ARTICLE I
RECOGNITION

The Board of Education recognizes the Union as the sole and exclusive bargaining agent for purposes of collective bargaining in all matters of wages, hours and other conditions for all Coventry Public School Nurses.

ARTICLE II
NO DISCRIMINATION AND NO STRIKE OR LOCKOUT

1. There shall be no discrimination, coercion or intimidation of any kind against any employee or the Board for any reason whatsoever including marital status, age, sex, race, creed, color, religious belief, sexual orientation, gender identity, physical or mental disability, or association activity, either by the Board or by the Union.

2. The Board agrees that it will not lock out the employees covered by this Agreement during its term.

3. The employees expressly agree that during the life of this contract there will be no strikes, slowdowns, work stoppages, or mass resignations or other similar forms of interference with the operation of the school district.

ARTICLE III
EDUCATION REQUIREMENT

During the term of this Agreement, employees shall not be required to hold a Bachelor’s Degree in Nursing, unless otherwise required by State law.

ARTICLE IV
UNION SECURITY AND DUES DEDUCTION

1. Each employee covered by this Agreement shall be required, as a condition of continued employment, to become a member of the Union or pay an agency fee on or within thirty (30) days of the date of hiring or the effective day of this Agreement, whichever is later. Said agency fee shall be in an amount determined by the Union in accord with the applicable law.

2. Upon receipt of a signed authorization form from the employee involved, the Board agrees to deduct such membership dues or agency fees as may be fixed by the Union.
3. Deductions shall be made during the regular biweekly payroll and shall be remitted to Council #4 no later than fifteen (15) days after such deductions have been made along with a list of employees from whom the deductions have been made.

4. The Union agrees to indemnify and hold the Board harmless for any and all claims, judgments, loss or damage, including court costs, attorney’s fees and other cost arising out of this Article whether in judicial, administrative, arbitration or other proceedings.

5. The Board will provide each employee with a copy of the Agreement within thirty (30) days after the date of the signing of this Agreement. New employees will be provided with a copy of this Agreement at the time of hire. Five (5) signed copies will be sent to the Council #4 Office by the Board within thirty (30) days after the signing of this Agreement.

**ARTICLE V**

**SENIORITY**

1. Seniority will be defined as the length of employment within the bargaining unit.

2. Seniority shall be deemed broken only by the following:
   - Discharge for just cause.
   - Retirement, except credit for service shall be restored if any employee returns to service within the bargaining unit within five (5) years of retiring.
   - Voluntary resignation provided that seniority shall be reinstated if the employee is rehired within one year.

3. Seniority accumulation shall be deemed suspended but not broken during any approved leave of absence.

4. New employees shall serve a probationary period of one hundred twenty (120) working days and shall have no seniority rights during this period. During the first year of employment, new employees shall not advance a step on the Salary Schedule if hired within ninety (90) days prior to July 1 of any given calendar year. Probationary employees shall be subject to all other provisions of this Agreement except the grievance procedure in the event of disciplinary action or dismissal. All employees who have completed the probationary period shall acquire length of service records as of the date of their employment.

5. The Board shall prepare and maintain, subject to examination by Union representatives, a seniority list. This seniority list shall record the name, job title, work location and date of hire of each employee in the bargaining unit, and
arrange such information from the most senior to the least senior employee in the unit. The Union shall be provided with a copy of the seniority list on October 1 of each year.

ARTICLE VI
LAYOFFS

The Board reserves the right to create and eliminate positions. Should the Board eliminate a position, reduction in force shall be governed by the following procedure:

1. The Board shall give the Union and the affected employee(s) forty five (45) days written notice of the layoff under normal circumstances.

2. The least senior employee shall be laid off first.

3. The employee laid off may request in writing that his/her name be kept on a recall list for a period of two (2) years from the date of a layoff. During that time, said employee(s) (in seniority order) shall be offered recall to any vacant nursing position before any new employee is hired for that position. A letter mailed to the last known address shall constitute sufficient notice. Employees shall respond in writing within seven (7) days of receipt of notification. Failure to respond or refusal of the appointment shall terminate recall rights under this section.

ARTICLE VII
DISCIPLINE

1. No employee shall be discharged or otherwise disciplined without just cause.

2. Except for major infractions, disciplinary actions shall normally be in the following order:

   A. Verbal warning;
   B. Written warning;
   C. Suspension; and
   D. Discharge

   All suspensions and discharges shall be given in writing to the employee and shall state the reason for such action. A copy shall be forwarded to the Union at the time of the suspension or discharge.

3. If the Board reprimands an employee, it shall be done privately.
ARTICLE VIII
LEAVE OF ABSENCE

2. For absences of more than three (3) consecutive days, a doctor's certificate may be submitted upon the request of the Superintendent. The Superintendent reserves the right to require medical verification of use of sick time in cases of suspected abuse or in the interest of health and safety. Before requesting medical
verification in cases of suspected abuse of sick time, the Board must have warned
the employee in question about the suspected abuse at least once. The Board shall
pay the cost of any doctor’s visit required to verify use of sick time in case of
suspected abuse.

3. Unused sick leave will be allowed to accumulate to a maximum of 184 days.
Each nurse will be provided no later than October 15 with a statement of his/her

3. When an employee performs the work of the Nurse Coordinator, he or she alone shall be paid at the rate of the Nurse Coordinator.

4. No employee shall be given any regularly added duties out of his or her job description.

2. Any employee covered by the Agreement shall at his or her request be allowed to review his or her personnel file after having given one (1) working day’s notice.

3. No new material shall be placed in an employee’s file unless the employee has had the opportunity to read it, sign it and retain a copy of it. If the employee refuses to sign any new material to be placed in an employee’s file then it shall be noted on the document, signed by the administrator and a copy given to the employee.

4. If there is disagreement with any information in a personnel record, the Board and the employee may mutually agree to remove or correct it. If agreement is not reached the employee may submit a written statement explaining his or her disagreement. This statement must be retained in the personnel record.

1. Any such grievance shall be settled in accordance with the following grievance procedure:

   (a) Step One: The aggrieved employee and/or his or her steward shall, within ten (10) working days of the occurrence, take up the grievance matter in writing with the Director of Pupil Services, or his or her designee, in an effort to get the grievance resolved immediately.

   (b) Step Two: If the grievance is not settled in Step 1, the grievance will be submitted to the Superintendent within ten (10) workdays of the immediate supervisor’s decision at Step 1. The Superintendent, or the Business Manager as his or her designee, will adjust the grievance at once or give an answer to the Union in writing within ten (10) workdays of receipt of the grievance.

   (c) Step Three: If the aggrieved party and the Union are not satisfied with the answer given by the Superintendent, or the Business Manager as his or her designee, they may submit the grievance to the Board of Education within ten (10) working days of the Superintendent's response. The Board shall arrange a hearing with the grieving party and the Union representative in an attempt to resolve the issue.

   (d) Step Four: If the Union is not satisfied with the answer given by the Board, it may submit the grievance to the State Board of Mediation and Arbitration within twenty (20) working days of the Board's decision to be resolved and, in the event arbitration takes place, the answer shall be final and binding. The Arbitration Panel or single arbitrator shall have no authority to add to, delete from, or otherwise to modify the terms of this Agreement in any way.

   The Board shall allow the employee and the Union Steward or Officer the necessary time off without loss of pay to resolve any such grievance.

2. The Union shall have the right to advance the grievance to the next step if the Board’s representative does not respond within the time limits at his/her level. Failure to appeal the grievance within the time limits shall constitute settlement of the grievance. The parties shall have the right to extend any of the time limits for the grievance procedure by mutual agreement in writing.
ARTICLE XVI
PERSONAL LEAVE

1. Each employee shall be entitled to three (3) paid days for personal business each year that cannot be scheduled outside of the regular work day. Employees shall give twenty-four (24) hours notice, if possible, when personal leave days are taken. Each employee may carry over two (2) personal days per year into the following year.

Members of immediate family include grandparents, grandchildren, brother-in-law and sister-in-law, and any relative who resides in the employee’s household.

ARTICLE XVIII

If any Article of this Agreement shall be held for any reason to be inoperative, void or invalid, the validity of the remaining Articles of this Agreement shall not be affected thereby, it being the intention of the parties in adopting this Agreement that no Article thereof, shall become inoperative or fail by reason of the invalidity of any other Article. The parties do hereby declare that they would have severally approved of and adopted the Articles contained herein separately and apart from each other.
ARTICLE XXXI
RIGHTS AND RESPONSIBILITIES OF THE BOARD OF EDUCATION

Except where such rights, powers and authority are specifically relinquished, abridged or limited by the provision of this Agreement, the Board of Education has and will continue to retain, whether exercised or not, all of the rights, powers and authority heretofore had by it and shall have the sole and unquestioned right, responsibility and prerogative of management of the affairs of the Board of Education and direction of the working forces, including, but not limited to, the following:

1. To determine the care, maintenance and operation of equipment and property used for and on behalf of the purposes of the Board of Education.

2. To establish or continue policies, practices and procedure for the conduct of the Board of Education business from time to time to change or abolish such policies, practices or deviate from procedures, practices or policies in exceptional cases after notice to and discussions with the Union.

3. To discontinue processes or operations, or to discontinue their performance by employees.

4. To select and to determine the number and type of employees required to perform the operations of the Board of Education.

5. To employ, transfer, promote or demote employees, or to layoff, terminate or otherwise relieve employees from duty for lack of work or other legitimate reasons when it shall be in the best interests of the Board of Education.

6. To prescribe and enforce reasonable rules and regulations for the maintenance of discipline and for the performance of work in accordance with the requirements of the Board of Education, provided such rules and regulations are made known in a reasonable manner to the employees affected by them.
