SEPARATION AND RECALL

A. GENERAL STATEMENT

It is recognized that under 10-220 and 10-4a of the Connecticut General Statutes, the Board of Education has the responsibility to maintain good public elementary and secondary schools, and to implement the educational interests of the state. However, recognizing also that it may become necessary to eliminate professional staff positions in certain circumstances, this Article is adopted to provide a fair and orderly process should such eliminations become necessary.

B. REASONS FOR ELIMINATION OF PROFESSIONAL STAFF POSITIONS

It is recognized that the Board of Education has the sole and exclusive prerogative to eliminate professional staff positions, consistent with the provisions of the state statutes. Elimination of professional staff positions may result from reasons including but not limited to decreases in student enrollment, changes in curriculum, severe financial conditions, or other circumstances as determined by the Board of Education.

C. DEFINITIONS

1. As used herein, the term "days" shall mean calendar days.
2. As used herein, the term "teacher" shall apply to any employee covered by this contract.

D. PROCEDURE

1. The Board of Education may, in the first instance, exercise its right and power to reduce the number of professional staff positions without determining which teacher contracts will be terminated, if any, or what other staffing changes will be made to effectuate the purpose of position elimination.
2. Prior to commencing action to terminate teacher contracts under this procedure, the Board of Education will give due consideration to its ability to effectuate position elimination and/or reduction in professional staff by:
 - (a) voluntary retirements
 - (b) voluntary resignations
 - (c) transfer of existing staff members
 - (d) voluntary leaves of absence
3. In the event that it appears necessary to terminate teacher contracts in order to effectuate the elimination of professional staff positions, the Superintendent will propose to the Board for its consideration, an orderly plan for elimination of positions, identifying professional personnel whose contracts he/she recommends for termination.
4. The following criteria will be used to select those employees whose contracts are to be considered for termination as a consequence of elimination of professional staff positions:

Criteria for determining which teacher(s) shall remain: Pursuant to Connecticut General Statute 10-151(b), as amended within the separate categories of tenure teachers and non-tenure teachers, the following criteria will be used in the order listed:

- (a) Areas of certification.
 - (b) Total years of experience in the Suffield School System;
 - (c) Total years of teaching experience;
 - (d) Degree status as determined by the total number of hours of accepted professional development credits beyond the Bachelor's Degree;

5. It is understood that a layoff is a termination of employment subject to administrative and/or judicial review in the manner set forth in the subsections of Section 10-151 of the Connecticut General Statutes as amended, and in no other manner. A layoff under this Article is not subject to arbitration under ARTICLE 5 of this contract. Notification and any subsequent proceedings will be in accordance with Section 10-151 of the Connecticut General Statutes as amended.

E. POLICY PROVISIONS NOT APPLICABLE TO PROMOTION

Nothing, herein, shall require the promotion of a teacher to a position of higher rank, authority or compensation, even when the teacher whose contract is to be terminated because of elimination of position is qualified and/or certified for the promotional position.

F. RECALL PROCEDURE

If the employment of a teacher is terminated because of elimination of positions, the name of the teacher shall be placed on a reappointment list and remain on such list for two (2) full years unless such teacher obtains employment as a public school teacher in another district, other than on a substitute basis, during that period. If a position becomes open during such period, the teacher who has been selected by the Board of Education as the person on the recall list who is certified to hold that position, as determined in D(4)(e), will be notified in writing by registered mail, sent to his/her last known address, at least thirty (30) days prior to the anticipated date of re-employment. The teacher shall accept or reject the appointment in writing within fifteen (15) days of date of letter registration. If the appointment is accepted, the teacher shall receive a written contract within twenty days (20) of the receipt of the teacher's reply by the Board of Education. If the teacher rejects the appointment offer or does not respond according to this procedure within fifteen (15) days, then the name of the teacher will be removed from the recall list. Teachers recalled under provisions of this Article shall have all previously earned sick leave and personal leave days reinstated.

Alternate schedules that have been agreed upon by the teacher and Principal may be approved by the Superintendent or his/her designee.

If the required work day for teachers is extended beyond the required work hours in effect in 2015-16 by the Board during the term of this Agreement beyond that set forth above, the Board shall compensate affected members of the bargaining unit at a rate of compensation based upon a pro-rating of their annual salaries equal to a percentage of the time that the required work day is extended.

Notwithstanding the foregoing, early release days for students shall be scheduled as follows:

For all other regularly scheduled half days for students, teachers will continue to be expected to work no more than thirty (30) minutes beyond the student school day in total.

For all early release days due to emergencies, related to weather or otherwise, teachers will continue to be expected to work no more than thirty (30) minutes beyond the student school day in total.

The manner of this scheduling is intended to provide the flexibility required by the administration to permit reasonable scheduling of such required meetings as PPTs. Under exceptional circumstances, a teacher may be required to give up a preparation period to attend such a meeting. In such cases, compensatory preparation time shall be made available to the teacher so that the intent of this paragraph is upheld.

- K. Teachers shall be assigned to cover another teacher's class only when no substitute is available.

The Board will notify the Association of a change in program level sixty (60) days prior to the implementation of the change.

B. Transfers shall be subject to the following rules:

When involuntary transfers are necessary, a teacher with the least seniority among those with substantially equal qualifications for the position shall be transferred first.

C. An involuntary transfer shall be made only after a meeting between the teacher involved and the Superintendent or his designee, at which time the teacher shall be notified of the reasons for the transfer.

A Sick Leave Bank is established for the purpose of providing additional coverage after the exhaustion of teacher annual and/or accumulated sick leave in the event of a catastrophic, extended/prolonged illness or injury as evidenced by medical certification.

- A. In order to be a participating member of the Sick Leave Bank (the “Bank”), teachers must contribute one (1) day of accumulated sick leave to the Bank. However, the total number of Sick Leave Bank days in reserve shall not exceed three hundred fifty (350). In the event the 350 maximum is exceeded, then Section A of this Article will not be reapplied. A waiting list will be established in the event that more than 300 days has been accumulated.
