ARTICLE I
RECOGNITION

The Board recognizes the Union as the sole and exclusive bargaining agents for the purposes of collective bargaining on matters of wages, hours of employment and other conditions of employment for all cafeteria employees working twenty (20) hours or more per week, excluding the Superintendent of Schools or his/her designee and students used to assist the cafeteria employees during the school year.

ARTICLE II
UNION SECURITY

Section 2.0

It shall be a condition of employment that all employees covered by this Agreement shall on the thirty-first (31st) day following the beginning of such employment become and remain members in good standing with the Union, or pay to the Union an agency fee set by the Union as allowable by law.

Section 2.1

Upon receipt of a signed authorization form from the employee involved, a copy of which is attached to this Agreement as Appendix A, the Board shall deduct from the employees’ pay biweekly such dues or service fees as the Union shall determine in accordance with law. The amount of said initiation fees, dues, or service fees will be certified by a responsible Union officer in writing and may be raised or lowered by the Union at any time, in accordance with law, upon notification by certified mail by said officer to the Board.

Section 2.2

If for any reason an employee has no pay available from which the dues may be deducted, the deduction will take place beginning the payroll period in which he/she does have pay available and continuing weekly until the back deductions are made up, at which time he/she will return to the monthly basis.
Section 2.3

The Union agrees to indemnify and hold the Board harmless for any and all claims, judgments, loss or damage, including court costs, attorneys' fees, and other costs arising out of the enforcement of this Article, whether in judicial, administrative, arbitration, or other proceedings.

Section 2.4

Deductions as provided in Sections 2.1 and 2.2 shall be remitted to the Council 4 office of the Union no later than fifteen (15) days after such deductions have been made along with a list of employees from whom the deductions have been made.

Section 2.5

The employees agree, individually and collectively, that there shall be no strikes at any time during the term of this Agreement.

The Board agrees that there will be no lockout of any of its employees during the life of the Agreement.

Section 2.6

At least one bulletin board shall be reserved at an accessible place in each building for the exclusive use of the Union for posting of official Union notices or announcements.

Section 2.7

The Board shall provide one (1) copy of the contract to each employee upon request. New employees shall be supplied a copy of the contract at time of hire. The Council 4 office shall be supplied with six (6) signed contracts at the time of signing.

ARTICLE III

Section 3.0

Seniority shall be defined as the length of service in the bargaining unit since date of hire.

Section 3.1

New employees shall serve a probationary period of four (4) calendar months, not including the months of July and August, and shall have no seniority rights during this period. New employees shall be subject to all other provisions of this Agreement except the grievance procedure in the event of disciplinary action or dismissal. All employees who have completed the probationary period shall acquire length of service records as of the date of their employment.
Section 3.2

The Board shall prepare a list of employees showing their seniority in length of service and deliver the same to the Union on December 1 of each year. Unless the Union requests a change concerning the list within thirty (30) days of receipt of the same, the list will be presumed to be correct for the purposes of this contract. Upon completion of their probationary period, new employees shall be added to this list, with length of service records as of the date of their employment.

a. All vacancies and new positions shall be posted for a period of seven (7) working days on school bulletin boards and a notice hand delivered or sent by certified mail to the Union’s president prior to any action taken by the Superintendent of Schools or his/her designee to fill such vacancies or new positions. After said period, the employee shall then be considered qualified and allocated to the position, if the position continues to exist. If during the trial period the position is eliminated or the employee fails to pass the trial period, he or she shall be returned to his/her former position, provided the promoted employee is senior to the individual filling the employee’s former position. If a senior individual is filling the employee’s former position, the employee may bump a less senior employee in the classification.

e. All vacancies or new positions shall be filled within sixty (60) working days of the date of an employee vacating a position or of the establishment of a new position.

Section 3.5

Laid-off full-time employees, within classification, with the most seniority shall be rehired first and no new employees shall be hired in these classifications until all laid-off employees qualified for the position in those classifications have been given an opportunity to return to work. Sufficient notification of recall shall be letter by certified mail to the employee’s last known address. Employees must respond to the Food Services Director within ten (10) calendar days of receipt of notification. Failure to respond to a notice of recall shall result in forfeiture to recall rights.

Section 3.6

No student shall be used to assist the cafeteria employees while a layoff is in effect.

Section 3.7

The Employer agrees during the term of this Agreement not to contract out for service now performed by the employees in the bargaining unit unless there are no employees available to perform the required services.

RIGHTS AND RESPONSIBILITIES OF THE BOARD OF EDUCATION

Except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, the Board has and will continue to retain whether exercised or not all of the rights, powers and authority heretofore had by it, and shall have the sole and unquestioned right, responsibility and prerogative of management of the affairs of the Board and direction of the working forces, including, but not limited to, the following:

a. To determine the care, maintenance and operation of equipment and property used for and on behalf of the purposes of the Board.

b. To establish or continue policies, practices and procedures for the conduct of the Board business from time to time to change or abolish such policies, practices or
deviate from procedures, practices or policies in exceptional cases after notice to and discussion with the Union.

c. To discontinue processes or operations, or to discontinue their performance by employees.

d. To select and to determine the number and type of employees required to perform the operations of the Board.

e. To employ, transfer, promote or demote employees, or to lay off, terminate or otherwise relieve employees from duty for lack of work or other legitimate reasons when it shall be in the best interests of the Board.

f. To prescribe and enforce reasonable rules and regulations for the maintenance of discipline and for the performance of work in accordance with the requirements of the Board, provided such rules and regulations are made known in a reasonable manner to the employee affected by them.

g. To insure that incidental duties connected with school operations, whether enumerated in job descriptions or not, shall be performed by employees.

h. To establish contracts or subcontracts for school operations provided that this right shall not be used for the purpose or intention of undermining the Union or of discriminating against its members. All work customarily performed by employees of the bargaining unit shall continue to be so performed unless in the sole judgment of the Board it can be done more economically or expeditiously otherwise.

The above rights, responsibilities and prerogatives are inherent in the Board and the Superintendent by virtue of statutory and charter provisions and are not subject to delegation in whole or in part. Such rights may not be subject to review or determination in any grievance or arbitration proceeding, but the manner of exercise of such rights may be subject to the grievance procedure described in the Agreement.
