The benefits set forth in the following Articles shall not be applicable to employees regularly scheduled to work less than twenty (20) hours per week: IX, X, XI, (except Sections 7 and 8), XII (except Sections 1 and 2), XIII.

ARTICLE II
Union Security and Rights

1. During the terms of this contract or extension thereof, all bargaining unit members hired from the effective date of this Agreement shall, within seven (7) days from the date of their employment by the Board, as a condition of employment, either become or remain members of the Union in good standing or, in lieu of Union membership, pay to the Union a service fee. The amount of service fee shall not exceed the minimum applicable dues payable to the Union.

2. The Board agrees to deduct from the pay of bargaining unit members such membership dues, initiation fees, service fees or reinstatement of service fees as may be fixed by the Union. Such deductions shall commence in the first paycheck after date of hire and shall continue for the duration of the Agreement or any extension thereof. An employee may withdraw from membership in the Union by giving written notice to the Union and the board which notice must be received or postmarked within the period June 1 to June 15, inclusive, in any calendar year in which the Agreement is in effect. Such employee will pay a service fee not to exceed the amount of Union dues.

3. The Union shall supply to the Board written notice at least thirty (30) days prior to the effective date of any change in the rates of fees or dues. In addition the Union shall furnish the Board with a statement signed by the employee authorizing the Board to make dues deduction(s). Section One service fees shall be automatically deducted by the Board.
4. No dues or fees will be deducted when an employee has exhausted accumulated sick leave or is collecting workers’ compensation.

5. The deduction of Union fees and dues or service fees for any month shall be made during the applicable month and shall be remitted to the Financial Officer of the Union not later than the third Thursday of the following month. The monthly dues and/or service fee remittances to the Union will be accompanied by the list of employees from whose wages dues deductions have been made.

6. The Board agrees to provide space on a bulletin board in each building under its supervision in which a member of the bargaining unit works, for the exclusive use of the Union.

7. A copy of the collective bargaining agreement shall be made available on the Cromwell Public Schools’ website.

8. The Union shall indemnify and hold the Board harmless from any and all demands, suits, complaints, claims, costs and liabilities including reasonable attorney’s fees, caused by or arising out of the administration or enforcement of this Article.

**ARTICLE III**

**Management Rights**

1. Except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, the Board has and will continue to retain, whether exercised or not, all the rights, powers and authority heretofore had by it, and shall have the sole right, responsibility and prerogative of management of the affairs of the Board of Education and direction of the working forces, including, but not limited to those rights provided by Conn. Gen. Stat. 10-220 and the following:

(a) To determine the care, maintenance and operation of equipment and property used for and in behalf of the purposes of the Board.

(b) To discontinue processes or operation or to discontinue their performance by employees.

(c) To select and to determine the number and types of employees required to perform the Board’s operation.

(d) To employ, transfer, promote or demote employees, or to lay off, terminate or otherwise relieve employees from duty for lack of work or other legitimate reasons when it shall be in the best interests of the Board, subject to the provisions of Article XVI.

(e) To prescribe and enforce reasonable rules and regulations for the maintenance
of discipline and for the performance of work in accordance with the requirements of the Board, provided such rules and regulations are made known in a reasonable manner to the employees affected by them.

(f) To create job specifications and revise existing job specifications, subject to the Union’s right to negotiate the assigned wage rate.

2. The above rights, responsibilities and prerogatives are inherent in the Board of Education and the Superintendent by virtue of statutory and charter provisions and are not subject to delegation in whole or in part.

ARTICLE IV
Seniority

1. Seniority shall be defined as status for specific purposes based on an employee’s uninterrupted service with the Board from the first day worked following the date of last hire including all authorized paid leave providing the employee returns to work immediately at the conclusion of such leave.

2. No employees shall attain seniority or other rights under this Agreement until he/she has been continuously employed by the Board for a period of six (6) months. Until expiration of such period, he/she may be terminated for any reason whatsoever and neither the employee nor the Union, on his/her behalf, shall have recourse to the grievance or arbitration provisions of this Agreement. However, if requested, an employee shall be entitled to a conference with the Superintendent to discuss reasons for such termination. Upon successful completion of the probationary period, a new employee shall acquire seniority retroactive to his/her first day of employment.

3. The Board shall prepare a list of all employees covered by this Agreement showing their seniority with the Board, as defined above, and deliver the same to the Unit President no later than October 15 of each year.

4. An employee shall forfeit accrued seniority:

(a) Upon voluntary resignation or retirement,
(b) Upon discharge, or
(c) Upon the expiration of recall rights after one year of layoff or refusal of a recall opportunity pursuant to Article VI.
ARTICLE V
Vacancy

1. “Job Vacancy” is defined as an opening created by a death, retirement, resignation, dismissal, promotion or new position in the classifications listed in the salary schedule.

2. The matter of filling job vacancies covered by the Agreement shall be solely within the control of the school administration in accordance with the terms of this section.

3. All job openings covered by this Agreement shall be posted for five (5) working days. Job openings shall be posted simultaneously in each school and at the office of the Board of Education, and outside the school system. The Board shall notify the Union of the vacancy by mail.

4. Employees desiring to bid on the job or apply for transfer to a vacancy shall file an application in writing with the supervisor or other appropriate individual, as identified in the job posting, within the posted time limit.

5. After the posting period expires, the Administration shall fill the vacancy in the following manner:

   (a) The Administration will first consider applicants from within the bargaining unit.

   (b) The Administration shall have the right to select the applicant who is most qualified and most able to perform the job, as determined by the Superintendent or his designee. If the Superintendent determines that two or more applicants are equally able to perform the job, the employee having the greatest amount of seniority, as defined in Article IV, shall be selected.

   (c) If the Administration selects an applicant from outside the bargaining unit, the Administration shall notify the Union.

6. During the period an employee is temporarily assigned for at least six (6) days to a vacancy or new position of a different class or grade which has a higher maximum rate of pay, he/she shall be paid retroactively to the first day of employment in the vacancy or new position at the lowest step in the higher class or grade which also produces an increase of at least one pay increment for the period of the assignment. As used herein, “increment” shall mean the differential in pay between steps in the employee’s regular class or grade.

ARTICLE VI
Layoff, Recall, Reduction In Force

1. The Board has the sole and exclusive prerogative to eliminate or reduce positions in the bargaining unit in the course of implementing the education interests of the state. When the
Board determines that such a reduction in the work force is required, the reduction shall be made in the following manner:

(b) The criteria used within the respective job classifications to select employees for layoff will be in the following order:

2. Ability and performance as an employee of the Board of Education, as determined by the Superintendent or his designee. Job performance is to be supported and documented by annual evaluations;

3. Work or related experience of education/training in other positions.

Factors two and three shall be used, in order, in the event that two or more employees have equal seniority with the Board of Education.

(c) Applying the criteria set forth in Paragraph B above to the general classification in which a reduction occurs, the Superintendent shall identify the employee for layoff in a recommendation to the Board.

2. Whenever a recall of employees is required, the recall shall be made within classification in the inverse order to the reduction procedure followed in Section 1. Employees shall retain recall rights for a period no longer than one (1) calendar year from the effective date of layoff. Nothing in this Article shall require the promotion of an employee into a position of higher rank, authority, or compensation.

3. Notice of recall shall be sent to the last known address of the employee, return receipt requested. If the employee rejects the appointment offer or fails to respond within seven (7) calendar days of receipt, the employee shall forfeit seniority and shall no longer be eligible for recall.

4. An employee who has been laid off and is subsequently rehired within the recall period shall receive full credit for accumulated sick leave, seniority, and step placement earned prior to layoff.

5. In the event of a reduction in work force, the Board will notify the Union and affected employees in writing at least three (3) weeks before the reduction. The Board shall consult with the Union prior to a layoff or change in hours, which affects the steward.
ARTICLE VII

If there is more than one volunteer, the work shall be given to the most senior employee. If there are no qualified volunteers, the Superintendent or his or her designee shall have discretion to assign the extra work.

7. During the summer, by request of the employee and approval of the principal or supervising administrator, the start and end time of the regular six (6) hour day, currently 8am-2pm, may be amended by up to one (1) hour earlier at the beginning of the day, without changing the number of hours worked each day.

The employee shall be provided at least ten (10) days notice of his/her vacation work week schedule.

(d) On days when school closes early, the Superintendent shall determine whether employees shall be allowed to leave early. When employees are permitted to leave under such circumstances, they shall not suffer any loss of pay.

2. State statute shall be used to determine which date the holidays in Section 1(a) will be celebrated.

3. An employee who is required to work on the day of observance of any of the aforesaid holidays shall be compensated at the rate of 1-1/2 times his/her regular hourly rate for all hours worked on said day in addition to his/her holiday pay except an employee who is required to work on Veteran’s Day shall be provided an additional floating holiday in lieu of the 1-1/2 times pay. All requests for a floating holiday shall be communicated in writing to the Superintendent and/or his/her designee at least two (2) weeks before the day the employee wishes to take as a floating holiday. Serious misconduct may be grounds for immediate suspension or discharge.

3. An employee who is being interviewed concerning an incident which may subject him/her to disciplinary action may have a Union steward or other Union representative present. If the employee decides during an interview he/she needs a representative, the meeting will come to a close until the Union representative can be present.

4. Disciplinary actions as defined above may be appealed through the established grievance procedure.

ARTICLE XVII
Grievance Procedure

1. Definitions

(a) A “grievance” shall mean a complaint by an employee, the Union, or a group of employees that his/her/its rights under the specific language of this Agreement have been violated, or that as to him/her there is a misinterpretation or misapplication of the specific provisions of this Agreement.

(b) “Grievant” shall mean any member of the bargaining unit, or a group of bargaining unit members or the Union similarly affected by a grievance, seeking recourse under the terms of this article.

(c) “Days” shall mean calendar days.

(d) The parties may waive or modify the steps or time limits set forth herein by written mutual consent.

2. Time Limits

(a) If a grievance in writing is not filed within twenty-one (21) days after the grievant knew or should have known of the act or conditions on which the grievance is based, then the grievance shall be considered to have been waived.

(b) Failure by the grievant at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

(c) An employee may, if any administrator or the Board of Education fails to render his/her/its decision within the specified time limits, process his/her/its grievance
to the next higher level.

3. **Level One - Administrator**

   If an employee feels that he/she may have a grievance, he/she may first discuss the matter with his/her Administrator and/or a Union steward or representative in an effort to resolve the problem informally.

4. **Level Two - Superintendent of Schools**

   If the employee is still not satisfied with the disposition of the matter, he/she shall reduce the grievance to writing and submit it to the Superintendent. The Superintendent shall, within seven (7) days of that filing of the grievance in writing, give a written answer with a copy to the Union. In dismissal, suspension, demotion and class action grievances, the grievance shall be submitted directly to Level Three upon the mutual agreement of the parties.

5. **Level Three - Board of Education**

   (a) If the grievant is not satisfied with the disposition of his/her grievance at Level Two, he/she may, within seven (7) days after the decision submit the grievance to the Board of Education.

   (b) The Board of Education shall hold a meeting within thirty (30) days after receipt of the grievance, at which time it shall meet with the grievant and with representatives of the Union for the purpose of resolving the grievance.

   (c) The Board shall, within ten (10) days after such meeting, render its decision and the reasons therefor in writing to the grievant, with a copy to the Union.

6. **Level Four - Mediation/Arbitration**

   (a) If the grievance is not resolved to the Union's satisfaction at Level Three the Union may, at its option, submit the grievance to arbitration by the American Arbitration Association within fourteen (14) days of receiving the Level Three answer. The submission of the grievance shall state the provisions of the contract allegedly violated and the remedy sought. At the time of filing for arbitration, the Union may request mediation with the Connecticut State Board of Mediation and Arbitration. In no event, shall the Board be required to mediate.

   The parties can mutually agree to submit the grievance to the Connecticut State Board of Mediation and Arbitration.

   (b) The arbitrator shall have no power to add to, subtract from, alter or modify this Agreement. The arbitrator shall render his decision in writing no later than
thirty (30) days after the conclusion of the hearing. The decision of the arbitrator shall be final and binding.

(c) The cost of arbitration will be borne equally by the parties.

(d) The arbitrator will hear only one grievance at a time, except as otherwise agreed by the parties. This provision will not prevent the arbitrator from hearing a Union or class action grievance. Neither will it prevent discussion of the arbitrability and the merits of the grievance at the same hearing.

(e) The parties may waive or modify the steps or time limits set forth herein by written mutual consent.

ARTICLE XVIII
Personnel Records

1. An employee covered hereunder shall, on his/her request, be permitted to examine and copy any and all materials in his/her personnel file during business hours. The Union shall have access to any employee’s records upon presentation of written authorization signed by the employee.

2. No written evaluation, reprimand or notice of other disciplinary action shall be placed in an employee’s personnel file without notice to the employee. Delivery of a copy to the employee marked “cc personnel file” is adequate notice. Employees may make a written response to evaluations which are contained in their files.

ARTICLE XIX

2. This Agreement shall remain in full force and be effective during the period of negotiations.

3. Either party may notify the other party in writing of its desire to bargain collectively with respect to the successor agreement, however, neither party shall be obligated to take part in any such collective bargaining session prior to one hundred and twenty (120) days before expiration hereof.
