recommendation of the Professional Development Committee, providing such recommendation is made in a timely fashion. A recommendation made by March 1st will be considered timely.

INTERIM TEACHER'S CONTRACT

The Board of Education of the Town of Cheshire, Connecticut hereby agrees to employ «**candidate**» (to whom the term "substitute teacher" hereinafter refers) hereby agrees to serve, under the direction of the Superintendent of Schools, as a long-term substitute in the public schools of said Town, for the period **beginning «begdate»**, and **ending «enddate»**. This contract will not be renewed at its expiration and if effected prior to April 1, this provision shall serve as written notice to the substitute teacher of the Board's intention not to renew this contract.

The Board has voted and hereby agrees to pay said substitute teacher, and said substitute teacher hereby agrees to accept, for service during the above-stated period, salary «**salary**» in (as per schedule) periodic installments payable as follows: bi-weekly payments beginning «**saldate**», and subject to required deductions for the State Teacher's Retirement Fund and the United States Withholding Tax, and other agreed-to deductions which the teacher may in writing authorize. Said salary is equivalent to the beginning salary on the appropriate salary schedule contained in *The 2000-2003 Agreement Between the Cheshire Board of Education and the Education Association of Cheshire*. Said substitute teacher shall receive all of the benefits of a regularly employed full time teacher, including sick leave.

This contract may be terminated by mutual consent at any time. It may be terminated by the Board for cause as provided by statute. The teacher may resign for good reason by submitting at least thirty days' written notice at any time except during the month of August, which month, unless the contract has been terminated by mutual consent or Board action, the teacher will accept employment with no other Board of Education in Connecticut; provided that in the event no salary agreement for the ensuing year has been signed by November first, limitations on the teacher's resigning shall not be binding until such an agreement has been signed.

The teacher may, upon written request file with the Board within twenty days after receipt of any notice from the Board of its intention not to renew or to consider termination of this contract, be entitled to a hearing before the Board to be held within fifteen days of such request unless the parties mutually agree to an extension of time. Within seven (7) days after receipt by the Board of a written request from the teacher the reason or reasons for the termination or the non-renewal of the contract shall be made known. The teacher shall have the right to appear with counsel of his choice at such hearing.

This contract is subject to the applicable Statutes of the State of Connecticut, rules and regulations of the Board of Education and *The Agreement Between the Cheshire Board of Education and the Education Association of Cheshire*. It is agreed that exhaustion of all remedies which may be available to the substitutes shall be a prerequisite and condition precedent to the institution of any cause of action for breach of this contract arising out of its termination.
