Lumenos HSA Plan Summary

The Lumenos® HSA plan is designed to empower you to take control of your health, as well as the dollars you spend on your healthcare. This plan gives you the benefits you would receive from a typical health plan, plus healthcare dollars to spend your way. And you’ll have access to personalized services and online tools to help you reach your health potential.

**Your Lumenos HSA Plan**

**First -- Use your HSA to pay for covered services:**

**Health Savings Account**
With the Lumenos Health Savings Account (HSA), you can contribute pre-tax dollars to your HSA account. Others may also contribute dollars to your account. You can use these dollars to help meet your annual deductible responsibility. Unused dollars can be saved or invested and accumulate through retirement.

**Contributions to Your HSA**
For 2015, contributions can be made to your HSA up to the following:
- $3,500 individual coverage
- $6,500 family coverage

Note: These limits apply to all combined contributions from any source including HSA dollars from incentives.

**Earn More Money for Your Account**
What’s special about your Lumenos HSA plan is that you may earn additional funds for your health account through the Healthy Rewards incentive program.

To receive funds earned through the Healthy Rewards program, you must have an open HSA with Medco Bank or with another bank through which your employer is sponsoring your HSA.

**Earn Rewards**
If you do this:
- Future Moms for participation and completion
- Healthy Lifestyles for online participation
- ConditionCare participation and completion.

You can earn:
- Up to $200
- Up to $150
- Up to $300

Some eligibility requirements apply. See page 2 for program descriptions.

**Plus -- To help you stay healthy, use:**

**Preventive Care**
100% coverage for nationally recommended services. Included are the preventive care services that meet the requirements of federal and state law, including certain screenings, immunizations and physician visits.

**Preventive Care**
No deductions from the HSA or out-of-pocket costs for you as long as you receive your preventive care from an in-network provider. If you choose to go to an out-of-network provider, your deductible or Traditional Health Coverage benefits will apply.

**Then --**

**Your Bridge Responsibility**
The Bridge is an amount you pay out of your pocket until you meet your annual deductible responsibility. Your bridge amount will vary depending on how many of your HSA dollars, if any, you choose to spend to help meet your annual deductible responsibility. If you contribute HSA dollars up to the amount of your deductible and use them, your Bridge will equal $0.

HSA dollars spent on covered services plus your Bridge responsibility add up to your annual deductible responsibility.

**Health Account + Bridge = Deductible**

**If Needed --**

**Traditional Health Coverage**
Your Traditional Health Coverage begins after you have met your Bridge responsibility.

**Traditional Health Coverage**
After your bridge, the plan pays:
- 100% for in-network providers
- 80% for out-of-network providers

**Annual Out-of-Pocket Maximum**

**In-Network Providers**
- $3,000 individual coverage
- $5,000 family coverage

**Out-of-Network Providers**
- $4,000 individual coverage
- $8,000 family coverage

Your annual out-of-pocket maximum consists of funds you spend from your HSA, your Bridge responsibility and your coinsurance amounts.

Your employer will provide you with additional health care dollars in your HSA for the following:

Future Moms: Individualized obstetric support for expectant high-risk and non-high-risk mothers. Members can earn up to $200 Future Mom's incentive. This includes three milestones: $100 initial enrollment, $50 interim, and $50 postpartum; timing and rules apply.

Healthy Lifestyles Online: Each adult family member can earn up to $150 each year. Members earn a $50 incentive at each 3,000, 5,000, and 10,000 point milestone. Your employees can quickly achieve their first milestone of 3,000 points by completing the Well-Being Assessment and setting up their Well-Being Plan.

Enroll in ConditionCare: (Incentive $100) Disease management for prevalent, high-cost conditions (asthma, diabetes, chronic obstructive pulmonary disease, coronary artery disease and heart failure). Each family member can get one incentive per year. In the first year and later years, members must stay qualified to enroll and earn incentives. Members who have more than one health problem will enroll in one combined program — not separate ones for each condition.

Graduate from ConditionCare: (Incentive $200) There's no limit to the number of family members that can graduate and earn the incentive. Each family member can earn one credit per year. In the first year and later years, members must stay qualified to enroll, graduate and earn incentives. Members who have more than one health problem will graduate from one combined program — not separate ones for each condition.

To receive funds earned through Healthy Rewards, you must have an open HSA with MetLife Bank or with another bank through which your employer is sponsoring your HSA.

How To Use 3-Tier Managed Rx

3-Tier Managed Rx has three different levels (or "tiers") of copayments, depending on the type of prescription drug you purchase (see the chart below for details). Your copayments will be lower when you use generic or brand-name medications that are on our list of preferred prescription drugs. The medications on this list are selected for their quality, safety and cost-effectiveness. You’ll still have coverage brand-name drugs that are not on the list, but your copayment will be higher.

Talk to your provider about using generic drugs or listed brand-name drugs. It’s a simple way to save out-of-pocket expenses.

Copayments and Day Supplies

- You will be responsible for **one** copayment when purchasing a (34-day supply/100 Unit Dose) of prescription drugs from a retail pharmacy.
- You’ll be responsible for:

  **One copayment** will apply when purchasing a **35-day to 100-day supply** of maintenance drugs through the voluntary mail-service program or retail pharmacy (see chart for details).

Generic Substitution
Prescriptions will be filled with the generic equivalent when there is one available. Exception: If your doctor indicates “Dispense as Written.” In this case you will receive the brand-name drug—and you will be responsible for the applicable listed brand or non-listed brand copayment. NOTE: If your doctor does not indicate “Dispense as Written,” you will be responsible for the applicable listed brand or non-listed brand-name copayment as well as the difference in cost between the generic and listed brand or non-listed brand name drug.

Voluntary Mail-Service Program
Express Scripts Rx, our voluntary mail-service drug program, can save you time and expense if you regularly take one or more types of maintenance drugs. You can order up to a 100-day supply of these medications and have them delivered directly to your home.

One mail-service copayment will apply.

National Pharmacy Network
Members also have access to a network of more than 53,000 retail pharmacies throughout the country. Members may call 1-888-207-4214 to locate a participating pharmacy when traveling outside the state.

Non-Participating Pharmacies
Members who fill prescriptions at a non-participating pharmacy are responsible for payment at the time the prescription is filled. Members must submit claims to Anthem Blue Cross and Blue Shield for reimbursement, and payment will be sent to the member. Members who use non-participating pharmacies will pay 20% of the in-network allowance, plus the difference between Anthem Blue Cross and Blue Shield’s payment and the pharmacist’s actual charge.

Limits and Exclusions
Benefits are limited to no more than a (34-day supply/100 Unit Dose) for covered drugs purchased at a retail pharmacy, and no more than a 100-day supply for covered drugs purchased by mail service. You may obtain a 100 day supply of maintenance medication through retail pharmacy. All prescriptions are subject to the quantity limitations imposed by state and federal statutes.

Benefits for prescription birth control and Sexual Dysfunction medications are optional for groups such as yours. Check with your benefits administrator to find out whether or not you have such benefits.

This is not a legal contract. It is only a general description of the Managed Rx, 3 Tier version. Please consult the Evidence of Coverage or prescription drug rider for a complete description of benefits and exclusions applicable to your coverage.
