The City of New Haven (hereinafter referred to as the “City”) and the New Haven Management and Professional Management Union, Council 4, AFSCME, AFL-CIO (hereinafter referred to as the “Management Union” or the “Union”) agree that the welfare of the City and its employees is dependent largely upon the service which the City renders the public. Improvements in this service and economy in operating and maintaining expenses are promoted by willing cooperation between the City Management and the Supervisory employees represented by the Management Union to render honest, efficient and economical service to the public. The spirit of cooperation between the City and the role of Supervisory employees represented by the Management Union being essential to efficient operation and service, the parties will so conduct themselves to promote this spirit.

ARTICLE 1 - Recognition

Section 1

In accordance with Sections 7-467 to 7-477 of the Connecticut General Statutes, the City recognizes the Management Union as the exclusive bargaining representative for all Supervisory and Professional employees for the purposes of Collective Bargaining with respect to wages, hours and other conditions of employment. The City recognizes the unit as that certified by the Connecticut State Board of Labor Relations (Decision No. 1827, dated November 8, 1979, and Recognition Agreement Case No. ME-5215 signed September 12, 1980) and including or excluding all Supervisory and Professional employees that the City and the Management Union mutually agree should be represented by this Bargaining Unit or excluded from this Bargaining Unit. Excluded from this Bargaining Unit are Uniformed and Investigatory employees of the Fire and Police Departments, Elected Officials, Department Heads, Confidential employees, Probationary employees, Temporary employees, Seasonal and Part Time employees and those titles set forth and attached as exclusions in Appendix VI. All Supervisory and Professional employees who are not specifically excluded by the language in this Section shall be considered as part of the Bargaining Unit.

Section 2

Parties to this Agreement stipulate and agree that the Bargaining Unit as set forth in Section 1 above shall be the only recognized Unit and that this Agreement is negotiated under and, where applicable, governed by the Municipal Employees Relations Act of the State of Connecticut.

ARTICLE 2 - Management Rights

Section 1

Except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, the City has and will continue to retain, whether exercised, all of the rights, powers and authorities heretofore had by it; and except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, it shall have the sole and absolute right, responsibility and prerogative of management of the affairs of the City and direction of the workforce, including, but not limited to, the following:

(a) To establish or continue policies, practices and procedures for the conduct of City activities, concerns and affairs and from time to time, to change or abolish such policies, practices or procedures;
(b) To limit, curtail or discontinue processes or operations or to discontinue their performance by employees;

(c) To prescribe and enforce reasonable rules and regulations for the maintenance of discipline and for performance of work in accordance with the requirements of the City, provided such rules and regulations are made known in a reasonable manner to the employees affected by them;

(d) To insure the incidental duties connected with job responsibilities, whether enumerated in job descriptions or not, shall be performed by employees;

(e) To create and revise job descriptions as deemed necessary, provided that changes in job classification shall not be made without allowing input from the Union;

(f) To prepare budgets and in its sole discretion, expend monies, appropriated by the legislature or derived from other sources for the operation of the City.

All of the rights as indicated in this Section 1 shall be subject to the Municipal Employee Relations Act (MERA).

Section 2

To establish contracts or sub-contracts for municipal operations provided that this right shall not be used for the purposes or intention of undermining the Union or of discriminating against its members. During the term of this Agreement, there shall be no subcontracting of work normally performed by Bargaining Unit employees, without the consent of the Union.

Section 3

The City shall maintain the right to subcontract Local 3144 work in the Department of Parks, Recreation and Trees, so long as:

a. The City maintains at least two (2) full time Recreation Program Supervisor positions in the Department;

b. In the event of a vacancy in a Recreation Program Supervisor position, the Union agrees that the City will have a reasonable amount of time to fill said position before the Union will file a subcontracting complaint. “Reasonable time” shall be determined by taking into account the amount of time needed, if necessary, to develop, advertise, administer, score, and rank a civil service examination. If a valid civil service list exists, “reasonable time” shall mean the amount of time necessary to interview and select eligible candidates, but in no case more than six (6) months.

Section 4

The City/Board of Education shall maintain the right to subcontract Local 3144 work associated with the custodial and maintenance functions of the Board of Education, which shall include but shall not be limited to, the direct supervision of custodial employees.
Section 5

Prior to any future subcontracting in the Department of Transportation, Traffic & Parking, the Director of Transportation, Traffic & Parking shall notify the Office of Labor Relations of any potential subcontracting issues. The City agrees to meet with the Union, if the Union requests, in six months to review such subcontracting contracts entered into with the Department of Transportation, Traffic & Parking.

The position of Superintendent of Police Vehicles may be filled, at the City’s sole discretion, with bargaining unit or non-bargaining unit employees.

Section 6

The City maintains the right to subcontract the work of the Loan Programs in the Department of Livable City Initiative and may continue to supplement its tax collection efforts with outside contractors. The City shall not engage in any layoffs in the Tax Office as a result of any tax collection work that is supplemented by outside contractors.

Section 7

The City of New Haven and the New Haven Board of Education shall continue to utilize an outside management entity to perform the day to day planning, development, assignment and supervision of all data processing/information services within the Data Processing Center of the Board of Education; and for all other work normally performed by any member of the Local 3144 bargaining unit relative to the managerial operations of the Data Processing Center within the Board of Education.

Section 8

The parties agree to allow Police Officers designated by the Department of Police Services as School Resource Officers to be assigned to individual schools within the New Haven Board of Education in order to enhance both student safety and the quality of life within these schools. These School Resource Officers will work in concert with the Local 3144 School Security Workers already assigned to the individual schools which are involved to contribute to the student’s safe learning environment and his/her ability to successfully progress into post-school endeavors.

The parties agree that the work of the School Resource Officers shall continue to be designated as a supplement to, and not an infringement upon, the Local 3144 bargaining unit work of the School Security Workers in the individual schools affected. To this extent, the City of New Haven agrees that no layoff of the School Security Worker(s) assigned to a school in which a School Resource Officer(s) is also assigned shall occur as a result of such assignment.

ARTICLE 3 - Union Security And Dues Deduction

Section 1

Effective within thirty (30) days of the signing of this Agreement, all present Bargaining Unit employees shall either become members of the Union or shall arrange to pay the Union a monthly service fee in lieu of Union dues, as a condition of employment.
Section 2

Upon the completion of the probationary period but not to exceed ninety (90) working days from date of hire, all new employees shall either join the Union or pay a monthly service fee as a condition of employment. Said service fee shall be determined by the Union and shall represent the employee's fair share of the cost of administering and negotiating a collective bargaining agreement. However, in no event shall the monthly service fee be greater than the monthly dues for Union members. All employees shall be given a letter explaining this Section at time of hire and sign dues authorization at that time if they wish to have dues or the service fee deducted rather than paying them directly. The parties agree that this provision cannot be enforced until ninety (90) working days from date of hire.

(A) The Union shall be notified within five (5) business days when the probationary period for each employee has been completed. The Union shall be notified within five (5) business days of all new hires into Bargaining Unit classifications.

Section 3

The City agrees to deduct Management Union dues or service fees from the pay of employees who give written authorization to the City Controller’s Office for such deductions and to transmit the dues collected to the authorized Management Union Official designated in writing to the Controller of the City of New Haven by the President or Treasurer of the Management Union so long as this authorization is validly in effect and is not revoked by the employee.

Section 4

Deductions will be made once monthly. If an employee who is absent on account of sickness, leave of absence, or for any other reason has no earnings due him/her for the month, no deductions will be made from that employee for that month. The Management Union will arrange collection of dues for service fees for that month directly with the employee.

Section 5

When an employee does not have sufficient money due him, after deductions have been made for pension, social security, garnishments, or any other deductions authorized by the employee or required by law, Management Union dues or service fees for that month will be collected by the Management Union directly from the employee.

Section 6

The Management Union agrees to save the City harmless from any action arising out of this Article and commenced by an employee against the City and assumes full responsibility for the disposition of the funds so deducted once they have been turned over to the authorized responsible Management Union Official.

Section 2

No employee shall be hired at a higher step/salary than any employee in the same classification. Exceptions to this policy may only be made with the Union’s approval.

Section 3

In the event a Bargaining Unit employee is promoted, his/her new salary on the Range he/she is promoted to shall be no less than a Step increase in the employee’s Range prior to promotion.

Section 4

A list of all Bargaining Unit positions and titles and their respective Ranges are attached as Appendix VI.

Section 5

Any proposed Range and Step changes for any employees shall be negotiated with the Union prior to implementation.

ARTICLE 20 - Seniority

Section 1

Seniority is defined as the total length of continuous service in any budgeted position in the General Fund of the City of New Haven.
Section 2

Separate seniority lists shall be kept and maintained for Special Fund employees who shall be subject to the same conditions and rights as General Funded Employees under this Article except as specifically modified or limited by Section 9 of this Article.

Section 3

In the event that a General Funded employee is laid off and is transferred to a Special Funded position, said employee’s seniority rights to a General Funded position shall be maintained until such time that he/she is laid off under the terms of Section 9 of this Article, at which time his/her name will be placed on the re-employment list under the terms of Section 8 (C) of this Article.

Section 4

The City shall make every reasonable effort to test employees within the time limits specified in the Civil Service Rules and Regulations for new employees and make every reasonable effort to test employees prior to promotions.

Section 5

The City shall prepare a list of employees represented by this Bargaining Unit, showing their seniority in time of service with the City, their classification and rate of pay and deliver same to the Bargaining Unit once yearly in the month of April.

Section 6

The Civil Service Rules and Regulations, as amended from time to time, are hereby incorporated as an integral part of this Agreement, except where such Rules and Regulations are not subject to any aspect of collective bargaining as set forth in the Municipal Employee Relations Act of the State of Connecticut.

Section 7

For the purpose of this Article, when the term full time permanent employee is used, it shall mean an employee who has successfully completed his probationary period and has been permanently appointed to a position in the classified service by the appointing authority, subject to the provisions of the Civil Service Rules and Regulations.

Section 8

(A) Whenever it becomes necessary to reduce the number of employees in a given job classification because of a lack of work or lack of funds, the employee(s) with the least seniority within such job classification shall be removed first.

(B) Within each classification, the reduction of positions shall be made in the following order:
1) Seasonal or part-time
2) Temporary
3) Probationary
4) Permanent
(C) If a full-time permanent employee is to be laid off, his/her name will be automatically placed on a re-employment list in order of seniority by classification.

(D) If a permanent employee is to be laid off from one classification within the Bargaining Unit, by reason of seniority, he will be placed in the same or another classification within the Bargaining Unit, to which he has been previously certified and permanently appointed, under Civil Service Rules and Regulations, providing he has more seniority than the employee with the least seniority in that classification.

(E) If a permanent employee with five (5) years or more seniority is removed from his classification by reason of seniority and he/she has not been previously certified and permanently appointed to another classification, he/she will be placed in the same or a lower classification within the Bargaining Unit, to a position he/she is capable of performing immediately without training, provided he has more seniority than the person with the least seniority in that classification. Representatives of the City and Union will meet to determine to which job, if any, such placement will be. Such employee will be required to pass the appropriate Civil Service Examination in order to become certified to his/her new position.

(F) An employee may select a layoff rather than accept placement under (D) and (E) above.

(G) An employee placed under (D) or (E) above will be placed in the same Range and Step as was the person he/she displaces.

(H) There shall be a re-employment list, in order of seniority, for each classification in which layoffs are made. An individual's name shall remain on the re-employment list for two (2) years or until re-employed, whichever occurs first.

(I) After a layoff has occurred, the following procedure shall be followed in filling vacancies:

1. The City shall first restore to such vacancy, by seniority, an employee on the active payroll who was removed from the position by the cutback.

2. If the job cannot be filled under (1) above, the City shall offer the position to an individual on the re-employment list with the most seniority who had previously occupied a position in the classification in question.

3. If the position is not filled under the provision of (1) or (2) above, the City will fill the vacancy in accordance with the applicable provisions of the Civil Service Rules and Regulations, or other hiring practices of the City.

4. Employees on a layoff status shall continue to accumulate seniority for two (2) years from the effective date of the layoff. The time spent on layoff shall not be deemed to interrupt the continuity of employment for employees recalled with said two year period. Any employee not recalled to work during this period shall lose all seniority rights and shall be treated as a new employee for all purposes.

(J) Two (2) refusals by an employee to return to a position under (E) (1) and (2) above will result in his name being removed from the Civil Service Re-Employment List.

Section 9

(A) In the event of a loss of a grant or reduction in Funds occurring after ratification of this Agreement by the Board of Aldermen, whereby the Board of Education or the City has to reduce personnel funded by Special
Funds or Grants, those employees holding Board of Education or City positions that were cut from the Grant shall be automatically placed on a re-employment list in order of seniority by classification, unless they can bump a less senior special fund employee within the same job classification as outlined below. Such employees shall have recall rights for a period of two (2) years to an identical job classification in a special fund. The Board of Education shall maintain a separate reemployment list from the reemployment list maintained by the City and there shall be no bumping from Board of Education to City, or vice versa.

(B) If a permanent City Special Fund employee is to be laid off by lack of funding, he will be placed in the same City job classification within a Special Fund held by the individual with the least seniority within the Bargaining Unit, for which he/she is qualified, providing he/she has more seniority than the employee with the least seniority in that job classification. All bumps must be within the same job classification in a special fund within the City, and any employee placed under this Section 9(B) will be placed in the same Range and Step as was the person he/she displaces. There shall be no cascading. An employee may select a layoff rather than accept placement under this Section 9(B).

(C) If a permanent Board of Education Special Fund employee is to be laid off by reason of lack of funding, he will be placed in the same Board of Education job classification in a special fund held by the individual with the least seniority within the Bargaining Unit, for which he/she is qualified, providing he/she has more seniority than the employee with the least seniority in that job classification. All bumps must be within the same job classification in a special fund within the Board of Education, and any employee placed under this Section 9(C) will be placed in the same Range and Step as was the person he/she displaces. There shall be no cascading. An employee may select a layoff rather than accept placement under this Section 9(C).

(D) There shall be a re-employment list, in order of seniority, for each City Special Fund job classification and for each Board of Education Special Fund job classification in which layoffs are made. An individual’s name shall remain on the applicable re-employment list for two (2) years or until re-employed, whichever occurs first. Employees on a layoff status shall continue to accumulate seniority for two (2) years from the effective date of the layoff. The time spent on layoff shall not be deemed to interrupt the continuity of employment for employees recalled with said two year period. Any employee not recalled to work during this period shall lose all seniority rights and shall be treated as a new employee for all purposes. Two (2) refusals by an employee to return to a position under this Section will result in his/her name being removed from the City or Board of Education Special Fund Re-Employment List.

**ARTICLE 21 - Pensions**

Section 1

(A) Schedule A attached hereto is a reinstatement of Articles I and VII of the City Employees Retirement Fund and incorporates negotiated amendments pertaining to the Management Union.

(B) Special Fund employees shall have the option of participating in a 457 Plan administered by the City. The City shall match the employee’s contribution up to 3%. Employees will become 100% vested at three years.
ARTICLE 22 - Grievance Procedure

Section 1 - Purpose

The purpose of the grievance procedure shall be to secure equitable solutions to employees grievances on as low an administrative level as possible and practicable so as to insure efficiency and employee morale.

Section 2 - Definition

A grievance shall be considered to be a dispute between an employee and/or the Union and the City and/or any of its agents, servants, employees, officials, Boards or Commissions concerning the interpretation and application of specific provisions of this Agreement including the discharge, suspension, demotion or other discipline of an employee.

Section 3 - Procedure

Any employee may use this grievance procedure with or without Union assistance except the procedure set forth in Section 5 of this Article. No grievance settlement made as a result of an individually processed grievance shall contravene this provision of this Agreement.

Step 1: An employee with or without a Steward with a complaint should first discuss the matter with his/her Department Head. In this discussion, the Department Head involved shall make an earnest effort to resolve the matter. The Department Head shall make whatever additional investigation is necessary and shall give his/her answer as soon as practicable, but within three (3) working days. It is agreed that most complaints should be settled at this Step.

Step 2: If the employee is not satisfied with the answer at Step 1, he/she shall then reduce his/her complaint to writing either on a form mutually agreed to by the parties or in a letter. Such grievance must contain the following information: (1) A statement presenting the nature of the grievance; (2) A statement outlining the relief sought; and (3) Specific reference to the clause or clauses of this Agreement which the employee feels have been violated. The employee and/or his/her chosen representative shall submit the written grievance to the Department Head, who, in turn, shall submit to the Union a written answer to the grievance within five (5) working days.

Step 3: If the decision at Step 2 is not satisfactory to the employee, he/she may appeal, in writing, to the Director of Labor Relations within ten (10) working days after receiving the decision at Step 2. The Step 3 written grievance shall include the information required in Step 2, as well as the decision of the Department Head from Step 2, if any. If the grievance fails to identify any of this requested information, then the City shall return the grievance to the union and/or the grievant, who shall have five (5) working days to remedy the omission and resubmit the grievance. Grievances not remedied and resubmitted within this period shall be considered as settled. Upon receipt of such an appeal, the Director or his/her designated representative will investigate the grievance and make an effort to resolve it to the satisfaction of all parties. Prior to denying any grievance at this step, the aggrieved employee and/or his/her representative, if any, shall be afforded the right to meet and discuss the grievance with the Director or his/her representative. Step 3 grievances shall be scheduled within thirty days of receipt of the grievance unless the parties mutually agree to extend the thirty day requirement. The decision of the Director or his/her representative will be made as soon as practicable, but not later than ten (10) working days after the aforesaid meeting or ten (10) days from the time the meeting should have taken place.

Section 4 - General Provisions
Any complaint which is not taken up with the employee’s immediate Supervisor within fifteen (15) working days after the occurrence or knowledge of the matter out of which the complaint arises, shall not be presented or considered at a later date. The Employer agrees that extenuating circumstances may arise where an employee will not have knowledge, within the time limits prescribed, of the matter which resulted in his becoming aggrieved, and, in such instances, the Employer will give due regard and consideration to the time limits set forth above. Extensions to all time limits mentioned in this Article may be made by mutual agreement of the parties.

At Steps 2 and 3 of this procedure, the Employer and the Union shall be permitted to call a reasonable number of witnesses, normally not more than two (2) from each party at Step 2 and three (3) from each party at Step 3.

When several employees within the unit have an identical grievance, the Union will select one individual case for processing with the understanding that the decision on the case will be applied to the other identical cases. Such grievance shall be known as a Unit Grievance.

An employee’s grievance will be considered settled upon his written request, or when the grievant ceases to be a regular employee of the City, including by resignation, unless the grievance is directly related to the employee’s termination and he desires it to be processed; or unless the Union considers the grievance to reflect on or affect other employees in the Bargaining Unit, or when the time limit to appeal to the next step expires.

Grievances will be heard at a time most practical to do so. Should such time occur during periods other than normal working hours of the grievant and/or other Union representatives, the City shall accept no financial obligation for such time spent by the grievant and/or other Union representatives.

The Union agrees that it shall cooperate with the City by making every effort to handle grievances in such a manner so as to cause a minimum of interference with normal operations of a Department.

It is recognized by both parties that on occasions a grievance may develop, the immediate disposition of which would be in the best interest of both parties (i.e., discharge or suspension). In such instances, the responsible Union official may contact the Labor Relations Director directly to acquaint him with the situation. At that time a determination shall be made as to what procedure is to be followed.

Any grievance not answered within the prescribed time limits may be processed to the next step of the grievance procedure up to and including arbitration.

Section 5 - Arbitration

In order to be considered, a request by the Union for arbitration shall be forwarded to the State Board of Mediation and Arbitration with a copy sent to the Director of Labor Relations or his representative within twenty (20) working days from the receipt of the decision at Step 3 of the grievance procedure or twenty (20) working days from the date that said decision should have been made. Grievances not appealed within this time shall be considered as settled.

In addition to the above, either party may elect to use the expedited arbitration procedures, in accordance with the rules and regulations of the Connecticut Board of Mediation and Arbitration, for any grievances involving disciplinary actions of less than a five (5) day suspension without pay and/or any grievances concerning the interpretation and application of routine contractual issues and provisions. The parties shall agree upon a pool of SBMA arbitrators, to be used on a rotating basis.
Petitions for arbitration shall be in writing and contain the following items: (1) Name of the grievant; and (2) A statement of the issue involved.

Should the parties mutually agree to another method of arbitration other than the State Board of Mediation and Arbitration, the parties shall meet and agree on and select an Arbitrator or Arbitrators. It is understood that said Arbitrator or Arbitrators shall be the Connecticut State Board of Mediation and Arbitration, except as otherwise agreed upon by both parties to this Agreement. Notwithstanding the above, either party may elect to utilize the American Arbitration Association in lieu of the State Board of Mediation and Arbitration, provided the party making the election will pay the administrative fees and arbitrator cost, less $200.

The arbitration fee and expenses shall be borne equally by the parties to this Agreement. The Employer and the Union shall also share equally the expenses of any and all mutually agreed upon services considered desirable or necessary in connection with the proceedings. Except that in the event one party to the proceeding requests a transcript, the non-requesting party shall not be required to share in the cost of said transcript. The non-requesting party shall, however, be furnished a copy of the transcript in a timely fashion at no cost.

The Arbitrator(s) designated in accordance with this Article shall conduct a hearing at which the facts and arguments relating to the dispute shall be heard. The Arbitrator(s) jurisdiction to make an award shall be limited by the submission and confined to the interpretation or application of the provisions of this Agreement. The Arbitrator shall not have jurisdiction to make an award which has the effect of amending, altering, enlarging or ignoring the provisions of the Agreement in effect at the time of the occurrence of the grievance being arbitrated, nor shall the Arbitrator have jurisdiction to determine that the parties by implication have amended or supplemented the Agreement, unless the parties shall expressly submit to him the issue as to whether such an agreement by implication was made. The Arbitrator(s) shall confine the award to a decision that the City or the Union has or has not violated a provision of this Agreement, and if such an award is in the affirmative, the award shall specify the remedy. The written award of the Arbitrator made in accordance with the above arbitration procedure shall be final and binding on the parties to this Agreement, subject only to court appeal of the decision.

**ARTICLE 23 - Personal Leave**

Each employee shall be entitled to two (2) days per Contract Year to be known as Personal Leave. Such leave shall be with pay and not charged against sick leave. Effective July 1, 2018, employees shall be entitled to three (3) days per contract year.

An employee intending to utilize personal leave shall notify his/her supervisor at least forty-eight (48) hours prior to taking such leave unless such notification is impossible due to circumstances beyond the employee’s control.

Employees shall be allowed to carry over personal days from one contract year to another. However, employees shall not be allowed to have more than four (4) days on the books at any given time.

In the event that the number of employees requesting personal leave defined under this section compromises the activities of the Department or a Division due to the number of individuals requesting a particular day, the Department or Division may deny the request in order to not disrupt the normal activities in such Department or Division. In such circumstances of conflict, seniority shall prevail.
Employees must use such days prior to retirement or resignation and the employee shall not be entitled to compensation for unused personal days.

**ARTICLE 24 - Appointments**

Nothing in this Agreement shall be construed as abridging the appointment powers of the Mayor for any positions in this Bargaining Unit who are appointed by the Mayor for a time certain as specified either in the Charter or positions in the following Departments:

- Mayor’s Staff
- Human Resources
- Chief Administrator’s Office
- Development Administration
- Public Information
- Corporation Counsel

If any employee in any such position is not reappointed, he/she shall not have recourse to the grievance procedure outlined in Article 22.

**ARTICLE 25 - Union Activities**

**Section 1**

The Union shall be entitled to twenty (20) working days of leave with pay per contract year for union business, to use at their discretion. Each request for union leave shall be requested through the office of Labor Relations and shall apply to the President of the Union or his/her designee and up to four (4) other members so designated by the President.

**Section 2**

One Officer, the Chief Steward, one Steward and the grievant or grievants, and witnesses, not to exceed a total of five (5) people, shall suffer no loss in wages to attend any grievance hearings or arbitration.

**Section 3**

Five members of the Bargaining Unit plus the President and Chief Steward shall be allowed time off with pay for the purpose of negotiating a successor Agreement if negotiation sessions are held during working hours.

**Section 4**

The President, Vice-President, Chief Steward and Treasurer shall have super-seniority in all matters involving layoffs.

**Section 5**

Unless expressly provided within this Article, or otherwise agreed upon by the parties, there shall be no other paid union leave provided by the City.
ARTICLE 26 - Non-Discrimination

There shall be no discrimination, threat, penalty, coercion or intimidation or harassment of any kind against any employee for reasons of race, creed, color, sex, sexual orientation, religious belief, Union membership, national origin, political affiliation, age, handicap or Union activity.

ARTICLE 27 - No Strike Provision

Section 1

The Union and its members agree that during the length of this Agreement it will not call or support or participate in any work stoppage or strike against the City.

Section 2

The City agrees that there shall be no lock out of employees during the life of this Agreement.

ARTICLE 28 - Miscellaneous

School Security workers who are required to and report for work less than four (4) hours prior to their regularly scheduled starting time, or who are required to and stay beyond their regularly scheduled shift time, shall be paid at time and one-half their regular hourly rate for all hours worked up to their regular starting time.

School Security Workers who are required to and report for work on an observed holiday shall be paid holiday pay, plus time and one half for all hours actually worked.

Section 3

Parks Department employees who currently receive housing as a condition of employment shall pay the City the amount of rent approved by the Joint Rental Unit Study Committee. Said Committee shall consist of one individual appointed by the City and one appointed by the Union, whose charge shall be to establish fair and reasonable rents based upon the condition of property and market values, and the value, if any, the resident provides to the City. The members of this Committee shall be determined upon ratification of this Agreement by the Board of Aldermen and convened on an annual basis, with the first meeting to take place within three months of the ratification of this Agreement. New hires shall not be required to reside in specific housing and shall not receive a subsidy on housing.
Section 4

Employees who regularly use their private vehicles as part of their normal daily work assignment shall be provided with a parking permit pursuant to the February 7, 2000 Settlement Agreement found in Appendix VII. All other employees shall be given a reduced rate (two-thirds the commercial rate) for parking in a garage or lot allocated by the Parking Authority, unless parking at the employee’s work location is available at no cost to the employee (i.e. Park Department, Schools, Public Works). (B) The meal allowance shall be provided for those eligible employees working one-half hour beyond the meal times of 6:00 p.m., 12:00 midnight and 6:00 a.m. Also, meal allowance shall be provided for the noon meal in those instances when work being performed is on a paid holiday, Saturday or Sunday, provided such employees are not regularly scheduled to work these days.

Section 6 – Reclassification

The current stipulation on Reclassifications, dated September 11, 2012 and attached to the Contract, shall be retained with the addition that any impasse be submitted to the Expedited Arbitration procedure before the State Board of Mediation and Arbitration.

Section 7 – Payroll/Pension Training

Any training of existing payroll and pension functions may only be performed by bargaining unit members, and therefore, the Department shall require that this training result in a manual or other resource for future Department employees.

The purposes of this policy are as follows:

A. To establish and maintain a safe, healthy working environment for all employees and to protect the public;

B. To insure the reputation of the City of New Haven employees as good, responsible citizens worthy of public trust;

C. To demonstrate a clear expectation and understanding that a drug test shall be considered a condition of entry/application to the employ of the City and in reasonable suspicion scenarios as defined herein;

D. To reduce the incidents of accidental injury to person or property;

E. To reduce absenteeism, tardiness and indifferent job performance; and

F. To provide assistance toward rehabilitation for any employee who seeks help in overcoming any addiction to, dependence upon, or problem with alcohol or drugs.

Section 2: Definitions

A. Alcohol or Alcoholic Beverages – means the intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohol, including methyl and isopropyl alcohol

Section 3: Testing Based Upon Reasonable Suspicion

A. Purpose: This section is intended to specify the methods to be used by the City when an employee’s conduct, behavior, demeanor or statements have created reasonable suspicion that he or she has engaged in “substance abuse.” Substance abuse is defined for purposes of this section as the ingestion of an illegal drug or the abuse of alcohol or of a legally prescribed drug.

B. Voluntary Disclosure and Employee Assistance:

1. An employee who has completed his or her initial probationary period with the City and has engaged in substance abuse and voluntarily discloses this issue to his/her Department Head and requests treatment and rehabilitative assistance shall be given assistance under the City’s Employee Assistance Program. Access of this type shall be limited to two occasions, provided that he or she has not previously failed to comply with the requirements of the program during a prior enrollment. An employee referred to the program shall not be disciplined for the substance abuse disclosed. However, failure to comply with the terms of this program shall subject the employee to discipline.

2. Any employee who returns to employment following completion of a program under the Employee Assistance Program shall be subject to follow-up testing as determined by the EAP provider.

C. Basis for Testing: The testing authorized under this policy shall be preceded by a determination by a supervisor that the conduct, behavior, demeanor or statements of the employee have given that supervisor “reasonable suspicion” that the employee has engaged in substance abuse.

D. Preservation of Rights: This policy does not constitute a waiver of the rights of members of the bargaining unit regarding drug testing protection provided by United States or Connecticut Constitution or statutes.

E. Preliminary Determination of Reasonable Suspicion of Substance Abuse:

1. An order to undergo a test pursuant to this agreement shall be based on preliminary and final determinations of reasonable suspicion of substance abuse by designated supervisors. A supervisor shall base his or her preliminary determination on facts regarding the conduct, behavior, demeanor and statements of the employee observed by that supervisor or
reliably and speedily reported to him or her. This preliminary determination shall be
followed by a final determination by a second supervisor who must confirm the
preliminary determination in order for testing to be ordered.

2. Designated supervisors shall be the Department Head, Deputy Department Head and any
supervisor acting in the capacity of the Department Head or Deputy Department Head. The City shall provide training for such designated supervisors, but the lack of such
training of a particular supervisor shall not prevent his or her determination of reasonable
suspicion of substance abuse, unless the lack of training is shown to have undermined the
reliability of the determination.

F. **Order to Undergo Test:**

1. When a designated supervisor makes a determination based on reasonable suspicion and that
determination is confirmed by a second supervisor, the employee shall be informed of
this preliminary determination and shall be immediately relieved of duty. The employee
shall be entitled to Weingarten representation rights by a bargaining unit representative.

2. Following the determination, the employee shall be directed to immediately report to the
designated testing facility. It is expected that the test will be administered within two (2)
hours following the determination.

3. The employee shall be entitled to Weingarten representation during the sample production
process.

G. **Testing Procedures:** The testing procedures shall be in accordance with those set forth in the
“Testing Procedures” section of this Article. Test results shall not be used for disciplinary
purposes unless they have been obtained in accordance with the procedures outlined in this
section.

H. **Confidentiality:** Records of the process used to order a test and test results shall be maintained along
with other employee medical records, and shall be handled consistent with the policies respecting
such records. In addition, an employee who elects participation in the Employee Assistance
Program shall be required to authorize the release of these records to the personnel utilized in that
program.

I. **What Constitutes a Refusal to Take a Test:** The following actions may constitute a refusal to take a
drug or alcohol test:

- Blatant refusal to submit to the testing procedure or engaging in any conduct that clearly
  obstructs the testing process, including being unavailable for testing;
- Failure to provide an adequate amount of breath for an alcohol breath test without a valid
  medical reason;
- Failure to sign the alcohol testing form;
- Failure to submit to a confirmation test for alcohol after a positive result;
- Failure to endorse items to verify chain of custody for any specimen;
- Failure to provide sufficient amount of urine for a drug test without a valid medical reason;
- Failure to provide necessary identification before submitting to test;
- Failure to remain available for such testing.
J. **Consequences of Refusal to Take a Test**: The consequences for refusal to take a required drug or alcohol test are the same as if the employee had tested positive for drug or alcohol use, as listed in Section 10 of this Article. In addition, the refusal shall constitute insubordination and the employee shall be subject to discipline.

K. **Cost of Required Tests**: The City shall pay for the following tests:
   - Pre-employment drug testing;
   - Random testing;
   - Reasonable suspicion testing;
   - Return to duty drug testing; and
   - Follow up testing.

   - Split analysis testing.

L. **Transportation**: The City will provide transportation for the employee to the testing facility when the employee is being tested under reasonable suspicion procedures. The City shall provide transportation for an employee to the employee’s home when the employee tests positive under these procedures.

**Section 4: Random Testing**

A. Random testing pursuant to the City of New Haven’s CDL Policy shall continue for all affected workers. The parties recognize that industry standards may change during the life of the CDL policy. Any such changes shall be negotiated pursuant to the requirements of MERA.

B. Any expansion of random testing beyond the CDL Policy shall only be initiated pursuant to an amendment to this policy.

C. **Consequences of Refusal to Take a Test**: The consequences for refusal to take a required drug or alcohol test are the same as if the employee had tested positive for drug or alcohol use, as listed in Section 10 of this Article. In addition, the refusal shall constitute insubordination and the employee shall be subject to discipline.

**Section 5: Post-Accident Testing**

A. As soon as practicable following an accident, each surviving employee will be tested for alcohol and controlled substances when (1) the accident involved a fatality or serious injury or (2) the employee received a citation for a moving traffic violation. An accident is defined as an incident involving a motor vehicle or industrial safety in which there is a fatality, an injury treated away from the scene or a vehicle required to be towed from the scene.

   An employee who is subject to post-accident testing must remain available for such testing, or the City may consider the employee to have refused to submit to it.

B. **Consequences of Refusal to Take a Test**: The consequences for refusal to take a required drug or alcohol test are the same as if the employee had tested positive for drug or alcohol use, as listed in Section 10 of this Article. In addition, the refusal shall constitute insubordination and the employee shall be subject to discipline.
C. The City should make every attempt to test an employee for alcohol within two hours and for drugs within 32 hours of an accident. If an alcohol test has not been given within 8 hours of the accident, or a drug test has not been given within 32 hours, the City must cease trying to administer such test and must prepare and maintain on file a record stating the reason why the appropriate test was not promptly administered.

The requirements of this section should not be construed to require the delay of necessary medical attention for injured people following an accident or to prohibit an employee from leaving the scene of an accident for the length of time necessary to obtain necessary emergency medical care or to obtain any other assistance necessary at the accident site. However, employees must remain available for testing and shall not consume alcohol or drugs until the post-accident test has been performed.

Section 6: Return to Duty Testing

If an employee has engaged in prohibited conduct regarding alcohol and/or drug misuse, the employee must undergo a return to duty test prior to returning to the job. The test must indicate a breath alcohol concentration of less than 0.02 or a verified negative result for drug use. When an employee engages in prohibited conduct, the City must advise the employee of the resources available to evaluate and resolve drug and/or alcohol problems through the EAP program. In addition, each employee who engages in prohibited conduct must be evaluated by a substance abuse professional (SAP) who shall determine what assistance, if any, the employee needs in resolving drug and/or alcohol problems.

Consequences of Refusal to Take a Test: The consequences for refusal to take a required drug or alcohol test are the same as if the employee had tested positive for drug or alcohol use, as listed in Section 10 of this Article. In addition, the refusal shall constitute insubordination and the employee shall be subject to discipline.

On a first offense for a positive alcohol test, if the SAP determines that the employee requires assistance in handling an alcohol problem, the employee must properly follow the prescribed rehabilitation program. If the rehabilitation program requires time off, said time off will be granted with or without pay for up to sixteen weeks without a loss of seniority or benefit eligibility. During the period of rehabilitation the employee may elect to use any accrued vacation or sick time. Any paid time off (vacation or sick time) used in accordance with this provision shall be subtracted from the sixteen-week entitlement referred to herein.

On a first offense for a positive drug test, if the SAP determines that the employee requires assistance in handling a drug problem, the employee must properly follow the prescribed rehabilitation program. If the rehabilitation program requires time off, said time off will be granted with or without pay for up to sixteen weeks without a loss of seniority or benefit eligibility. During the period of rehabilitation the employee may elect to use any accrued vacation or sick time. Any paid time off (vacation or sick time) used in accordance with this provision shall be subtracted from the sixteen-week entitlement referred to herein.

When an employee has properly followed the prescribed rehabilitation, the employee must then be reevaluated by the substance abuse professional. If the SAP determines that the employee has properly followed the rehabilitation program, then the employee must undergo a return to duty test with a negative result as prescribed herein before being allowed to return to the performance of his job. In the event the employee fails to comply with the prescribed rehabilitation or fails to pass a return to duty test he or she shall be subject to further discipline up to and including termination.

Section 7: Alcoholic Beverages
A. No alcoholic beverages will be brought onto City premises, or consumed while on City premises. The Department will invoke appropriate disciplinary action for any violations.

B. Drinking or being under the influence of alcoholic beverages while on duty is cause for discipline.

Section 8: Prescription Drugs

A. No prescription drug shall be brought upon City premises by any employee other than the employee (or members of the employee’s immediate family) for whom the drug is prescribed by a licensed medical practitioner, and shall be used only in the manner, combination and quantity prescribed.

B. Where the employee has been informed that the use of a prescribed drug may pose a risk to the employee or others, the employee shall so advise his/her Department Head or Deputy Department Head.

Section 9: Illegal Drugs

A. The use or possession of an illegal drug or controlled substance by an employee on duty is cause for suspension or termination, and/or referral for criminal prosecution.

B. The sale, trade or delivery of illegal drugs or controlled substances by an employee on duty to another person is cause for suspension or termination, and/or referral for criminal prosecution.

Section 10: Procedures

The procedures of the City of New Haven in regard to an employee using, possessing or under the influence of alcohol, drugs or chemicals while on duty are as follows:

A. An employee shall report to his place of assignment fit and able to perform his required duties and shall not by any improper act render himself unfit for duty.

   STEP 1: Any Supervisor who has cause to suspect that an employee is under the influence of alcohol, drugs or chemicals shall immediately relieve said employee from duty with pay in order to protect said employee, fellow employees and the public from harm. Supervisors shall receive training by certified drug and alcohol experts on how to detect and process substance abuse cases.

   STEP 2: The Supervisor shall immediately notify the Department Head, or in his absence, the ranking supervisor. Any employee being interviewed and/or tested may consult with and be accompanied by a representative of the Union. The Union representative may confer with and advise the employee before and after the testing process, but shall not participate in the process in any way except as an observer. The interview/testing process will not be unreasonably delayed simply because a Union representative is unable to be present.

   STEP 3: The Department Head, or in his absence, the ranking supervisor shall interview the employee concerning alleged alcohol or controlled substance abuse. Such interview shall be conducted in order to document the reasons and observations of the interviewers and to ascertain from the employee any recent use of prescribed drugs or non-prescribed drugs, or any indirect exposure to drugs that may result in a positive test.
STEP 4: If the interviewers document cause, then the employee will be given the following option(s):

a) The employee may resign or retire, if eligible, without penalty or prejudice.
b) The employee can claim that he/she is not under the influence of alcohol or illegal drugs.

1. If there is no criminal investigation pending, the employee can admit there is cause for reasonable suspicion of alleged alcohol or substance abuse, and shall, within 24 hours, enroll in an Employee Assistance program (EAP).

STEP 5: If the employee chooses paragraph (b) in Step 4, the test procedures set forth in the “Testing Procedures” section below may be ordered by the Department Head or, in his absence, the ranking supervisor. A positive test shall result in the following discipline:

1. The first offense shall result in an immediate two (2) day suspension without pay.
2. The second offense shall result in an immediate five (5) day suspension without pay.
3. A third offense shall result in immediate termination.

B. The employee shall have the right and shall not be denied the right to the presence of a Union Representative during any part of these procedures.

TESTING PROCEDURES

What are the testing procedures for drugs?

All drug testing will be done from urine specimens collected under highly controlled conditions at the following location: St. Raphael’s Occupational Health & Rehabilitation Services at 789-3530. The person collecting the urine sample will be the same gender as the employee submitting the sample. The collection site will be secured to prevent any tampering or switching of samples. The City reserves the right to change and/or add providers.

When the employee has submitted a specimen, the collection person will determine whether there is a sufficient amount of urine for testing. If there is not enough, the employee may be asked to drink fluids and wait until the employee is able to provide a sufficient amount of urine to test. The urine collected from each employee will be divided into two different sample containers. This is known as a split specimen collection. The person collecting the specimen will divide the specimen into the two containers in the presence of the employee and will label both accordingly. The employee must ensure that the split samples are both accurately marked with the correct identification.

The primary sample is then tested for the presence of drugs, while the second or “split” sample is stored in a secured, refrigerated location. The initial test is the immunoassay test, which screens the sample for usage of the eleven (11) classes of drugs. The second test is a confirmation test. The labs that perform the tests must be certified by the Federal Department of Health & Human Services.

The testing program is limited to eleven (11) drug/drug types: Amphetamines, Barbiturates, Benzodiazepines, Cocaine Metabolite, Opiates, Oxycodone, Phencyclidine (PCP), Marijuana (THC) Metabolite, Methadone, Methaqualone, and Propoxyphene. The positive levels for the eleven (11) classes of drug tests are in the table below:

*ng/ml means nanograms per milliliter. A nanogram is one billionth of a gram. A milliliter is one thousandth of a liter.

If the results of the initial test are negative, the testing laboratory will so advise the Medical Review Officer (MRO). The MRO is a licensed physician not employed by the testing laboratory who interprets the drug test results. The MRO’s role includes making determinations that other factors besides drugs may be affecting a particular test result, and the MRO may conduct sessions with individual employees to learn more about their medical histories and other factors which might influence a test result.

If the results of the initial test exceed the test levels for any of the eleven (11) drug/drug classes, a second (confirmation) test is performed. This test is done differently by using gas chromatography/mass spectrometry techniques. Only specimens that are confirmed positive on the second or confirmatory test are reported positive to the Medical Review Officer for review and analysis.

If the test result of the primary specimen is positive, the employee may request the Medical Review Officer to send the second (or split) specimen to a different certified lab for testing. If the result of the test of the split specimen is “negative”, the MRO shall cancel the test. If an employee wants the split specimen tested, he or she must advise the MRO within seventy two (72) hours of being notified of the positive test result of the primary specimen.

The City will keep a record in the employee’s file showing the type of test (pre-employment, periodic, etc.); date of collection; location of collection; entity performing the collection; name of the lab; name of the MRO; and the test results.

What are the testing procedures for alcohol?

Alcohol testing is done by testing breath, using a device called an Evidential Breath Testing Device (EBT). The EBT is a scientific instrument that determines the concentration of alcohol in the bloodstream by analyzing a specific amount of exhaled breath. The test result is a number representing the blood alcohol concentration (BAC), which is expressed in grams of alcohol per 210 liters of breath. The EBT prints out numbered copies of the test results. A BAC of 0.04 or greater indicates alcohol impairment. A BAC between 0.02 and 0.04 indicates likely alcohol impairment. A BAC less than 0.02 indicates no alcohol impairment.
People who have been trained and certified as breath alcohol technicians (BAT) will conduct the
tests, check the EBT prior to testing to ensure its accuracy, and conduct the tests. Testing should be
conducted in an area that allows the employees as much privacy as is feasible. The tester will remain
present at all times during the testing procedure.

First, in the employee’s presence the BAT makes sure that the EBT is responding accurately. Then,
a sealed mouthpiece is opened and placed into the device. The employee is required to blow into the
mouthpiece for at least six seconds or until the EBT indicates that it has obtained a sufficient amount of
air to test. The EBT will then print the test results, with a copy given to the employee.

If the initial test shows a reading less than 0.02 the test is recorded as “negative”. If the initial test
results indicate a BAC of 0.02 or greater, a confirmation test will be conducted, after a fifteen (15) minute
interval has passed to make sure that the sample was not tainted by recent use of food, tobacco, or other
products. The confirmation test is done on the same EBT as the first test. If the two results are different,
the confirmation test results are controlling. At this point, the breath alcohol test is completed; the
employee must sign the testing form and be provided with a copy.

Substance abuse testing that currently exists under the Commercial Drivers License (CDL) Policy shall
continue pursuant to the terms of the policy. In addition, the policy may be extended by the City to all
employees who operate City vehicles. In the event the City decides to extend the policy to all drivers, it
shall first notify the Union in writing of its intent and the date of the implementation.

The parties understand that the testing means and methods defined herein represent the current standard in
the industry for such testing. As such, any testing defined in any City policies that are not consistent with
the means and methods defined herein shall be considered updated to conform with this policy. The
parties recognize that industry standards may change during the life of this policy. Any such changes
shall be negotiated pursuant to the requirements of MERA. The parties agree to review the means and
methods defined herein at reasonable intervals and to update such methods when required. The goal of
the parties shall be to promote the most efficient, effective and accurate methods available.
ARTICLE 31 - Duration And Contract Renewal

Section 1

The duration of this contract shall extend from July 1, 2015 through June 30, 2020 and until a subsequent contract is negotiated and becomes effective, subject to any retroactive provisions agreed upon in a subsequent contract.

Section 2

Negotiations for a successor agreement shall be in accordance with State Statute.

Re: Establishment of an on-going Reclassification Review Committee

September 11, 2012

Stipulation

The City of New Haven (hereinafter referred to as the “City”) and Local 3144, Council 4, AFSCME, AFL-CIO (hereinafter referred to as the “Union”) hereby agree to the following Stipulation which will establish a review mechanism for addressing reclassifications in a controlled, equitable and timely fashion:

(A) The parties shall immediately establish a Reclassification Review Committee consisting of two (2) persons from the Union appointed in writing by the President of Local 3144 and two persons (2) from the City appointed in writing by the Labor Relations Director. The Reclassification Review Committee shall meet as needed. A quorum shall consist of three (3) persons and a simple majority vote shall govern all matters brought before the Committee.

(B) Job Reclassification Criteria: A position within the scope of Local 3144 shall be considered for reclassification when an increase in duties and/or responsibilities of the employee holding said position or performing in said position in lieu of permanent appointment has been justified as described below:

(a) An Increase In Duties: When an employee is directed to permanently perform additional duties which are not included in the job description on file at the Personnel Office for the position the employee was appointed to.

(b) An Increase In Responsibilities: When the employee is directed to permanently perform additional responsibilities which increase accountability for work performed which is not included in the job description on file at the Personnel Office for the position the employee was appointed to.

If the increased duties and responsibilities are incidental in nature they shall be deemed to fall within the statement found in all City job descriptions which reads, “Performs Related Duties As Required” and not be considered as a measure for reclassification.

(c) The Reclassification Review Committee shall also have the authority to address pay inequities for specific jobs in which a job audit has been performed and a salary increase is recommended. Reclassification requests shall be reviewed in the chronological order submitted whenever practical and consideration of positions which have not been reclassified previously shall be considered prior to jobs which have been reclassified previously.

(C) The Reclassification Review Committee shall also have the authority to establish it’s own rules and regulations as it deems necessary.

Nothing prescribed herein shall prejudice the Unions right or the City’s obligations to negotiate over mandatory changes in job duties as specified in the MERA.
In witness whereof, the parties have caused their names to be signed on this ____ day of September, 2012.

From, Permanent Employment Covered By The Policemen And Firemen’s Pension Fund

In the event of such change of employment within the City of New Haven the member can elect that the period of prior service for which he made contributions to the first Fund shall be included in determining the amount of his pension benefits under the second Fund to which he has transferred his participation. Such transfer of credits shall be contingent on a transfer of cash between the Funds equal to the actuarial reserve for his participating service in the first Fund, including both the employee’s and the City’s contributions therefor, and all rights to pension or other benefits under the first Fund will be terminated by such transfer.

Section 13 - Miscellaneous

(a) In the event the Fund merges or consolidates with, or there is a transfer of assets or liabilities to any other Plan or Trust, each member would (if the Fund then terminated) receive a benefit immediately after the merger, consolidation or transfer which is equal to or greater than the benefit he would have been entitled to receive immediately before the merger, consolidation or transfer (if the Fund had then terminated).

(b) Participation under the Fund will not give any member any right or claim except to the extent such right is specifically fixed under the terms of the Fund and there are funds available therefor.

(c) If the Fund is terminated or if there shall be a complete discontinuance of the contributions under the Fund, the assets held in the Fund available for payment after provision for payment of all expenses of final liquidation or termination shall be allocated pursuant to the direction of the Board on the basis of actuarial valuations to the extent of the sufficiency of such assets for the purpose of providing retirement benefits determined by the Fund to have accrued under the Fund to the date of termination of the Fund. The allocation of the available assets in the Fund shall be in the manner and order described in the following paragraphs. If the amounts available shall be insufficient for a complete allocation in accordance with any paragraph, such amounts shall be allocated in a uniform manner to all persons in the group mentioned in such paragraph and no allocation shall be made under any subsequent paragraph.

(1) First, toward the payment of that portion of a member’s benefit earned to date derived from his contributions (after reduction for annuity payments), whether to the contributing members, their survivors or beneficiaries.

(2) Second, an amount shall be allocated, which when added to the amount indicated in Paragraph 1, will be sufficient to provide retirement benefits to all persons who were receiving benefits on the date of termination of the Fund and members remaining in the employ of the City who have reached their normal retirement date.

(3) Third, an amount shall be allocated, which when added to the amount indicated in Paragraph 1, will be sufficient to provide retirement benefits for members still in the service of the City who were eligible to retire on an early retirement date.

(4) Fourth, an amount shall be allocated, which when added to the amount indicated in Paragraph 1, will be sufficient to provide benefits earned to date by those members who have earned 10 years Credited Service (but are not identified in Paragraphs 2 or 3).

(5) Fifth, amounts then remaining shall be allocated to provide benefits for all members not provided for above.
Amounts allocated in accordance with (1) through (5) above, may be applied in the discretion of the Board to provide benefits through the purchase of paid up annuities on an individual or group basis, through allocation of reserves within the then existing Fund and/or under a separate trust instrument or through participation in any other retirement plan or by any combination of these media or other means.

**ARTICLE II**

**PROVISIONS OF THE RETIREMENT PLAN APPLICABLE TO EMPLOYEES REPRESENTED BY MANAGEMENT UNION LOCAL 3144 OF THE AMERICAN FEDERATION OF STATE, COUNTY AND MUNICIPAL EMPLOYEES**

Section 1 - Definitions

As used in this Article, the following terms shall have the following meanings:

Management Union means all of those supervisory and professional employees of the City of New Haven for whom the Management Union or its successor has a legal obligation to represent, as specified from time to time by the Collective Bargaining Agreement between the City of New Haven and that Union.

Eligible employees holding positions under new classifications, which shall come under the category of Management Union covered employees in the future shall also accrue the terms and benefits of this Article.

Section 2 - Determination Of Contributions Of Participating Members

The rate of contributions shall be 10% of pay; said percentage to be deducted from each eligible participating member’s pay and transmitted to said Board. Computation of the average rate for use in determining benefits under this Article shall be based on such member’s basic rate of pay except that total earnings including overtime, if greater, will be used for any year when such member’s contributions were based on such larger amount.

Section 3 - Provision For Refund Of Contributions Or Deferred Pensions For Members Withdrawing From Service; Provision For Refund Of Contributions Upon Death Of Member With No Qualified Survivors; Recovery From Disability

Withdrawal of contributions of a member shall not be permitted except in the event of discontinuance of employment. In the event of such discontinuance, the Retirement Board shall pay, upon request, to the member or to his representative, designated or otherwise, an amount equal to his total contributions to the Retirement Fund. Even if no such request is made, in the event of such discontinuance before the member has earned ten (10) or more years of Credited Service, the Retirement Board, in its sole discretion, may pay to the member, or to his representative, designated or otherwise, an amount equal to his total contributions to the Retirement Fund.

In the event of such discontinuance after ten (10) or more years of Credited Service, and provided he does not qualify for greater benefits under the provisions of Section 6, any terminating member who does not request a refund of his contributions will be retained as a conditional member and will be eligible for a deferred pension commencing when he attains age sixty five (65) or upon such earlier date as may be elected by the member pursuant to Section 6 (g). Such deferred pension shall be for an amount determined as two percent (2%) of the conditional member’s average rate of pay averaged over those five (5) years of service producing the highest average, for each year of Credited Service, subject to a maximum of seventy percent (70%) of such average rate of pay and reduced as provided in Section 6 (g), if applicable. Such conditional member and his survivors will
not be eligible for any disability, survivorship or other benefits which are provided for non-conditional members by other Sections of this Article. Any changes in benefits and/or eligibility requirements for such benefits prescribed in this paragraph which are adopted after a conditional member has discontinued his employment with the City shall not apply to such conditional member.

In the event of a member’s or a conditional member’s death, the Retirement Board shall pay to his beneficiary, or to his estate if no named beneficiary is surviving, an amount equal to the excess, if any, of his total contributions over the total of any annuity payments made to him.

In the event that a member is survived by a widow, widower or child or children under age eighteen (18), the Retirement Board shall, in lieu of such repayment of contributions, pay the survivorship benefits provided in Section 8 of this Article. If the total benefit payments to such member and his surviving widow or widower and children shall be less than the amount of his total contributions, the amount of any excess shall be paid to the legal representative of the last survivor who received benefits.

A member whose disability benefits are terminated by reason of the member’s recovery shall be entitled to the benefit of this Section, without regard to the amount of his Credited Service. Notwithstanding anything in this Section to the contrary, the Retirement Board shall not have the authority to pay any such member the amount of his total contributions to the Retirement Fund except upon such member’s request.

Section 4 - Eligibility For Retirement

(a) Any member who has completed ten (10) years of Credited Service for the City shall be eligible for retirement according to the provisions of this Article at the age of sixty five (65) years (sixty [60] years if he became a participating member before July 1, 1974).

(b) Any member (a) the sum of whose age and years of Credited Service for the City equals or exceeds eighty (80), or (b) in the case of members with less than ten years of credited service (including new hires) upon ratification of this Agreement by BOA, equals or exceeds eighty-five (85) and is at least sixty-two (62) years of age, shall be eligible for retirement according to the provisions of this Article.

(c) Any member who has completed ten (10) years of Credited Service for the City shall be eligible for retirement on account of disability according to the provisions of Section 5.

(d) “Credited Service” for the purposes of this Article, shall mean that number of full and fractional years (calculated on a daily basis) with respect to which a member’s pay is reduced by the amounts provided in Section 2.

(e) Notwithstanding anything contained herein to the contrary, in the event a member separates from the City’s service and receives a refund of his contributions pursuant to Section 3, the member’s Credited Service shall include only those full and fractional years (calculated on a daily basis) occurring after the latest such refund, with respect to which the member’s pay is reduced by the amounts provided in Section 2, unless:

(1) The member, within six (6) months of his return to the City’s service, requests a reinstatement of his Prior Credited Service, if any;

(2) The members Prior Credited Service calculated as of the date of the latest refund exceeds the number of full and fractional years (calculated on a daily basis) falling between the date the member last separated from the City’s service and the date first following such separation on which the member contributed to the Fund pursuant to Section 2;
(3) The member repays the latest refund together with three percent (3%) interest compounded annually; and

(4) The member passes such medical examination as the Retirement Board, in its sole discretion, shall prescribe. The Retirement Board shall have the sole discretion to determine whether the member has passed such medical examinations, and its decision shall be final and conclusive on all parties.

In the event a member satisfies all of the foregoing conditions, his Credited Service shall consist of those full and fractional years (calculated on a daily basis) occurring after the latest such refund with respect to which the member’s pay is reduced by the amounts provided in Section 2 plus his Prior Credited Service.

For purposes of this Section, the term Prior Credited Service shall mean those full and fractional years (calculated on a daily basis) with respect to which the latest refund was made.

(f) “Credited Service” shall also include those full and fractional years (calculated on a daily basis) during which a member received a disability benefit, provided such member recovers from such disability, is rehired by the City and thereafter earns at least five (5) years of Credited Service.

Section 5 - Disability Annuities

Any member of the Retirement Fund who, after ten (10) years of Credited Service for the City, is permanently disabled from performing duties of the nature required by his job; or, irrespective of the duration of his employment, suffers such a disability which is shown to the satisfaction of the Board to have arisen out of or in the course of his employment by the City, as defined in the Worker’s Compensation Act, shall be entitled to an annuity in an amount determined in Section 6; provided satisfactory proof of such disability shall be submitted to the Retirement Board.

The Retirement Board shall cause examinations to be made by at least two (2) impartial medical examiners to initially verify the existence of such disability.

The Retirement Board may, from time to time, call for similar medical evidence that the member continues to be permanently disabled. Such member shall be required to submit himself to any medical examination requested by the Retirement Board. If the Retirement Board, upon competent medical evidence, concludes that the disability for which the member is receiving an annuity no longer exists, such Board shall thereupon order a discontinuance of all such annuities payable to such member, effective on the date which is ninety (90) days after the Board concludes that the disability no longer exists. Each member whose benefits are terminated in accordance with this paragraph shall, regardless of the number of his years of Credited Service, thereafter be entitled to those benefits provided in the second paragraph of Section 3.

Disability annuity benefits shall be subject to the conditions set forth in Section 7.
Section 6 - Retirement And Disability Benefits

(a) For employees retiring by reason of age and service, pension benefits shall be calculated at a rate of two percent (2%) for the first twenty (20) years of credited service; three percent (3%) for each additional year of credited service after twenty (20) years. However, in no event shall the total amount of the pension benefit exceed a maximum of seventy percent (70%) of the employee’s average annual rate of pay averaged over those five (5) years of service producing the highest average. Such annuity shall be paid monthly at the rate of one-twelfth of the annual amount so determined. A minimum annual pension of two thousand dollars ($2,000.00) or seventy percent (70%) of the employee’s annual rate of pay at the time of his retirement, whichever is smaller, is hereby established for present and future annuities.

(b) For employees retiring by reason of disability arising out of and in the course of employment as defined in the Worker’s Compensation Act, the Retirement Board shall pay to each eligible member an annuity for life in an amount determined as two percent (2%) of the member’s average annual rate of pay averaged over those five (5) years of service producing the highest average, for each year (or fraction) of Credited Service; provided such annuity shall not exceed seventy percent (70%) of his average annual rate of pay averaged over those five (5) years of service producing the highest average. Such annuity shall be paid monthly at the rate of one-twelfth of the annual amount so determined. A minimum annual pension of two thousand dollars ($2,000.00) or seventy percent (70%) of the employee’s annual rate of pay at the time of his retirement, whichever is smaller, is hereby established for present and future annuities. This disability annuity benefit shall be subject to the conditions set forth in Section 7.

(c) For employees retiring by reason of disability arising after the completion of ten (10) years Credited Service which is not a result of any pre-existing medical condition at date of employment, provided such disability was not incurred as a result of any other gainful employment, the Retirement Board shall pay to each eligible member an annuity for life in an amount determined as two percent (2%) of the member’s average annual rate of pay averaged over those five (5) years of service producing the highest average, for each year (or fraction) of Credited Service; provided such annuity shall not exceed seventy percent (70%) of his average annual rate of pay averaged over those five (5) years of service producing the highest average. Such annuity shall be paid monthly at the rate of one-twelfth of the annual amount so determined. A minimum annual pension of two thousand dollars ($2,000.00) or seventy percent (70%) of the employee’s annual rate of pay at the time of his retirement, whichever is smaller, is hereby established for present and future annuities. Any pension payable by reason of such disability shall not be less than one-half of the member’s annual rate of pay at the time of disability. This disability annuity benefit shall be subject to the conditions set forth in Section 7.

(d) For employees retiring by reason of disability arising after completion of ten (10) years Credited Service which is a result of a pre-existing medical condition at the date of employment, provided such disability was not incurred as a result of any other gainful employment, the Retirement Board shall pay to each eligible member an annuity for life in an amount determined as two percent (2%) of the member’s average annual rate of pay averaged over those five (5) years of service producing the highest average, for each year (or fraction) of Credited Service; provided such annuity shall not exceed seventy percent (70%) of his average annual rate of pay averaged over those five (5) years of service producing the highest average. Such annuity shall be paid monthly at the rate of one-twelfth of the annual amount so determined. A minimum annual pension of two thousand dollars ($2,000.00) or seventy percent (70%) of the employee’s annual rate of pay at the time of his retirement, whichever is smaller, is hereby established for present and future annuities. This disability annuity benefit shall be subject to the conditions set forth in Section 7.

(e) Any elected official whose period in office expires or elected official or appointed official whose service is terminated involuntarily, not due to malfeasance or misfeasance in office, or who resigns after completion of ten (10) years of service and upon attainment of the age of forty five (45) shall subsequently receive, commencing upon the attainment of the age of sixty (60) or upon qualification for disability annuity
according to the provisions of this Article, an annuity for life equal to forty percent (40%) of his average annual rate of pay averaged over those five (5) years of service producing the highest average, plus two percent (2%) of such average annual rate of pay for each full year of service in excess of ten (10) years, provided such annuity shall not exceed seventy percent (70%) of his average annual rate of pay averaged over those five (5) years of service producing the highest average.

(f) Any member who is not eligible to receive a normal retirement or disability benefit under the provisions of this Section and who, after reaching the age of fifty five years and being a member of the Retirement Fund at the time, and after at least fifteen (15) years of Credited Service, is obligated to retire involuntarily from such service, which involuntary retirement is not due to malfeasance or misfeasance in office, shall receive an annual retirement benefit equal to forty percent (40%) of his average annual rate of pay averaged over those five (5) years of service producing the highest average, plus two percent (2%) of his average annual rate of pay averaged over those five (5) years of his service producing the highest average, for each full or fractional year of Credited Service in excess of fifteen (15) years but in no event more than fifty percent (50%) of his average annual rate of pay for said five (5) years of his service. This provision shall apply to any person retired on or after July 1, 1997, provided such person makes written application to the Retirement Board within one year after such involuntary retirement.

(g) Early retirement option: Any (i) active member, or (ii) conditional member having ten (10) or more years of Credited Service, or (iii) member whose disability benefits are terminated by reason of his recovery, may elect early retirement on any date which is ten (10) or fewer years prior to the date on which he would first become eligible for normal retirement as prescribed in subsections (a) or (b) of Section 4, or subsection (e) of this section, in the case of an active member; or would have become eligible for normal retirement as prescribed in subsection (a) of Section 4 in all other situations covered by this Section had he remained in the City’s employ. In such event his annuity, as determined by subsection (a) of this Section or Section 3, as the case may be, shall be reduced in amount by (i) two (2%) percent, or (ii) three and one-half percent (3.5%) for members with less than ten (10) years of service (including new hires) upon ratification by the Board of Aldermen, for each full year by which his early retirement date precedes the earliest eligibility date for normal retirement as prescribed in subsections (a) or (b) of Section 4, in the case of an active member, or subsection (a) of Section 4 in all other situations covered by this Section, with a further proportionate reduction for any fraction of a year.

Section 7 - Additional Conditions For All Disability Annuities

Any disability annuity which is approved by the Retirement Board shall be subject to adjustment on account of the member’s earnings from employment or self-employment of any kind, and his pension shall be discontinued unless he files with the Retirement Board annually before April 30th, a sworn statement of such earnings for the preceding calendar year as shown in his federal income tax return. The reduction in his disability annuity shall equal fifty (50%) percent of any excess of his earnings in the preceding calendar year over six thousand eight hundred dollars ($6,800.00), but in no event shall such reduction exceed the amount of disability annuity paid for the period during which such excess earnings were earned. Such deduction shall be spread evenly over twelve (12) months, starting with the payment due on April 30th. No such adjustments for earnings shall be made after the disabled member attains the age of sixty five. For any one of these members whose period of credited membership shall have commenced after his fortieth birthday, the amount payable as a disability annuity (before adjustment for earnings) shall be limited to a percentage of his annual rate of pay at the time of disability; this percentage is to be determined by multiplying two percent (2%) by the number of years of membership which he could have accumulated up to his sixty fifth birthday if he were able to continue his employment for the City until that date.
Section 8 - Survivorship Benefits

(a) Upon the death of a member who has participated in the Retirement Fund for a period of not less than six (6) months or who had been retired by reason of age and service, or by reason of disability, there shall be paid to or on account of his surviving child or children under eighteen years of age, and to his widow or widower, monthly benefits consistent with the following table:

In the event that payments are made pursuant to this Section to surviving children under eighteen years of age who are represented by more than one legal guardian, such payments shall be apportioned among such guardians in proportion to the number of children represented by each guardian, respectively.

(b) “Average Annual Pay” as used in computing survivorship benefits shall mean the average annual rate of pay received by the deceased member averaged over those five (5) years of service producing the highest average, or the duration of such service if less than five (5) years, subject to a maximum of sixteen thousand and eight hundred dollars ($16,800.00) for such average annual pay.

(c) Upon the death of a member who has completed ten (10) years of Credited Service for the City or who has qualified for a disability annuity or a retirement benefit by reason of age and service, a minimum
monthly benefit will be paid to his qualified survivors if greater than the amount determined from the benefit table above. Said minimum monthly benefit shall be equal to fifty percent (50%) of the amount of the monthly annuity to which the member would have been entitled if he had been permanently disabled on the date of his death, or fifty percent (50%) of the amount of his actual monthly annuity in the case of a member who has been receiving retirement or disability benefits from the Fund.

(d) In order to qualify for benefits under this Section a widow or widower must have been married to the deceased member at the time of his death and if such member had been retired due to age and service or disability must have been married to him at the time of retirement. Proof of dates of birth of the children must be submitted before payments of benefits under this Section.

(e) These benefits in Section 8 shall no longer apply should such widow or widower remarry. In such cases he/she shall receive only such benefits as are payable to his/her children alone.

(f) For any employee who dies while still employed, the widow benefit shall be calculated by treating said deceased employee as if they had retired on the date of death and then giving the widow or widower 50% of what the pension would have been.

Section 9 - Requirements For Participation

(a) Any person who becomes an eligible employee of the City shall be required to participate in the Retirement Fund; provided no person who becomes an eligible employee on or after his sixtieth (60) birthday may participate in the Retirement Fund.

(b) Each eligible employee shall, upon entering service, submit to such medical examinations as the Retirement Board shall by regulation or by law provide in order to determine whether the eligible employee is then permanently disabled from performing duties of the nature required by his job and for use by the Retirement Board in evaluating future claims for disability. In the event any such employee refuses to submit to any such medical examination he shall bear the burden of proving by clear and convincing evidence that he is entitled to a disability benefit.

Section 10 - Benefits For Periods Of Military Service

In determining benefits under Sections 6 and 7, credit shall be given for periods of military service in World War II, the Korean War or the Vietnam War subject to the following conditions: Any member who, after October 15, 1940, entered any branch of the armed forces of the United States or any service auxiliary thereto, or any civil emergency defense employment pursuant to requisition by the Federal or State Government, or any member who shall enter such services while the United States is at war, and who has been or shall be re-employed by the City within six (6) months after the termination of such military service, shall qualify for credit for his period of military service, provided he resumes his participation in the Retirement Fund, with an effective date antedating his entry into such service.

Section 11 - Preservation Of Benefits Paid Under Previous Acts

The provisions of this Article shall not affect the benefits already in course of payment in accordance with the provisions of previous acts.
Section 12 - Future Cost-Of-Living Adjustments

Annually on each July 1, the monthly payments on those service annuities, disability annuities and survivors benefits on which at least eighteen (18) monthly payments have been made will be increased, or decreased, for changes in the cost-of-living as indicated by the Federal Consumer Price Index, Urban Wage Earners and Clerical Workers, All Cities, (CPI-W). For this purpose the Retirement Board will determine an adjustment percentage for each July 1, by relating such index for the full calendar year prior to such July 1 to that for the next preceding full calendar year, but such adjustment percentage shall be limited to a maximum of one hundred three percent (103%) and to a minimum of ninety seven percent (97%); further, no adjustment will be made where increase or decrease for the year is less than one-quarter (1/4) of one percent. However, the monthly benefit originally provided for a retired member or for a survivor shall never be reduced because of the accumulative effect of all cost-of-living adjustments. Notwithstanding the foregoing, the adjustment percentage shall be limited to a maximum of 102% and a minimum of 98%, for any members (including new hires) who do not have at least twenty (20) years of service as of ratification of this Agreement by the Board of Aldermen; further, the maximum aggregate lifetime increase shall not exceed twenty percent (20%) for employees with fewer than twenty years of service (including new hires) as of ratification of this Agreement by the Board of Aldermen.

Upon retirement, a member may elect to forego the benefits provided by this Section in exchange for a buyout of all future cost of living adjustments (COLAs) at the rate of forty percent (40%) of the actuarial value of the benefits.

AMENDED MEMORANDUM OF UNDERSTANDING

The City of New Haven and Local 3144, AFSCME, AFL-CIO have met regarding the issue of an employee being temporarily assigned to a job outside of his/her current classification. The determination between whether an assignment would require either acting pay or a pay differential has been discussed and the following definitions have been discussed and agreed to by the parties:

Acting Pay:
An employee who is assigned to act “in the capacity of” someone in a higher classification shall receive either the salary of the position for which they are acting, or another sum to be negotiated between the appointing authority and the employee/union. The employee, in essence, abandons his or her position to assume the full-time duties and responsibilities of the acting position. All benefits (holiday pay, sick pay, etc.) are paid at the rate of the acting salary. Acting pay may only be conferred by the Mayor or requested by a Coordinator. In the case of a Coordinator requesting acting pay the request must be approved by Labor Relations and signed by both the Union and Labor Relations.

The only positions which a Coordinator may request Acting Pay are as follows:

Assessor
Registrar of Vital Statistics;
Tax Collector;
Director (head) of IT;
Sealer of Weights and Measures;
Purchasing Agent;
Payroll and Pension Supervisor;
Chief Accountant;
Deputy CAO.
**Differential Pay:**

An employee who temporarily assumes additional duties of another position, in addition to continuing their own duties and responsibilities, would receive a pay differential. The amount of the pay differential is dictated by the hourly rate and is outlined in the September 13, 2006 stipulation (attached hereto for reference). A pay differential request would be forwarded by the Department Head to Labor Relations for approval prior to implementation. The pay differential is paid only for hours actually worked, and any time off (vacation, holiday, sick pay) is paid at the employee’s regular salary.

Stipulation

WHEREAS, The current Workers’ Compensation program of the City of New Haven is administered by a moderate staff of supervisory, investigative and professional employees who are members of the Local 3144 bargaining unit; and

WHEREAS, The current Workers’ Compensation program of the City of New Haven has historically benefited from such contractors as Alexis, Incorporated who have traditionally provided this program with a claims administration computer system, the service of an on-site claims adjuster and with other miscellaneous support services; and

WHEREAS, The City of New Haven is now interested in entering into a contractual agreement with the Connecticut Interlocal Risk Management Agency (hereinafter referred to as “CIRMA”) to administer its Workers’ Compensation program; and

WHEREAS, The objective in entering into this contractual agreement with CIRMA is to restructure the total management of the City’s Workers’ Compensation program in order to better serve its employees and to reduce the annual claims cost through a comprehensive program of claims management, analytical review of claims data, managed care medical programs, loss prevention (safety & training) initiatives, legal and administrative support, and information management services; and

WHEREAS, It has been alleged that within the scope of services of said proposed contractual agreement, certain Local 3144 bargaining unit work (the supervisory, investigative and administrative functions of the City’s Workers’ Compensation program) had been included, and will be performed, by CIRMA; and

WHEREAS, It has also been alleged that such work (the supervisory, investigative and administrative functions of the City’s Workers’ Compensation program) has always been performed exclusively by Local 3144 bargaining unit members; and

WHEREAS, The City of New Haven has maintained throughout that certain supervisory, investigative and administrative functions within its Workers’ Compensation program have historically been shared with outside contractors and thus are not functions that have been exclusively performed by Local 3144 bargaining unit members; and

WHEREAS, In order to avoid lengthy and expensive litigation and in the spirit of harmonious labor-management cooperation, the parties have met, negotiated and reached a compromise on all outstanding controversies relating to the above described situation.

NOW, THEREFORE, It is hereby stipulated and agreed by the City of New Haven and Local 3144, Council 4, AFSCME, AFL-CIO as follows:
Effective May 1, 1996, Local 3144, Council 4, AFSCME, AFL-CIO (the “Union”) hereby consents and agrees to permit the Connecticut Interlocal Risk Management Agency (“CIRMA”) to perform the following Workers’ Compensation administrative services:

A. Claims Management: Provide claims management services for open claims and newly arising claims. Services will include investigations for compensability, second injury fund and third party recoveries; establishing claim reserves; payment of benefits; file management; and filing of appropriate claim-related forms and documents.

B. Managed Care: Provide full managed care services on newly arising claims; automated bill review on open claims; and limited case management on open claims, as determined by CIRMA after consultation with and approval by the City.

C. Loss Prevention, Safety and Training: Provide a comprehensive review of the City’s Workers’ Compensation liability exposure with recommendations for loss control measures to reduce the risk of loss. In addition, CIRMA will provide risk control consulting, training and education to include assistance with the design and implementation of safety and health programs.

D. Data Management: Provide and use a risk management information system to collect claims data and pay claims. The Contractor will provide the City with monthly reports including a check register, detailed loss runs and summary loss runs of activity during the reporting period.

E. Litigation Management: Manage and work with legal counsel to ensure full and appropriate representation of the City in the following matters: Appearance at selected informal hearings and all pre-formal and formal hearings on contested claims before the Workers’ Compensation Commission; prosecution of appeals, as well as other pertinent legal work for the defense of such claims; presentation of requests for settlements to the litigation settlement committee and preparation of stipulations.

The City of New Haven shall not use this particular agreement, in any manner, against the Union’s interest in the course of any future binding interest arbitration for any successor collective bargaining agreement or in any other forum, now and in the future, so that the Union will not be prejudiced, in any fashion, by having reached this particular agreement.

By entering into this particular agreement, it is understood that the City of New Haven does not waive, now and in the future, any and all claims it may have had that the supervisory, investigative and administrative functions of the City’s Workers’ Compensation program prior to this agreement was “shared work”. Conversely, it is also understood that the Union does not waive, now and in the future, any and all claims it may have had that such work, prior to this agreement, was their exclusive bargaining unit work under Article 1, Recognition of the current Local 3144 Collective Bargaining Agreement and/or its successor Agreement(s).

Furthermore, no Union employee presently working in the Workers’ Compensation Division of the Department of Finance shall be laid off while CIRMA continues to perform the Workers’ Compensation administrative services as outlined above.

1) Effective May 1, 1996, the Civil Service classification of Workers’ Compensation Adjuster in the Workers’ Compensation Division of the Department of Finance shall be permanently changed to the Civil Service classification of Workers’ Compensation coordinator within the same Division and Department. Such classification shall be within the Local 3144, Council 4, AFSCME, AFL-CIO bargaining unit and shall be assigned to the Range 10 salary
level. Appendix IV (Management Titles and Ranges) of the current Local 3144 Collective Bargaining Agreement shall be amended to reflect said classification and range.

2) Effective May 1, 1995, Daniel P. Roche shall be permanently placed in the Civil Service classification of Workers’ Compensation Coordinator and shall be paid at the Range 10, Step 5 level with an annual salary of $43,755 in accordance with the salary schedule as outlined in the updated Appendix II of the current Local 3144 Collective Bargaining Agreement. In lieu thereof, the three dollars ($3.00) per hour pay differential currently being paid to Daniel P. Roche for all hours actually worked in the higher classification of Workers’ Compensation Supervisor shall become null and void on April 30, 1996; said pay differential having already been incorporated in the above-stated annual salary of $43,755.

3) The Personnel Department and the Payroll Supervisor shall officially record the reclassification of Daniel P. Roche to the Civil Service classification of Workers’ Compensation Coordinator and the resulting raise in his annual salary.

4) The Personnel Department, in conjunction with the Controller of the Department of Finance, shall develop a job description for the new Civil Service classification of Workers’ Compensation Coordinator. It is understood that the duties, functions and responsibilities of the Workers’ Compensation Coordinator shall be comparable to other Local 3144 Range 10 employees in that it will be highly responsible administrative and supervisory work associated with the coordination, management and processing of the City’s Workers’ Compensation programs.

5) This Stipulation resolves, in its entirety, any and all controversies concerning the issue of having the Connecticut Interlocal Risk Management Agency (CIRMA) perform Workers’ Compensation administrative services for the City of New Haven, and any and all other municipal prohibitive practice complaints and/or grievances, pending or implied, regarding the same.

6) This Stipulation shall not set a precedent nor shall it constitute a past practice on either party due to the uniqueness of the circumstances as set forth above.

7) This Stipulation acts as a bar from any future proceedings in any other forum provided the terms set forth herein are met.

In witness whereof, the parties have caused their names to be signed on this 21 day of May, 1996.

MEMORANDUM OF UNDERSTANDING (REVISED)

WHEREAS, The City of New Haven (hereinafter the “City”) and Local 3144, Council 4, AFSCME, AFL-CIO (hereinafter the “Union”) are parties to a collective bargaining agreement;

WHEREAS, Local 884 has relinquished its representation of employees in the job classification of Lead 911 Operator/Dispatcher; and

WHEREAS, the parties have reached an agreement regarding the inclusion of said job classification (to be renamed Communications Supervisor) within the Local 3144 Bargaining Unit.

NOW, THEREFORE, The following shall apply:

1. The Union will have exclusive rights to collectively bargain on behalf of employees in the job classification of Communications Supervisor (the successor job title of Lead 911 Operator/Dispatcher). Upon ratification of this Memorandum of Understanding, such employees shall be subject to Article 3 of the collective bargaining agreement concerning the payment of union dues.

2. The Union agrees that it will allow members of Local 3144 assigned to Public Safety Communications to continue to perform dispatching and calltaking functions if and when the qualified members of Local 884 are unavailable or do not volunteer for such assignment. Given that a public safety call center exists to service the public and provide support to sworn personnel, the expectation is that phones will be answered and assistance will be provided by all qualified personnel, regardless of union affiliation or job description.

3. The Union approves the new job description for Communications Supervisor (attached).

4. The position of Communications Supervisor shall be placed in Range 6.

5. Incumbents in the job classification of Lead 911 Operator/Dispatcher shall be placed in the Communications Supervisor classification at Range 6 Step 10, with a corresponding annual salary of $60,462. Given that employees in Local 884 received a pay raise in September 2012, no member from Local 884 who is placed or promoted into this job classification will be eligible for any negotiated pay raise for Local 3144 members for any time period prior to fiscal year 2013-14.

6. The seniority of incumbents shall be their initial date of hire with the appropriate Public Safety agency (Police, Fire, Public Safety Communications), which is as follows:
Going forward, the seniority date for future hires in this job classification shall be the date of appointment as a Communications Supervisor, regardless of whether the person is hired from outside the City, from another City Department, or from within Public Safety Communications.

7. The work schedule for all employees in this classification shall be bid by seniority at the Director’s discretion twice per calendar year, or more frequently with the union’s permission. Employees shall work 3 shifts of twelve hours, followed by three days off, with the cycle resuming. The possible work hours of shifts shall be: 0600 – 1800 hours, 1800 – 0600 hours, 0700 – 1900 hours, 1900 – 0700 hours, 0800 – 2000 hours, 2000 – 0800 hours, 0900 – 2100 hours, 1000 – 2200 hours, 1100 to 2300 hours, 2100 – 0900 hours, 1200 – 0000 hours, and 1400 – 0200 hours. The primary function of these positions is to oversee the daily operations of the communications center.

8. The Director may also elect to include in the above bid one or more assignments where the hours of work shall be 0700 – 1500 hours, 0800 – 1600 hours, 0900 to 1700 hours, 1500 – 2300 hours, 1600 – 0000 hours, or 1700 – 0100 hours, and the employee works five consecutive days followed by two days off. The primary function of these positions is to handle administrative and/or training matters.

9. Employees who work outside the work hours of 7:00 a.m. to 6:00 p.m. shall be paid a shift differential of fifty cents per hour for such hours actually worked. However, there shall be no pyramiding of benefits (e.g. if the employee is being paid overtime, the employee would not also be entitled to the shift differential).

10. Employees shall not be entitled to overtime for hours worked in accordance with the schedules articulated in provisions 7 or 8. Whenever an employee in the job classification works hours beyond his/her normal work schedule, he shall be paid for such overtime work at the rate of one and one-half times his straight hourly rate. Mandated overtime is recognized as a normal requirement for employees in this job classification.

11. The assignment of overtime to employees in this job classification shall be consistent with the principle of distributing overtime as equitably as practicable among the bargaining unit employees holding the same job classification affected by the overtime assignment.

12. The regular work day shall include a meal break of one hour, which shall be a paid meal break. During this time, the employee may leave the communications center, unless legitimate operational reasons dictate otherwise. If the employee is required to remain in the communications center for legitimate operational reasons, he shall receive additional compensation for the meal break in the form of a meal allowance payment. Moreover, employees shall receive a meal allowance in accordance with Article 28 Section 5 of the agreement in instances where the employee volunteers for a second consecutive shift, is
ordered to work a second consecutive shift after the employee has reported to work, or has been ordered to work sixteen (16) consecutive hours.

13. Employees who previously accrued sick time in Local 884 will be covered under Article 8 of the collective bargaining agreement and will continue to accrue sick time, currently at the negotiated accrual rate of 10 hours per month. Employees who previously received a lump sum of sick time in Local 884 will be covered under Article 8A of the collective bargaining agreement and will continue to receive a lump sum, currently set at 56 hours per calendar year.

14. If an employee books off sick (for a full or partial shift), he shall not be entitled to compensation at an overtime rate for the equivalent number of hours worked beyond his normal work schedule. By way of example, an employee who uses four hours of sick time in a payroll period would be paid at his straight time rate as opposed to the overtime rate for the first hours worked beyond his normal work schedule in that payroll period.

15. The normal method of compensation for holidays shall be to receive the day off with pay. If the employee is required to work on the day of the holiday, the employee shall receive overtime at 1 ½ times their normal rate for hours worked on the holiday as well as straight time pay for the hours worked during the holiday. Employees not working the holiday will be compensated by receiving their regular rate of straight time pay the week of the holiday.

16. Employees in this job classification shall receive and utilize Vacation and Personal leave based on hours (not days). A day shall equal eight (8) hours, regardless of the length of the employee’s shift. Therefore, references in the collective bargaining agreement to days shall be converted to hours. For example, an employee who by seniority is entitled to four weeks of vacation shall receive 160 hours of vacation time. With respect to personal leave, incumbent employees shall not lose any accrued personal days accumulated during their tenure as employees in Local 884, even if this violates the provision in Article 23 of the collective bargaining agreement regarding the maximum accrual of personal days.

17. With regard to Bereavement Leave, references to days in Article 11 of the collective bargaining agreement will continue to apply, regardless of the number of hours of the employee’s regular work day/shift.

18. All employees in the job classification shall receive equivalent training and training opportunities as equitably as practicable. Employees who travel for training shall be reimbursed for mileage to and from the training site. The City shall provide or reimburse for training required to obtain and maintain Emergency Medical Dispatcher (EMD), State of Connecticut OSET Telecommunicator (TCM), COLLECT, NCIC, and CPR certification.

19. Employees shall receive pay at straight time rates for all hours spent in the training itself. Employees who work an eight hour shift shall not have to return to work his/her regularly scheduled shift where the training lasts at least six hours and shall receive his/her regular pay. Employees who work a twelve hour shift shall not have to return to work his/her regularly scheduled shift where the training lasts at least eight hours and shall receive his/her regular pay. Employees may continue to voluntarily avail themselves of any available overtime shift that falls outside the hours of training and their regular shift.
In witness whereof, the parties have caused their names to be signed this ___ day of March 2013.

RE: Job Posting Protocol
(Grievance Nos. 3144-10-27
And 3144-10-29)

August 12, 2013

SETTLEMENT AGREEMENT

WHEREAS, The City of New Haven and Local 3144, Council 4, AFSCME, AFL-CIO hereby agree to settle and resolve, in its entirety, the above-captioned complaints as follows, in the manner identical to those grievances settled in May 2013:

1. The City and Union acknowledge that new job descriptions and certain changes to existing job descriptions require approval by the Civil Service Board (CSB). Although preferable to submit job descriptions to the CSB after the City and Union have concluded their bargaining process and finalized the job description, the parties agree that the timing of CSB meetings or other factors may warrant submission to CSB out of sequence. As a consequence, if the CSB-approved job description is revised by the City and Union, it may need to go back to CSB;

2. The City shall forward to the Union President all new and revised job descriptions for positions in (or sought to be included in) the bargaining unit, regardless of whether the City believes any changes to a job description involve a mandatory subject of bargaining;

3. The parties agree that generally a period of two weeks is adequate for review of the job description and any requested bargaining over its terms. The parties recognize that at times the Union will require more time to engage in its due diligence efforts, in which case the Union shall so inform the Labor Relations Director or designee within the two week timeframe, and the Union shall be granted a reasonable time extension to engage in such efforts. Likewise, the parties recognize that at times the City may need to expedite the timeline, in which case, the Union will try to do its best to accommodate the City, where possible;

4. The City may post a (CSB-approved) job description after said two week period if the Union raises no objections to the terms of the job description or does not request to bargain over terms, unless a time extension is sought. (The City may post earlier than the two week period with the Union's authorization).

5. If the parties do not reach consensus over terms and the City posts the position, the Union retains its right to file a timely grievance.

6. The Union agrees to withdraw the above captioned grievances and accompanying SBMA cases 2011-A-774 and 2011-A-775;

7. Neither this settlement agreement nor the terms of this settlement agreement shall be used in any other matter or proceeding(s) other than to enforce the terms of this particular agreement; and

8. This settlement agreement represents a mutually complete, final and binding resolution in its entirety of any and all issues relating to this instant matter and shall act as a complete bar from any other
proceedings, pending or implied, in any other forum, provided the terms and conditions set forth herein are met.

MEMORANDUM OF UNDERSTANDING

The City of New Haven and Local 3144, AFSCME, AFL-CIO have met regarding some ambiguities in their April 16, 2008 Memorandum of Understanding as it pertains to Acting Pay and hereby enter into this Memorandum of Understanding to supplement that document and provide more clear direction going forward in interpreting the intentions of the parties.

- Acting pay refers to wages the employee receives while an active employee on the payroll. Unlike a pay differential, the employee earns the acting wage even while on a day off (holiday, sick, vacation, personal).

- Wages earned at a higher salary count for pension purposes insofar as the wages earned may constitute one of the five best years reviewed in calculating the employee’s average earnings.

- In the event that the employee were to retire while serving in an acting capacity, the employee would receive whatever payouts to which he or she would be entitled under the provisions of the collective bargaining agreement (such as sick or vacation accruals) at the higher acting pay rate.

- In terms of calculating pension, the reference in the May 23, 1991 Pension Benefits Stipulation to “last fiscal years budgeted salary” shall pertain to the employee’s last salary in the position which he or she last regularly permanently held, as opposed to the salary of the position in which he or she is temporarily acting.

- The parties agree that if a bargaining unit member continues to serve in an acting capacity for more than fifteen (15) months that the parties will meet to negotiate mandatory subjects of bargaining concerning employment, such as wages, impact on pension calculation, ability to return to the bargaining unit, and any other matter that may constitute a mandatory subject of bargaining.

- The City shall reimburse Local 3144 for union dues lost commencing after six months if the bargaining unit member remains in an acting capacity and his/her bargaining unit position is not filled.

In witness whereof, the parties have caused their names to be signed on this 4th day of November 2013.

RE: Longevity Pay

February 3, 2014

SETTLEMENT AGREEMENT

WHEREAS, The City of New Haven and the Management and Professional Management Union, Local 3144, Council 4, AFSCME, AFL-CIO are Parties to a Collective Bargaining Agreement:

WHEREAS, The Parties on December 13, 2011 amended the April 16, 2008 Memorandum of Understanding concerning Acting Pay by including the position of Assessor among the positions for which Acting Pay may be requested;

WHEREAS, The language of said MOU is ambiguous as to whether longevity pay constitutes a benefit of the acting position now that the benefit is no longer enjoyed by employees in executive management; and

WHEREAS, The parties have reviewed the matter and have decided to enter into this settlement agreement as a full and final resolution to the matter and to resolve any ambiguity to avoid similar issues going forward.

NOW, THEREFORE, The City of New Haven and the Management and Professional Management Union, Local 3144, Council 4, AFSCME, AFL-CIO hereby agree to the following as full and final settlement of the above captioned matter:

1. A bargaining unit member who accepts a temporary acting appointment to executive management shall not be entitled to receive and/or be eligible for longevity pay while they serve in the executive management position, unless the parties negotiate the applicability of longevity pay, retroactively and/or prospectively.

2. Any service in an executive management position shall count as "continuous service" as defined in Article 13 Section 1 of the collective bargaining agreement. Therefore, at such time as the employee returns to a position in the bargaining unit, the employee would be entitled to receive/resume the benefit of longevity pay.

3. The parties agree to compensate Alexander Pullen with longevity pay equivalent to 0.50% (one half of one percent) of his earnings for the time period between June 1, 2012 and December 31, 2013. Mr. Pullen shall not be entitled to longevity pay for calendar year 2014 (paid in January 2015) unless he returns to a position in the bargaining unit in 2014.

In witness whereof, the parties have caused their names to be signed on this ___ day of February 2014.

RE: Vehicle Use Policy (IRS Deduction)

December 12, 2014

STIPULATION

WHEREAS, the City of New Haven and Local 3144, AFSCME, AFL-CIO are parties to a Collective Bargaining Agreement which defines the wages, hours of work and other conditions of employment for those employees who occupy recognized bargaining unit classifications within said Local 3144; and

WHEREAS, it has been determined that the City’s Vehicle Use Policy needs to be revised to comply with regulations of the Internal Revenue Service (“IRS”) and other laws applicable to driving privileges and to account for City staffing and other administrative changes; and

WHEREAS, such revision may impact current and future members of these bargaining units who would be classified as Non-Control employees under IRS regulations; and

WHEREAS, the parties hereto agree that while the revisions to the City’s Vehicle Use Policy are being prepared, the IRS compliance revisions, as set forth herein, will be effective as of January 1, 2015;

NOW, THEREFORE, it is hereby stipulated to and agreed by the City of New Haven and Local 3144, AFSCME, AFL-CIO as follows:

A Department Head, upon approval from the Chief Administrative Officer, may assign a City Vehicle to an employee for exclusive use when such employee may need to respond, at any time, to work related appointments and emergencies. These employees have 24-hour use of their assigned vehicles and may garag them at their residences overnight due to the duties of their positions. Notwithstanding anything in the City’s Vehicle Use Policy to the contrary, effective January 1, 2015, any employee with an assigned exclusive use vehicle shall comply with the rules established by the United States Internal Revenue Service as follows:

Non-Control Employees’ personal use of City Vehicles shall be limited to roundtrip commuting between such Non-Control Employees’ residence and place of work and for occasional, brief personal use stops during such commute. Unless Exempt, each such employee will be assessed a daily rate for his/her round trip commute per the IRS “Commuting Rule” as more particularly described in Treasury Regulation § 1.61-21(f) (the current daily rate is $3.00). The assessment shall be calculated on the basis of 365 days per year less weekend days (104), less holidays (12), vacation days (15) and sick days (7) for a total of 227 work days. Annual work days will be multiplied by the current IRS Commuting Rule assessment. The result will be divided by 52 weeks and will be automatically deducted from the employee's weekly paycheck to reimburse the City for such personal use of the City Vehicle. Further, such employees shall maintain accurate records of their use of the vehicle including, at minimum, the locations travelled to and the amount of mileage used each day. Without limiting the generality of the foregoing, any personal use (as limited herein) shall be recorded and maintained by such employee. The City
reserves the right to randomly audit such records at any time at the City's sole discretion and further reserves the right to require any Non-Control Employee to certify in writing such Non-Control Employee's understanding of all of the foregoing.

The Labor Relations Director or Chief Administrative Officer shall have the authority to stop the payroll deduction after a bargaining unit member has been out of work after thirty (30) calendar days due to illness or injury.

This stipulation supersedes any prior stipulations pertaining to assignment of city vehicles and reimbursement for personal use including commuting mileage.

In witness whereof, the parties have caused their names to be signed on this 12th day of December 2014.

Matrix - Local 3144 New Plans 7-1-18 Final 3-16-18
Under the Health Incentive Plan (HIP) the member will be required to:

1. Designate a PCP, each covered individual will have to identify a doctor as their personal physician with Anthem.

2. Have the recommended preventative screenings and/or physical examination with a physician as is age and gender appropriate
   - Annual Biometric screenings, BMI, glucose, blood pressure & cholesterol (for most members this is part of the annual physical)
   - Cervical cancer screening for females over 21 every 3 years
   - Baseline mammogram for females over 40
   - Baseline colonoscopy for all after 50
   - Prostate screening for males over 50
   - At least one routine dental checkup and cleaning annually

3. Chronic Health Compliance – members who have been identified with certain chronic health conditions must participate in the ConditionCare Disease Management program. Compliance is based solely on participation, for example, does the member take the phone call from the nurse case manager who will monitor medication usage and the like. It is not based on any clinical outcome. More particularly, members are identified based on clinical data by Anthem, and then they are contacted by a case manager from Anthem, who reviews their treatment and medication, etc. to help insure they are managing their condition properly. Please note that ConditionCare is already part of your plan today. Members with these diseases are already being contacted. All the HIP does is require them to take the phone call and interact with the case manager and not ignore the call as happens today.

Tracking Compliance – Compliance will be tracked on a calendar year basis, then it will take several months to contact those not in compliance before instituting the penalty payment the following July 1st. It will work as follows:

Assuming this contract is settled and effective July 1, 2018, the City would not actually begin tracking HIP compliance until calendar year 2019. The City will receive data from Anthem in February of 2020 for the previous calendar year and contact all those not in compliance. They would then have until June to get in compliance or furnish documentation that they were already in compliance. Those that do not would begin paying the additional monthly medical deduction in July of 2020. They will pay that additional fee for each month they remain non-compliant; as soon as they are in compliance, however, the additional fee will be removed.
The penalty will be an additional monthly charge for medical of Single $50, Two Person $75 and Family $100. It does not matter how many items you are in non-compliance on, one or more, the penalty is the same. The member can appeal the penalty. More importantly, they will have to have been notified several times in writing prior to any penalty being implemented. The City will review for compliance annually on a calendar year basis. Any penalties will not be assessed until the following July 1st.

No member will ever be fined for following the advice of their doctor. The ConditionCare program and the nurse case manager are only involved to reinforce what the doctor is advising, not replace it.
Appendix X

QUALIFYING EVENTS RESULTING IN A CHANGE TO MEDICAL BENEFIT COVERAGE

Employees who desire to make changes to their medical benefit coverage (type of coverage chosen, plan chosen, etc.) may only do so each year during the City’s open enrollment period. However, under certain circumstances (“qualifying events”), changes in coverage may be made at the time of the event. These qualifying events are as follows:

1. Marriage
2. Birth of a child
3. Adoption of a child
4. Assumption of legal guardianship or court-ordered custody
5. New step children
6. Loss of coverage from another insurance carrier, due to loss of employment, etc.

The employee must submit a new application and supporting documentation to the Human Resources Department within 31 days of the Qualifying Event in order to process the changes to the employee’s medical benefits. If the application and supporting documentation is not received within the 31 days of the qualifying event, the employee must wait until the next open enrollment to make the change.

Examples of acceptable supporting documentation include:

1. Marriage: Copy of marriage certificate;
2. Birth of a child: Copy of birth certificate (the long form that identifies the parents);
3. Adoption: Copy of adoption certificate;
4. Assumption of legal guardianship or court-ordered custody: Copy of legal guardianship or court-ordered custody paperwork;
5. New step children: Copy of marriage certificate and copy of birth certificate (the long form that identifies the parents);
6. Loss of coverage from another insurance carrier, due to loss of employment, etc.: Letter or document from previous employer or insurer indicating date of and reason for the loss of coverage. A COBRA letter indicating loss of coverage is an acceptable document as long as it indicates the reason for coverage loss.

The information contained in this Appendix X is in compliance with and pursuant to federal law. Should there be any change in federal law that results in a conflict with the terms outlined herein, the law shall prevail.
