Gen. Stat. 7-467 et seq. (the "Act").

ARTICLE II
BOARD PREROGATIVES

Section 2.0

Except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, the Board has and will continue to retain whether exercised or not, all the rights, powers and authority heretofore had by it, and shall have the sole right, responsibility and prerogative of management of the affairs of the Board of Education and direction of the working forces, including, but not limited to those rights provided by Conn. Gen. Stat. 10-220 and the following:

a. To determine the care, maintenance and operation of equipment and property used for and in behalf of the purposes of the Board.

c. To discontinue processes or operations or to discontinue their performance by employees.
d. To select and to determine the number and types of employees required to perform the Board’s operations, and to create, modify and/or eliminate positions accordingly.

e. To employ, transfer, promote or demote employees, or to lay off, furlough, terminate or otherwise relieve employees from duty for lack of work or other legitimate reasons when it shall be in the best interests of the Board.

f. To establish contracts or subcontracts for, or to otherwise reassign, any of the Board’s operations currently being performed by bargaining unit members, provided that this right shall not be used for the purpose or intention of undermining the Union or of discriminating against its members. The Board shall also have the right to supplement the bargaining unit workforce with contractors and other non-bargaining unit members to accomplish tasks performed by members of the bargaining unit.

g. To prescribe and enforce reasonable rules and regulations for the maintenance of discipline and for the performance of work in accordance with the requirements of the Board, and to discipline employees for just cause.

h. To create job specifications and revise existing job specifications as deemed necessary.

i. Except as limited by the express terms of this Agreement, to determine work schedules of employees.

Section 2.1

The above rights, responsibilities and prerogatives are inherent in the Board of Education and the Superintendent by virtue of statutory and charter provisions and are not subject to delegation in whole or in part.

ARTICLE III
VACANCIES

Section 3.0

A job vacancy is defined as an opening or new position within the bargaining unit.
Section 3.1

The decision to fill a vacancy, and the manner of filling vacancies, shall be solely within the discretion and control of the Board, except as otherwise provided by the specific provisions of this Agreement.

Section 3.2

All job vacancies shall be posted in the school and at the office of the Board of Education for a period of at least five (5) working days, with notification given to the Union president, prior to general advertisement outside the bargaining unit. Employees desiring to apply for appointment to a job vacancy shall file a written application with the Superintendent's office within the time limit specified in the posting.

Section 3.3

At the end of the application period, the Board shall have the right to select the applicant who is most qualified for the position, based upon their seniority, skills, educational background and work experience. If two bargaining unit applicants are equally qualified, then the bargaining unit applicant with greater seniority shall be awarded the position. An outside applicant may not be selected if there is a qualified inside applicant.

ARTICLE IV
UNION SECURITY AND PAYROLL DEDUCTION

Section 4.0

The Board agrees to provide space on a bulletin board in the building under its supervision in which a member of the bargaining unit works, for the exclusive use of the Union.

Section 4.1

The Board shall provide each employee with a copy of this Agreement within thirty (30) days after the signing of this Agreement. New employees shall be provided with a copy of this Agreement upon hire.

Section 4.2

During the term of this Agreement or extension thereof, all employees in the collective bargaining unit shall, from the date of their employment by the Board, as a condition of employment, either become and remain members of the Union in good standing in accordance with the Constitution and By-Laws of the Union, or in lieu of Union

Section 7.3

Employees chosen for layoff, who are eligible, must elect to bump the least senior employee within the same classification within five (5) working days of receipt of notice of layoff.

Section 7.4

An employee who is laid off shall have recall rights for twelve (12) months following the date of the layoff. During the period of recall, employees on the recall list in order of seniority shall be offered re-employment if there is a vacancy in the job classification from which he/she was laid off provided the employee is fully qualified to perform the functions of such position and possesses the skills necessary to work with the student(s) served by the position, if applicable. Notice of the opportunity for re-employment shall be sent by certified mail. If the employee on the recall list does not respond within ten (10) working days of the date of the notice, the right of recall shall be forfeited. Further, if the employee on the recall list is not available to commence re-employment within ten (10) working days of the recall notice, recall rights shall be forfeited. It is the obligation of an employee on the recall list to keep the Superintendent's office informed of the current address and telephone number of the employee.
ARTICLE VIII
LEAVE PROVISIONS

Section 8.0 -- Sick Leave

Employees who work greater than two hundred ten (210) days per year shall be credited with fourteen (14) sick days on July 1 of each contract year. For such employees, unused sick days may be accumulated to a maximum of one hundred forty (140) days.

Employees who work less than two hundred ten (210) days per year shall be credited with twelve (12) sick days on July 1 of each contract year. For such employees, unused sick days may be accumulated to a maximum of ninety-seven (97) days.

Sick leave may be used for the following purposes:

a. Personal illness or injury.

b. Enforced quarantine of the employee in accordance with community health regulations.

c. In the event of illness or injury to a member of the employee's immediate family. "Immediate family" includes husband, wife, domestic partner, father, mother, sister, brother or child and also includes any relative who is domiciled in the employee's household.

d. Requests for exceptions to the categories listed above may be made to the Superintendent.

A doctor's certificate showing date of illness or incapacity may be required after three (3) consecutive working days of absence or in cases of suspected abuse.

Section 8.1 -- Sick Leave Bank

For the purpose of providing additional coverage after exhaustion of individual annual and/or accumulated sick leave only in the event of serious illness as evidenced by medical certification, the Board and the Union agree to establish a Sick Leave Bank.

A. Participation by members of the bargaining unit shall be mandatory during the month of September. Such participation shall require all employees to contribute one (1) day of accumulated sick leave to the Sick Bank. Employees shall be entitled to donate additional days on a voluntary basis.

B. The Bank shall be administered by the Superintendent or his/her designee, and a Union representative.
C. The following criteria shall be used by the Superintendent or his/her designee, and the Union representative, in determining the eligibility of an employee to draw from the Bank and determining the amount of leave:

1. An employee must have completed one (1) uninterrupted year of service in Columbia.

2. An employee must have exhausted all accumulated sick leave in his or her individual sick leave account.

3. An employee must submit competent and timely evidence that a request is necessary due to serious and lengthy illness that is not covered by workers' compensation.

4. An employee must have contributed to the Sick Bank in the year of his or her request and must not have drawn from the Sick Bank in the last three hundred sixty-five (365) calendar days prior to his or her written request to utilize the Sick Bank.

5. An employee must exhaust all paid leave options available to them, prior to utilizing the Sick Bank. This shall not include the leave taken in accordance with the Family Medical Leave Act ("FMLA").

6. Any employee who has utilized the Sick Leave Bank shall repay two (2) days of sick leave, to the Sick Leave Bank, upon their return for the five (5) years after he or she has utilized the Sick Leave Bank, or when the number of days from the Sick Bank utilized by the employee is paid, whichever is first.

D. Upon compliance with Section C above, the Superintendent and the Union representative may issue a grant of days from the Sick Leave Bank of no more than sixty (60) days.

E. The Sick Leave Bank shall have a minimum of twenty (20) days in reserve. If the number of days falls below twenty (20), then Section A shall be reapplied. However, the total number of Sick Leave Bank days in reserve shall not exceed one hundred and fifty (150). In the event the one hundred fifty (150) day maximum would be exceeded, then Section A of this Article would not be reapplied.

F. The decisions of the Superintendent and the Union representative shall be final and binding and not be subject to the grievance procedure or arbitration.
Section 8.2 -- Personal Leave

Employees shall receive up to three (3) personal leave days off with pay each fiscal year that may be used at their discretion. This leave shall be scheduled by mutual agreement between the employee and their supervisor, and then forwarded to the superintendent for final approval. To be considered, personal leave day requests must be made in writing at least forty-eight (48) hours in advance of the leave, except in the case of an emergency. The employee may use these days separately or consecutively.

Under ordinary circumstances, personal leave will not be granted for days immediately preceding or following a school recess or a holiday. Personal leave shall not accumulate from year to year. However, employees who are not eligible for vacation (e.g., employees who are regularly scheduled to work less than two hundred ten (210) days per year) may accumulate personal leave up to a maximum of six (6) days. At the discretion of the Superintendent or his/her designee, greater than two hundred ten (210) day employees may be permitted to extend a school recess or holiday through the use of a personal leave day.

If an employee has used their personal days, he/she may request additional personal days in writing from the Superintendent. The Superintendent will consider extending the number of personal days beyond three (3) if they are to be utilized for religious purposes, an emergency or exigent circumstances. If additional personal days are granted, an equal amount of days will be deducted from the employee's sick leave.

Section 8.3 -- Bereavement Leave

The Superintendent or his/her designee shall grant up to three (3) days leave without loss of pay for the purpose of attending a funeral in cases of death in the immediate family. For the purposes of this section, "immediate family" shall be defined as husband, wife, father, mother, sister, brother, child, grandparent, grandchild, spouse's parents, aunt, uncle, niece, nephew, domestic partner and any relative who is domiciled in the employee's household.

Section 8.4 -- Family and Medical Leave

The Board shall comply with its obligations under the Family and Medical Leave Act (FMLA), codified at 29 U.S.C. §2601 et seq., as amended.

Section 8.5 -- Jury Duty

Should an employee be called to jury duty, the employee shall submit written notice and a copy of the jury duty notice must be provided to a school administrator within five (5) working days of the employee's receipt of the call to jury duty.
The employee shall be compensated at the employee's base rate of pay less the jury fee, for up to fourteen (14) working days per year.

A copy of proof of service on the jury must be provided to a school administrator for any day taken as jury duty leave under this section; the employee will not be compensated for jury duty if written proof of service is not provided.

Section 8.6 -- Military Leave

Any military leave required by employees will be provided in accord with prevailing federal and state laws.

Copies of orders to active duty shall be supplied to the Superintendent.

Section 8.7 -- Workers' Compensation Leave

If an employee is absent from school as a result of personal injury caused by an accident arising out of and in the course of his/her employment for the Board, and the Workers' Compensation Administration determines that the employee is eligible for workers compensation payments, he/she shall be paid a differential by the Board, such that his/her full salary equals his/her total net regular salary for a period of absence not to exceed six (6) months.

Section 8.8 -- Leave Accrual

Leave accruals will be shown on the employee's payroll stubs.

ARTICLE IX
DISCIPLINARY ACTION

Section 9.0

No employee who has successfully completed his/her probationary period shall receive disciplinary action except for just cause. "Disciplinary action" as used in this Article shall be defined as any of the following: documented verbal warning, written reprimand, suspension or discharge.

Section 9.1

All suspensions and discharges shall be communicated in writing with reason(s) included and a copy shall be given to the employee at the time of such suspension or discharge. The Board's representative shall mail a copy of the notice of suspension or discharge to the Union President.
Section 9.2

An employee who is interviewed concerning a matter which may subject the employee to disciplinary action may, upon request, have an available Union representative present during such interview. If the employee requests the presence of a Union representative at such an investigatory meeting, the interview will come to a close until an available Union representative can be present.

Section 9.3

Except for probationary employees, instances of disciplinary action may be appealed through the grievance procedure contained in this Agreement.

ARTICLE X
GRIEVANCE PROCEDURE

Section 10.0

The purpose of this procedure is to secure, at the lowest possible administration level, solutions to grievances regarding claims of misapplication and misinterpretation of the Agreement. An AFSCME Representative shall be allowed at any level of the grievance procedure.

Section 10.1 -- Definitions

a. A "grievance" shall mean a complaint by an employee, the Union, or a group of employees that as to him/her there has been a violation, misinterpretation or misapplication of a specific provision of this Agreement.

b. "Grievant" shall mean any member of the bargaining unit, or group of bargaining unit members or the Union similarly affected by a grievance, seeking recourse under the terms of this Article.

c. "Days" shall mean calendar days.

Section 10.2 -- Time Limits

a. If a grievance is not filed in writing with the employee's supervisor within fifteen (15) calendar days after the grievant knew or should have known of the act or conditions on which the grievance is based, then the grievance shall be considered to have been waived.
b. Failure by the grievant at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

c. A grievant may, if his/her immediate supervisor or the Superintendent fails to render his/her/its decision within the specified time limits, process his/her/its grievance to the next higher level.

d. The time limits contained in this Article may be extended only by written mutual agreement.

Section 10.3 -- Level One - Supervisor

If a grievant feels that he/she may have a grievance, he/she may first discuss the matter with his/her supervisor in an effort to resolve the problem informally. If the grievant is not satisfied with the disposition of the matter, he/she shall reduce the grievance to writing and submit it to his/her supervisor. The employee's supervisor shall, within fifteen (15) calendar days of that filing of the grievance in writing, give a written answer with a copy to the Union.

Section 10.4 -- Level Two - Superintendent of Schools

a. If the grievant is not satisfied with the disposition of his/her grievance at Level One, he/she may, within fifteen (15) calendar days after the decision, file his/her written grievance with the Superintendent of Schools or his/her designee.

b. The Superintendent or his/her designee shall, within fifteen (15) calendar days after receipt of the referral, meet with the grievant and a representative of the Union for the purpose of resolving the grievance.

c. The Superintendent or his/her designee shall, within fifteen (15) calendar days after the meeting, render his/her decision and the reasons therefore in writing to the grievant, with a copy to the Union.

d. Notwithstanding the above, grievances over a dismissal, suspension, demotion and grievances concerning more than one (1) employee (class actions) shall be submitted directly to Level Two.

Section 10.5 -- Level Three -- Board of Education

If the aggrieved employee is not satisfied with the disposition of his/her grievance at Level Two, he/she may file the grievance again for appeal to the Board of Education within
fifteen (15) calendar days of the level two decision. The Board of Education has fifteen (15) calendar days to hear or decline the appeal.

Section 10.6 -- Level Four - Arbitration

a. If the Union is not satisfied with the disposition of the grievance at Level Three, the Union may process the grievance to arbitration within thirty (30) days of receipt of the Level Three answer. Only the Union may submit a grievance to arbitration, and it may do so by giving written notice to the Board of its intent to arbitrate the dispute. The submission of the grievance shall state the specific provisions of the contract allegedly violated and the remedy sought.

b. The parties agree that unless the Board objects, arbitrations shall be conducted before the Connecticut State Board of Mediation and Arbitration. The Board may require that an arbitration be heard by the American Arbitration Association. If the Board so requires it shall notify the Union within fifteen (15) calendar days of the Union's request for arbitration. The Board shall bear the cost of such arbitration before the American Arbitration Association. The Arbitrator(s) shall hear the grievance under the applicable rules and regulations governing arbitrations by such tribunal and the decision shall be final and binding upon the parties. The arbitrators shall have no authority to add to, subtract from, alter or modify this Agreement in any way but must comply with the terms of the Agreement in every respect.

c. The Board and the Union shall be entitled to have legal representation at Level Four of the grievance procedure, at their expense.

d. The arbitrator(s) will hear only one grievance at a time, except as otherwise agreed by the parties. This provision will not prevent the arbitrator(s) from hearing a Union or class action grievance. Neither will it prevent discussion of the arbitrability and the merits of the grievance at the same hearing.

e. The grievant and one (1) Union representative shall be afforded the necessary time off without loss of pay to attend meetings between the Board and the Union for the purpose of processing grievances, and attending hearings, provided the employee was scheduled to work at a time simultaneous to such meetings or hearings.

\[ 2018-2021 = 18\% \]

All dental and health insurance coverage is subject to the eligibility requirements of the carrier(s). The Board reserves the right to change the specific insurance plan(s) or carrier(s) for health and dental insurance coverage at any time during the term of this Agreement.

Section 14.4

The Board shall have the right to change insurance carriers and/or to self-insure and/or join a consortium in whole or in part in order to provide the insurance coverages set forth above, provided that coverages which result from change in carriers and/or self-insurance and/or a consortium are substantially equal to coverage described above. Management will provide 30 day notification of intent to change carriers.
