This Agreement is made and entered into by and between the Sterling Board of Education (hereinafter referred to as the "Board") and the Sterling Education Association (hereinafter referred to as the "Association"), affiliated with the Connecticut Education Association.

ARTICLE 1

PREAMBLE

A. This Agreement is negotiated under Section 10-153b thru 10-153f of the General Statutes of the State of Connecticut, as amended, in order (a) to fix for its term the salaries and all other conditions of employment provided herein and (b) to encourage and abet effective and harmonious working relationships between the Board and the professional staff in order that the cause of public education may be best served.

B. The Board and the Association recognize the importance of responsible participation by the entire professional staff in the educational process, planning, development and growth. To this end they agree to maintain communication to inform about programs, to guide in development and to assist in planning and growth either by committee, individual consultation, or designated representatives.

ARTICLE 2

RECOGNITION

A. The Board hereby recognizes the Association as the conclusive representative, as defined in the Teacher Negotiations Act, Connecticut General Statutes Section §10-153a, et seq., as amended from time to time, for the entire unit of certificated professional, and/or a durational shortage area permit, employees of the Board below the rank of Principal other than temporary substitutes.

B. Unless otherwise indicated, the term "teacher", when used hereinafter in this Agreement, shall refer to all employees in the above unit.

C. Durational Shortage Area Permit (DSAP)

1. Teachers holding a DSAP shall be covered by all the terms and conditions of the collective bargaining Agreement, except:

(a) Article 12 (Vacancies and Transfers);
(b) Article 18 (Retirement/Severance Pay);
(c) Article 19 (Leaves of Absence), Sections B, D, E, G, I, J, and K;
(d) Article 22 (Teaching Assignments);
(e) Article 34 (Reduction of Professional Staff); and
(f) Article 37 (Longevity).

2. A DSAP holder shall not accrue seniority or length of service for any purpose in the Sterling Public School System. Notwithstanding the foregoing, if a DSAP holder becomes certified as a teacher and is retained by the Board as an employee after receiving such certification, then the individual shall be credited with seniority and length of service for all purposes under this Agreement, retroactive to the first date of hire by the Board.

3. The Board shall have the right not to renew and/or to terminate the employment of a DSAP holder and the DSAP holder shall have no right to file and/or pursue a grievance under this Agreement with respect to such action.

D. Substitute Teachers

1. A “long term substitute teacher” shall be defined as a certified teacher employed to fill temporarily a position held by a member of the bargaining unit while that member is absent from work, and who has been employed for forty (40) consecutive days or more, but less than an entire school year.

2. After forty (40) consecutive school days, long term substitute teachers shall be placed on BA Step 1 of the salary schedule and entitled to sick and personal leave, on a pro-rata basis, as set forth in this Agreement for the duration of the assignment, but otherwise shall not be covered by the terms and conditions of this Agreement.

ARTICLE 3
BOARD PREROGATIVES

It is recognized that the Board has and will continue to retain, whether exercised or not, the sole right, responsibility and prerogative to direct the operation of the public schools in the town of Sterling in all its aspects, including but not limited to the following: To employ, assign and transfer teachers; to exercise those powers specified in Sections 10-220, 10-221, and 10-222 of the Connecticut General Statutes; to suspend or dismiss employees of the schools in the manner provided by statutes; to prepare and submit budgets to the Board of Finance, and in its sole discretion, expend monies appropriated in the budget as it shall deem desirable; to establish or continue policies, practices and procedures for the conduct of school business and, from time to time, to change or abolish such policies, practices and procedures; to discontinue processes or operations or discontinue their performance by employees; to select and determine the number and types of employees required to perform school operations; to establish contracts or subcontracts for school operations; and to determine the care, maintenance and operation of equipment and property used for and on behalf of the purposes of the school district.
ARTICLE 4
PROFESSIONAL NEGOTIATIONS

A. The Board agrees to negotiate in good faith with the Association pursuant to Section 10-153b through 10-153f of the General Statutes, as amended in accordance with the procedure set forth herein, to secure a successor Agreement relative to all matters concerning salaries and all other conditions of employment. The Agreement, so negotiated, shall bind and inure to the benefit of the Board and all members of the unit and shall be reduced to writing and signed by the Board and the Association.

B. During negotiations, the Board and the Association shall exchange relevant data, points of view and proposals and counterproposals with respect to salaries and any other conditions of employment about which either party wishes to negotiate. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.

ARTICLE 5
DURATION

The provisions of the Agreement shall be effective as of July 1, 2016, and shall continue and remain in full force and effect to and including June 30, 2019.

ARTICLE 6
ZIPPER CLAUSE

This Agreement contains the full and complete agreement between the Board and Association on all negotiable issues. The parties may mutually agree to negotiate during the term of this Agreement or shall negotiate if ordered to do so by an authority of competent jurisdiction.

ARTICLE 7
AMENDMENT

This Agreement shall not be altered, amended or changed except in writing, signed by both the Board and the Association, which amendment shall be appended hereto and become a part hereof.

ARTICLE 8
SEVERABILITY

In the event that any provision or portion of this Agreement is ultimately ruled invalid for any reason by an authority of established and competent legal jurisdiction, such provision or portion shall be
severed from this Agreement, and the balance and remainder of this Agreement shall remain in full force and effect.

ARTICLE 9
JUST CAUSE

No teacher shall be denied an increment, given a written reprimand, or suspended without just cause.

ARTICLE 10
GRIEVANCE PROCEDURE

A. Purpose

The purpose of the following grievance procedure is to settle equitably, at the lowest possible administrative level, issues which may arise from time to time with respect to the salaries, hours and working conditions of teachers provided for in this Agreement. Both parties agree that the proceedings under this Article shall be kept as confidential as is appropriate. Termination or non-renewal of contract, covered under the Teacher Tenure Act, Connecticut General Statutes §10-151, as amended from time to time, is not subject to the grievance arbitration provisions of this Agreement.

B. Definitions

1. "Grievance" shall mean a complaint by a teacher or a group of teachers that, as to him/her or them, there has been a violation, misinterpretation or misapplication of a specific provision of this Agreement.

2. "Teacher" shall mean any person who is included in the bargaining unit as defined in Article 2.

3. "Party in interest" shall mean the person or persons making the claim, including their designated representative as provided for herein, any person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.

4. "Days" shall mean days when school is in session, except that during the summer, days shall mean business days.

C. Time Limits

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each step shall be considered as a maximum. The time limits may, however, be extended by written agreement of the parties in interest.
2. If a teacher does not file a grievance in writing within fifteen (15) days after he/she knew, or should have known of the act or conditions on which the grievance is based, then the grievance shall be considered to have been waived.

3. Failure by the aggrieved teacher at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

D. Informal Procedure

1. If a teacher feels that he/she may have a grievance, he/she may first discuss the matter with his/her Principal or other appropriate administrator in an effort to resolve the problem informally.

2. If the teacher is not satisfied with such disposition of the matter, he/she shall have the right to have the Association assist him/her in further efforts to resolve the problem informally with the Principal or other appropriate administrator.

E. Formal Procedure

1. Level One -- School Principal

   (a) If an aggrieved teacher is not satisfied with the outcome of the informal procedures or if he/she has elected not to utilize such procedures, he/she may, within the time period referred to in Section C.2 above, present his/her claim as a written grievance to his/her Principal or other appropriate administrator.

   (b) The Principal shall, within five (5) days after receipt of the written grievance, render his/her decision and the reasons therefore in writing to the aggrieved teacher, with a copy to the Association.

2. Level Two -- Superintendent of Schools

   (a) If the aggrieved teacher is not satisfied with the disposition of his/her grievance at Level One, he/she may, within three (3) days after the decision, or within eight (8) days after his/her formal presentation, file his/her written grievance with the Association for referral to the Superintendent of Schools.

   (b) The Association shall within five (5) days after receipt refer the grievance to the Superintendent but, prior to so doing, the Association shall provide an opportunity for the aggrieved teacher to meet with the appropriate Association committee to review the grievance.

   (c) The Superintendent shall, within ten (10) days after receipt of the referral, meet with
the aggrieved teacher and with representatives of the Association for the purpose of resolving the grievance. A full and accurate record of such hearing shall be kept by the Superintendent on a specified form and made available to any party in interest upon written request.

(d) The Superintendent shall, within five (5) days after the hearing, render his/her decision and the reasons therefore in writing to the aggrieved teacher with a copy to the Association.

3. **Level Three -- Board of Education**

(a) If the aggrieved teacher is not satisfied with the disposition of his/her grievance at Level Two, he/she may, within three (3) days after the decision, or within six (6) days after the hearing, file the grievance again with the Association for appeal to the Board of Education.

(b) The Association shall, within three (3) days after receipt, refer the appeal to the Board of Education.

(c) The Board of Education shall, no later than ten (10) days after receipt of the appeal, meet with the aggrieved teacher and with the representatives of the Association for the purpose of resolving the grievance. A full and accurate record of such hearings shall be kept by the Superintendent and made available to any party of interest upon written request.

(d) The Board shall, within three (3) days after such meeting, render its decision and the reasons therefore in writing to the aggrieved teacher with a copy to the Association.

4. **Level Four -- Arbitration**

(a) If the Association is not satisfied with the disposition of the grievance at Level Three, it may, within eight (8) days after the decision by the Board, or within ten (10) days after the Board meeting, in writing submit the grievance to the American Arbitration Association for arbitration in accordance with their administrative procedures, practices and rules, with a copy to the Board.

(b) The Arbitrator selected shall confer promptly with representatives of the Board and the Association, shall review the record of prior hearings and shall hold such further hearings with the aggrieved teacher and other parties in interest as he/she shall deem requisite.

(c) The Arbitrator shall hear and decide only one (1) grievance in each case. He/she shall be bound by and must comply with all of the terms of this Agreement. He/she shall have no power to add to, delete from, or modify in any way any of the provisions of this Agreement.
(d) The Arbitrator shall render his/her decision, thirty (30) days after the closing of the hearing, in writing to all parties in interest, setting forth his/her findings of fact, reasoning and conclusions on the issues submitted. The decision of the Arbitrator shall be final and binding upon all parties in interest.

(e) The costs for the services of the Arbitrator shall be borne equally by the Board and the Association.

F. Rights of Teachers to Representation

1. No reprisals of any kind shall be taken by either party or by any member of the Administration against any participant in the grievance procedure by reason of such participation.

2. Any party in interest may be represented at Levels Two and Three of the formal grievance procedure by a person of his/her own choosing, except that he/she may not be represented by a representative or by an officer of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the procedure.

3. The Association may, if it so desires, call upon the professional services of the Connecticut Education Association for consultation and assistance at any stage of the procedure.

G. Miscellaneous

1. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

2. Forms for filing and processing grievances and other necessary documents shall be prepared by the Superintendent, with the approval of the Association and made available through the Association so as to facilitate operation of the grievance procedure.

3. If the Board and the Association agree that a grievance should be submitted directly to Level Two of the grievance procedure, the SEA President may submit each grievance in writing to the Superintendent directly and the processing of such grievance shall commence at Level Two. The processing of a grievance directly to Level Two shall also apply if it is reasonable to believe that the grievance cannot properly be adjudicated at Level One.

ARTICLE 11
STAFF SALARIES

A. The salaries of all teachers covered by this Agreement are set forth in Appendix A, which is attached hereto and made a part hereof.
B. The salaries of all teachers who perform additional duties covered by this Agreement under "Additional Salary Schedules" are set forth in Appendix B, which is attached hereto and made a part hereof.

ARTICLE 12
VACANCIES AND TRANSFERS

A. Positions as used in this Section mean any position which pays a salary differential and/or involves an additional or higher level of responsibility, or is listed in Appendices A and/or B of this Agreement.

B. Vacancies of positions which are caused by death, retirement, discharge, resignation, or by the creation of a new position shall be filled pursuant to the following procedures:

   1. The existence of vacancies of position shall be adequately publicized, both within and outside the system, including a notice at Sterling Community School (by posting or otherwise) as far in advance of the date of filling such vacancy as possible (at least five [5] days in advance). Where need to fill a vacancy arises during the summer months, electronic notification shall be made to all qualified personnel who have previously made known in writing their interest to the Superintendent, and to the Association President.

   2. Said notice of vacancy of position within the bargaining unit shall clearly set forth the job description and qualifications for the position.

   3. Teachers who desire to apply for such vacancies of position shall file their applications in writing with the Superintendent within the time limit specified in the notice.

   4. Such vacant positions shall be filled by the best qualified applicant on the basis of certification and qualification for the vacant position provided, however, that where two (2) or more applicants are equally qualified, the applicant with the greatest amount of seniority in the system shall be given preference. Qualifications shall mean evaluations and/or recommendations, previous related experience, specialized relevant training, and meeting the specifications for the position as posted.

   5. In accordance with law, all appointments to such vacant positions shall be made without regard to age, race, creed, color, religion, nationality, sex, marital status, sexual orientation, disability or gender identity or expression. This paragraph shall not be subject to the grievance procedure.

ARTICLE 13
PAYROLL SCHEDULE

A. Upon signing of a teacher's contract, each teacher shall have the option of the following payroll schedules:
1. Payment of salary shall be made in twenty-six (26) equal bi-weekly payments to be made over twenty-one (21) pay periods during the school calendar year, with a balloon check equal to five (5) pay periods to be made on the last day of school in June. At the option of the teacher, he/she may request twenty-six (26) equal bi-weekly payments on a twelve (12) month basis.

2. Payment of the teacher’s salary to be made in twenty-one (21) equal bi-weekly installments during the school calendar year.

3. Election of a payment option shall be made by each teacher no later than May 1st. If a teacher is hired after May 1st, such selection shall be made upon hire.

B. All salary payments shall be paid by electronic direct deposit to a qualified financial institution of the teacher’s choice.

ARTICLE 14
DEGREE DEFINITIONS

A. The Salary Schedules listed in Appendix A of the Agreement shall be interpreted and applied in accordance with the following definitions:

1. Bachelor: A baccalaureate degree earned at an accredited college or university.

2. Master: A master's degree earned at an accredited college or university.

3. Sixth Year: A second master's degree in a discipline other than the discipline in which the initial master's degree was attained, or a sixth year certificate.

B. In order to receive credit for lateral advancement on the salary schedule, the accredited college or university must be one for which the Connecticut State Department of Education will recognize for certification purposes.

ARTICLE 15
PLACEMENT ON THE SALARY SCHEDULE

A. All teachers shall be placed on the appropriate step in the salary schedule, taking into consideration the following:

1. Degree status as defined under Article 14 of the Agreement.

2. Full credit for previous teaching experience in public, private, and military dependency schools, provided that such experience shall have been continuous service of at least one-half (½) of any school year. Intermittent or short-term substitute service will not be credited as previous teaching experience.
3. No new teacher entering the employment of the Board shall be placed on a step on the salary schedule higher than a teacher already in the school system with the same academic preparation and teaching experience. Notwithstanding the foregoing, the Superintendent may grant salary credit on the salary schedule for up to two (2) steps higher for a new teacher entering the school system to fill a position in a state shortage area as designated by the State Department of Education on an annual basis.

B. For years for which step movement is negotiated, there shall be no step movement unless the teacher worked more than ninety-one (91) days in the preceding school year. Approved leaves of absence shall not count towards the ninety-one (91) days.

ARTICLE 16
EXTRA PAY FOR EXTRA DUTY

A. Extra duty for which extra compensation shall be paid and the amounts of such compensation are set forth in Appendix B, which is attached hereto and made a part of this Agreement. Extra duty assignments are described in Appendix B, and describe extra work beyond the normally scheduled teacher work day. All extra-curricular activities shall be approved by the Board of Education through the administration. All participation in extra-curricular activities shall be voluntary.

B. Designation of the teachers assigned for the activities listed in Appendix B, shall be determined on an annual basis by the administration.

C. Mentor Teacher

1. Any teacher who has successfully completed mentor training through an approved State Department of Education “Mentor Training Program” and who thereafter accepts an assignment to serve as a mentor for a new teacher under the TEAM Program shall be paid a stipend of three hundred dollars ($300) for the first year of mentoring a new teacher and a stipend of five hundred dollars ($500) for the second year of mentoring a new teacher in the two-year (2) TEAM cycle program.

2. If a teacher is serving as a TEAM mentor and the mentee leaves the Board’s employment for any reason during the course of a school year, the stipend for the TEAM mentor shall be pro-rated based on the number of months remaining in the school year at the time the mentee leaves the Board’s employment.

3. Service as a TEAM mentor shall be voluntary in nature and all volunteers must be approved by the Superintendent of Schools or his/her designee.

4. Any teacher who has successfully completed mentor training through an approved State Department of Education “Mentor Training Program” and who thereafter accepts an assignment to serve as a TEAM reader under the TEAM Program shall be paid a stipend of three hundred dollars ($300).
ARTICLE 17
ANNUITY PLAN

Teachers shall be eligible to participate in a "tax-sheltered" annuity plan established pursuant to United States Public Law No. 87-370.

ARTICLE 18
RETIREMENT/SEVERANCE PAY

A. Upon the retirement of a teacher, such teacher shall be paid the equivalent of fifteen (15) days, over and above his/her regular compensation at his/her current salary. To be eligible for severance pay under this Section, the teacher must have been employed by the Sterling School System for at least fifteen (15) years, and, if terminated, must not have been terminated for cause. Payment will be made July 1 following retirement. Teachers hired on or after July 1, 1999 shall not be eligible for this benefit.

B. Teachers shall notify the Board of Education of retirement prior to February 1 if they plan to retire by June 30 of that school year. All cash retirement benefits will be paid in July of the next fiscal year following the effective date of any retirement.

C. Teachers resigning are expected to give thirty (30) day's notice of termination except in emergencies or extenuating circumstances.

ARTICLE 19
LEAVES OF ABSENCE

A. Sick & Personal Leave

1. Each teacher shall be granted fifteen (15) days sick leave with full pay each school year. Unused sick leave shall be accumulated from year to year to a maximum of one hundred sixty (160) days during the 2016-2017 school year; one hundred seventy (170) days during the 2017-2018 school year; and one hundred eighty (180) days during the 2018-2019 school year, so long as the teacher remains continuously in the service of the Sterling Board of Education.

2. Each teacher shall be entitled to up to four (4) days personal leave for business which cannot be conducted outside the school day. Such leave will be granted at full pay, will not be deducted from accumulated sick leave and is non-cumulative. Teachers must request personal leave directly from their principal at least forty-eight (48) hours in advance, except in an emergency. Personal leave may not be used to extend vacations or holidays, to provide long weekends or to afford time for job-hunting. Each teacher shall also receive one (1) bereavement day per year to mourn or attend the funeral of an immediate family member or other person residing in the teacher's household.
3. Each teacher shall receive on a yearly basis, one-half (½) of the substitute's rate for each unused sick day in excess of the accumulated one hundred fifty (150) days. Unused sick days in excess of one hundred fifty (150) shall not exceed fifteen (15) days per year. Teachers hired on or after July 1, 2010 shall not be eligible for this benefit.

4. The Superintendent shall notify each teacher of his/her total number of sick days accumulated on or before the commencement of each new school year.

5. The Association agrees the administration shall have the right to counsel teachers regarding sick leave utilization.

B. Parenthood & Child-rearing Leave

1. Disabilities arising out of pregnancy, childbirth, and related conditions shall be treated the same as other physical disabilities for all job-related purposes. The Board of Education agrees that it will not terminate a woman’s employment because of her pregnancy. The Board of Education will grant to any female employee disabled due to pregnancy a reasonable leave of absence for the period of such disability, ordinarily not to exceed six (6) weeks. Six (6) weeks are defined as consecutive weeks which include holidays and vacations. Such leaves may exceed six (6) weeks for medical reasons; however, this will require a written statement by the woman’s attending doctor. The Sterling Board of Education reserves the right to have the school physician verify such disability. Disability leaves arising out of pregnancy and childbirth may not overlap the commencement of childrearing leave. Upon signifying her intent to return, the employee will be reinstated to a position with equivalent pay and with no loss of accumulated seniority, retirement, fringe benefits, and other service credit. Such disability leave shall be paid to the extent that the female teacher has accumulated paid sick leave, and shall run concurrently with FMLA qualifying leave.

2. The Board of Education, upon the recommendation of the Superintendent, may grant in its discretion an unpaid leave of absence of up to one (1) year for childrearing of a newborn or newly adopted child. A teacher must give the Superintendent notice at least forty-five (45) days in advance of the start of such leave in order to be eligible for consideration of leave beyond that required under the Family Medical Leave Act. This provision shall not apply to non-tenured teachers. Any teacher who is on an unpaid leave of absence for childrearing in accordance with this Article may, subject to eligibility requirements of the carrier, elect to continue coverage under the Board’s group insurance plans. The cost of coverage during said leave of absence shall be borne by the teacher.

3. Requests for leave under this section shall be in writing stating the anticipated date that such leaves are to start.

4. All leaves of absence under this section shall be counted towards eligibility for leave under the federal Family and Medical Leave Act.
C. **Jury Duty**

Any teacher who is called for jury duty shall receive the necessary leave to fulfill this legal obligation. This leave shall not be deducted from sick leave or from personal days. The staff member shall receive a rate of pay equal to the difference between the professional salary and the jury fee.

D. **Peace Corps And Vista Leave**

1. Leave of absence may be granted of up to two (2) years to teachers who join the Peace Corps as full-time participants in such programs.

codified under the Internal Revenue Code (IRC) §49801 the imposition of an excise tax related to
employer provided health insurance plans that exceed certain value thresholds. The impact of
the excise tax is scheduled to take effect in 2018. Should any federal statute or regulation
pertaining to IRC §49801 be mandated to take effect in the 2017-2018 contract year triggering
the imposition of an excise tax with respect to any of the contractually agreed upon insurance
plans offered herein, the parties agree to commence mid-term negotiations in accordance with
the Teacher Negotiation Act. During such mid-term negotiations, the parties will re-open Article
33 (Insurance/Benefits), Section A, including any related insurance Appendices of the current
collective bargaining Agreement, for the purpose of addressing the impact of the excise tax. No
other provision of the Agreement shall be re-opened during such mid-term negotiations.

**ARTICLE 34**

**REDUCTION OF PROFESSIONAL STAFF**

A. The Board has the sole and exclusive prerogative to eliminate professional staff positions,
consistent with the provisions of State statutes.

B. As used herein, the term "teacher" shall apply to any certified professional employee within the
bargaining unit.
C. The Board of Education may, in the first instance, exercise its right and power to reduce the number of professional staff positions without determining which teacher contracts will be terminated, if any, or what other staffing changes will be made to effectuate the purpose of position elimination.

D. In the event that it appears necessary to terminate teacher contracts in order to effectuate the elimination of professional staff positions, the Superintendent will propose to the Board, for its consideration, an orderly plan for elimination of positions, identifying professional personnel whose contracts he/she recommends for termination. If the Board of Education considers termination of the contract of a teacher it shall authorize the Superintendent by official Board action to notify the teacher in writing, that the termination of his or her contract is under consideration.

E. **Tenured/Non-tenured Teachers**

1. For tenured teachers, if no other position exists to which a teacher may be assigned the determination of the teacher(s) to be terminated will be made by using the following guidelines in the following order:

   (a) Number of years in the Sterling School System (system-wide service rather than length of service in a school, department, subject, etc., shall prevail).

   (b) Certification (including multiple certifications).

   (c) Technical fitness for specific assignment within area of certification (e.g., instrumental or vocal instruction in music, woodworking or metalworking instruction in industrial arts, or water safety instruction in physical education).

   (d) Degree status.

   (e) Quality of service, determined by evaluations conducted pursuant to applicable law and guidelines, and non-evaluative records routinely maintained in central office personnel files.

   (f) Specific needs of school system.

2. No new teacher shall be hired to fill a position when a teacher on the reappointment list is both certified and meets the minimum qualifications set forth in the posting. In cases where more than one (1) teacher on the reappointment list is both certified and qualified for a particular position to be filled, the factors set forth in Section F shall be considered.

G. For the purposes of this Article, reduction of a position from a greater to a lesser full-time equivalency shall be treated as an elimination of one position and the creation of another. Any teacher, who accepts a lesser full-time equivalency position in order to avoid or to return from layoff status, shall remain on the reappointment list for one (1) year from the date the original full-time equivalency position was lost.

H. No teacher who has been laid off shall be entitled to payment or accrual of any compensation or fringe benefits, whether or not he/she remains on the reappointment list. However, a teacher who is reappointed from the list shall be entitled to reinstatement of any benefits earned or accrued at the time of layoff, and further accrual of salary increments and fringe benefits shall resume where they were suspended. A teacher on the reemployment list may elect to remain on the Board's group medical insurance plan at his/her own expense and subject to any restrictions imposed by the carrier.

I. It is understood that a layoff is a termination of employment subject to administrative and/or judicial review in the manner set forth in the subsections of Section 10-151 of the Connecticut General Statutes, as amended, and in no other manner. A layoff under this Article is not subject to the grievance procedure set forth in Article 10. In the case of judicial review under those statutory provisions, the parties agree that the provisions of this Article can and should be submitted to the court.

**ARTICLE 35**

**LENGTH OF THE TEACHER WORKDAY**

The Superintendent or his/her appointee will exercise his/her judgment in relation to any request and his/her decision in this matter will be final.

C. Teachers are required to attend up to two (2) parent-teacher conferences per school year. Parent-Teacher conferences will be a maximum of three (3) hours per evening conference, with evening being defined as anytime after 5p.m. If the conference is scheduled for the one (1) session longer than two (2) hours, the school day will be on an early dismissal schedule. On such days any teacher who may experience a hardship in relation to attending the evening program may request to be excused. The Superintendent or his/her appointee will exercise his/her judgment in relation to any request and his/her decision in this matter will be final. In addition, teachers shall be required to attend at least one (1) after school event, evening event or conference in addition to the Open House/Back to School Night and parent-teacher conferences that are described above.
