The Board may find it necessary from time to time to reduce the number of certified personnel which it employs, due to reduced enrollment within the district, lack of funds, elimination or reduction of a special program, or other reasons.

The Superintendent is directed to develop a just and reasonable plan which will adhere to the principal of local seniority in which the tenured teacher with the least amount of total active teaching time in the Franklin Elementary School will be terminated. The plan will assure that a senior, qualified, and tenured teacher may fill the position of a less-senior, tenured teacher for selecting staff members to be released, with consideration of seniority, needs of the schools and quality and effectiveness of the individuals.

Prior to commencing action to terminate teacher contracts upon the needs to reduce staff, the Board will abide by procedures currently existing in employee organization agreements, or otherwise will give due consideration to its ability to reduce by:

"Position available" shall mean any position for which said teacher is certified and qualified and is vacant or currently held by a teacher who has not attained tenure in the school district. In the event that tenured teachers must be terminated due to elimination of position, and the potentially impacted tenured teachers are certified and qualified; the tenured teacher with the least total active teaching time in the Franklin Elementary School (Active teaching time for part-time, tenured teachers will be prorated.) will be terminated.

This shall include first preference for positions which are held by non-tenured teachers in addition to positions that are open and available. Determination of those to be released shall be in the following order:

1. Teachers holding temporary emergency permits.
2. Non-tenured teachers holding an initial educator certificate.
3. Non-tenured teachers holding provisional educator certificate.
4. Tenured teachers holding a provisional educator certificate.
5. Non-tenured teachers holding a professional educator certificate.
6. Tenured teachers holding a professional educator certificate.

C.

The following criteria will be used to select those employees who are to be considered for termination within the broad tenure and certification categories established above:

2. Teaching experience in other positions which may be available.
3. Degree status.
4. Total years of teaching experience.
5. Total years of teaching experience in the school system.

6. Qualifications and ability as determined by an objective evaluation of the teacher's performance.

1. When the Board considers termination of the contract of a teacher it shall authorize the superintendent to notify the teacher in writing that termination of his/her contract is under consideration. The notification and any subsequent proceedings related to termination will be in accordance with the provisions of Connecticut General Statutes 10-151.

2. Nothing herein shall compel the promotion of a teacher to a higher rank even though the teacher is qualified for such promotion and the position is open, and the teacher is being considered for termination under board policy and this regulation.

RECALL PROCEDURE/RE-EMPLOYMENT

If the contract of employment of a teacher is terminated without prejudice because of elimination of a position, the name of that teacher shall be placed on a re-appointment list and remain on such list for a period twenty-two (22) months. If a position becomes open during such period and the teacher has been selected by the Board as the person who is certified and qualified for that position, then the teacher will be notified by certified mail sent to the last known address at least thirty (30) days prior to the anticipated date of reemployment whenever possible. The teacher must accept or reject the appointment in writing within seven (7) days after receipt of such notification. If the appointment is accepted, the teacher shall receive a written contract within twenty (20) days of receipt of the teacher's reply to the Board. If the teacher rejects the appointment offer or does not respond according to this procedure within seven (7) days after receipt of the notification, the name of the teacher will be removed from the recall list.

ARTICLE XXI ASSOCIATION RIGHTS AND RESPONSIBILITIES

A. Upon the request of the Board or the President of the Franklin Association - C.E.A., information as required by the law shall be released to each other when such information is relevant to negotiations or necessary for a determination as to whether the Agreement is being properly enforced and complied with. Any previously adopted policy, rule or regulation of the Board which is in conflict with any provision of this Agreement shall be superseded and replaced by the applicable provision of this Agreement.

MEMORANDUM OF AGREEMENT

The Franklin Board of Education (hereinafter "Board") and the Franklin Education Association (hereinafter "Association") hereby agree to resolve two issues, arising during the negotiations of the 2012-15 collective bargaining agreement ("CBA") between the parties, in the following manner:

1 The provisions of the "Sick Days Bank" ("Bank"), contained in Article XVII of the 2009-12 CBA, will be removed from the 2012-15 CBA. Notwithstanding this removal, a Bank will be maintained outside the CBA. This Bank will have one hundred eighty-six (186) days, but no additional days will be added to the Bank. Distributions from this Bank will be made in accordance with the provisions of the prior Bank, which are attached hereto as Appendix A. When the one hundred eighty-six (186) days have been exhausted, the Bank will cease to exist. Any current teacher who had contributed to the Bank since September 1, 2002, and who, as of August 31, 2012, had less than one hundred eighty (180) days of accumulated sick days, would have those donations restored to their accumulated sick leave. There will, however, be no more than eighty (80) such days restored as a result of this Agreement. Nothing herein shall allow any individual teacher to accumulate more than one hundred eighty (180) sick days.

2. Notwithstanding the salary schedule contained in the 2012-15 CBA, Sarah Dugas, a 0.5 FTE teacher currently at Step 4 on the BA salary schedule for 2011-12, will, during the 2012-15 CBA, be paid at a full-time equivalent rate of \$57,986 (\$28,993 actual salary) for 2012-13 and 2013-14 and \$61,326 (\$30,663 actual salary) for 2014-15, unless during such time she becomes eligible to move off the BA schedule. If by the 2015-16 school year Ms. Dugas has not attained a master's degree, she will revert to the BA schedule contained in the CBA at that time.

This memorandum represents the full agreement between the parties to this matter and no other agreements pertaining thereto shall be valid unless in writing and signed by the parties.
