Level Four

1. If the grievance is not satisfactorily resolved at Level III within a two (2) week period from the date of receipt of the Board decision, the Union shall submit, in writing, the matter before the State Board of Mediation and Arbitration, provided that within thirty (30) days after receipt of a written arbitration notice, the Board may elect that the American Arbitration Association shall immediately be called upon to select the single arbitrator, in lieu of the State Board of Mediation and Arbitration. If the Board exercises its right to elect the American Arbitration Association, and the American Arbitration Association hears the grievance, the Board shall bear the cost of the arbitrator.
2. The arbitrator so selected shall confer with the representatives of the Board and the Nurses Grievance Committee and hold hearings promptly and unless extended by mutual agreement, shall issue his decision not later than thirty (30) days from the date of the closing of the hearings, or, if oral hearings have been waived, then from the date the final statements and proofs are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement, nor can he add to, subtract from or modify any terms of this agreement, establish or change any salary rate or job classification. The decision of the arbitrator shall be submitted to the Board and to the Nurses' Grievance Committee and, subject to law, shall be final and binding.

D. Rights of Nurses to Representation

1. No reprisals of any kind shall be taken by any party to this Agreement against any party in interest, any witness, any member of the Nurses' Grievance Committee or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. If, in the Judgment of the Nurses' Grievance Committee, a grievance affects a group, the Nurses' Grievance Committee may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two. The Nurses' Grievance Committee may process such a grievance through all levels of the procedure even though the aggrieved persons do not wish to do so.
2. Decisions rendered at Levels Two and Three of the Grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be promptly transmitted to all parties in interest and to the Chairperson of the Nurses' Grievance Committee. Decisions rendered at Level Four shall be in accordance with the procedures hereinbefore set out therefore.

3. Forms for filing and processing grievance and other documents necessary under the procedure shall be those agreed upon by the Superintendent and the Union, and given appropriate distribution so as to facilitate operation of the grievance procedure. All documents, communication and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

ARTICLE XVIII

TERMINATION OF EMPLOYMENT

A. All terminations will be based on just cause.

B. Layoff/Recall

1. In all cases of lay-off and rehiring, length of service in the bargaining unit will govern, provided that the employee to be retained by reason of greater seniority is capable of filling the remaining jobs.
2. In the event it becomes necessary to reduce the number of bargaining unit members, employees shall be laid off in inverse order of seniority within the bargaining unit. No probational or regular employee shall be laid off from any position while a temporary employee is still employed.

The Board of Education shall give written notice to the employee and the Union of any proposed layoff and reasons therefore, a minimum of fifteen (15) calendar days prior to the effective date of layoff.

3. Laid off permanent employee shall have recall rights for a period of two (2) years from the date of layoff. Said employees shall be recalled by inverse order of layoff, with the most senior employee on layoff the first to be recalled.

Recalled employees shall be credited with sick leave and seniority rights accumulated prior to a layoff, unless the same are limited or abridged by some other provision of this Agreement.

Any employee who refuses recall shall lose all further recall rights. Failure to report to work within twenty (20) working days following notice to report, sent by registered or certified mail to the employee's last known home address as it appears in the records of the Personnel Office, shall relieve the Board of any further obligation under this section of the Article. It is the employee's responsibility to notify the Personnel Office in writing of any change in address. Notwithstanding the aforesaid, upon written request of the employee, the Board may at its sole option extend the date when said employee must report back to work under this Section. Failure of the Board of Education to grant the requested extension shall not be a grievable matter by the employee or the Union.

ARTICLE XIX
SUCCESSOR AGREEMENT

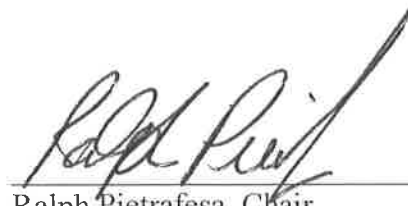

- A. Negotiations for a Successor Agreement will commence subject to the provisions of the Connecticut General Statutes, Sections 7-467, et. seq., as amended. The Board agrees to initiate negotiations with the Union over a Successor Agreement in a good faith effort on both sides to reach continuing agreement not only on salaries and other conditions of employment but also on other matters of personnel policy and relationships which may then be of mutual concern and interest. Any agreement so negotiated shall be reduced to writing and signed by the parties.
- B. During negotiations, the Board and the Union shall present relevant data, exchange points of view, make proposals and counterproposals. Each party shall make available to the other, upon request, information within its possession which is not privileged under law and which is relevant to the subject under discussion. Either party may utilize the services of outside consultants, and may call upon professional and lay representatives to assist in the negotiations.
- C. If the negotiations described in No. A of this article reach an impasse, the procedure set forth in Connecticut General Statutes, Section 7-467, et. seq., as amended, shall be followed with respect to those matters of salary and other conditions of employment covered by the Act.

ARTICLE XX
DURATION

The terms and conditions of this agreement shall be effective July 1, 2017 and shall continue in full force and effect until June 30, 2020. In the event that the Board and Association fail to secure a successor agreement prior to the termination of this Agreement the terms of this present Agreement will be extended and remain in effect until such time as a new Agreement is signed.

The Union will notify the Board during the month of January of 2020 that it wishes to commence negotiations for a successor agreement.
