ARTICLE 5 - HOURS OF WORK

Section 1: The regular work week shall consist of five (5) consecutive eight (8) hour work days, Monday through Friday, 7:00 a.m. to 3:00 p.m. with a twenty (20) minute paid meal break at noon each working day which must be taken on the job-site.

Section 3: An employee called in to work outside his regularly scheduled hours shall receive a guarantee of four (4) hours pay at the contractual rate except that an employee who is called in and works continuously before the start of his regular work day shall be paid for these hours at the contractual rate. The Town will pay employees from the time the employee is called into work, provided that the employee arrives within forty (40) minutes after such call.

Section 4: Employees shall be paid one and one-half (1 ½) time their regular rate of pay for all hours worked in excess of forty (40) during the work week. Employees shall be allowed to leave the work site during paid breaks when Town refreshment facilities are available. The current practice shall be continued. The paid breaks may be scheduled breaks to avoid unnecessary disruption of the work.

Section 5: The Town shall equalize the distribution of overtime among employees qualified to perform available overtime throughout the year by utilizing a rotation list posting as described below. Overtime shall be required between November 15 and April 15 each year.

a. A chart shall be drawn and maintained by the Director of Public Works listing employees top/down based on seniority of each day of each month of the year.

b. Firstly, overtime shall be offered to the senior person down until all in line have been offered/or refused to work overtime, whereupon such employee shall be charged such hours whether worked/or refused.

It is the Town’s general practice to use progressive disciplinary counseling procedures between the employee and their immediate supervisor in which the supervisor will explain the charges and allow the employee to explain his or her position. The procedures provide for sanctions to be imposed on an employee to correct inappropriate behavior, whether the behavior is a single offense, repeated offenses of a similar nature, or multiple offenses of differing nature.

When possible and appropriate, the steps of progressive discipline will be as follows:

Verbal Warning
Written Warning
Suspension
Discharge

The Town reserves the right to skip, advance or repeat any level of discipline that it deems appropriate. Depending on the individual circumstances, the Town may, at its option, advance the level of discipline to the step it deems appropriate, up to and including immediate discharge from employment.

a. Seasonal or temporary employees;

b. Part-time employees;

c. Probationary employees;

d. Full-time employees.

Section 5: Laid off employees shall be entitled to recall according to seniority for a period of eighteen (18) months from layoff, provided that the affected employee must keep the Town advised of his current address. If the employee notifies the Town by certified mail prior to the execution of recall rights and prior to the expiration of the original eighteen (18) month recall period that they wish to extend the recall time for additional six (6) months, it shall be granted.

Section 6: The Town shall provide the Union a seniority list updated annually.

Section 7: New hires shall not accrue seniority until after successful completion of the probationary period. Upon successful completion of the probationary period,
seniority shall be calculated from the employee’s last date of hire.

The Mayor or his designee, the Union staff representative and the grievant shall meet within ten (10) working days after the grievance is received to resolve the grievance. The Mayor shall issue a decision within fifteen (15) working days after the grievance is received.

Step 3. In the event the Mayor and the Union staff representative fail to reach a mutually satisfactory settlement at the Step 2 meeting, the Union may within 30 calendar days of receipt of the Mayor’s Step 2 decision file the grievance with the State Board of Mediation and Arbitration (the “Board”) and use mediation services if mutually agreeable to the Town and the Union.

Section 3: The decision and award of the arbitrator shall be in writing and shall be final and binding upon all parties. The arbitrator shall have no authority to change, amend, add to, or subtract from any of the specific provisions of this Agreement and shall have the authority only to determine whether, by the acts alleged in
the grievance, the Town misinterpreted or misapplied the specific provision expressed in the Agreement as the Union claims.

Section 4: The time limits specified herein may only be extended by mutual written agreement of the Town and the Union. Failure by the steward or the Union representative to process a grievance within the time limits provided above shall be deemed a waiver of such grievance, and the grievance shall be considered resolved in accordance with the position of the Town. Failure by the Town to meet or respond to the grievance within the time limits provided above shall permit the Union to process the grievance to the next step within the time limits set forth above.

Section 5: An employee with information necessary to the dispute and their local, shall attend arbitration and prohibited practice conferences and hearings without loss of pay. The Union shall be reasonable with the use of witnesses.

Employees who are receiving 60% of their pay from the Town's short-term insurance carrier may use their accrued sick time to make up the difference between the 60% payment that they are receiving from the insurance carrier and their regular base weekly wages, for up to 26 weeks. Section 2: If there is a change under applicable law that would permit the Town to terminate the participation in MERS by employees hired on or after July 1, 2012 and allow such employees to participate in the Town's defined contribution plan in lieu of MERS, the parties agree to negotiate this one item.

ARTICLE 15 - NO STRIKE NO LOCKOUT

The Union shall not authorize a strike, slow-down, suspension, or stoppage of work nor shall there be any lockout by the Town.

The Town will confirm any initial positive drug test with a second test from a split sample. Any employee who tests positive (after testing the split sample) for the presence of any illegal controlled substance in violation of the Town's Drug and Alcohol policy may be immediately suspended from employment without pay and without any recourse to the grievance procedures contained herein, and may be required to enroll in an employee assistance program. The employee will not be allowed to return to work until he/she successfully completes the program. For a period of 12 months following completion of the program, the employee will consent to random alcohol and drug testing. If the employee tests positive (after testing the split sample) for a second instance, violates the Town's Drug and Alcohol policy, or refuses to take a drug test, the employee may be immediately terminated from employment, without any recourse to the grievance procedure contained herein.
