## MANAGEMENT RESOLUTION

The City is desirous to establish a uniform policy with respect to pay, wages, hours of employment and other conditions of employment for management personnel and the establishment of such policy is designed to maintain and promote more efficient and progressive public service. This Resolution is not, and, is not intended to be a contract of employment or a warrantee of benefits. The City further reserves the right to unilaterally revise these policies and all others at any time.

**BE IT RESOLVED BY THE BOARD OF COUNCILMEN OF THE CITY OF TORRINGTON**, at this time, the following provisions apply to the Management Resolution positions contained within:

1. **WAGES** - That wages of the management personnel positions listed in Schedule A, attached hereto and made a part hereof, shall be established by the Board of Councilmen. Employees are classified as Exempt or Non-Exempt in Schedule A. The wages provided for in this schedule are annualized amounts for the exempt employees. These wages are listed only for purposes of identifying annualized wages of the current employees filling those positions and who are active on the payroll when this Resolution is approved. These wages are subject to change. Wages for employees who are paid on an hourly basis or Non-Exempt employees are also listed and these hourly rates are also subject to change. Effective July 1, 2015 annual wages for exempt salaried employees shall be divided by the number of pay dates in each fiscal year to determine the amount due for each pay period.
2. **HOURS OF WORK** - That the normal hours of work for such personnel in City Hall shall be thirty-five (35) hours per week except for personnel assigned to the Building, Engineering, Police and Fire Departments. The Mayor shall approve the work schedules of all employees.
3. **MEDICAL INSURANCE BENEFITS** - That such full time employees shall be provided with medical, hospital and life insurance benefits, which approximate the level of benefits of employees of the various municipal collective bargaining units. Full time Management Resolution employees shall be entitled, at a minimum, to the following benefits:

Medical Insurance Plan Coverage: CIGNA HIGH DEDUCTIBLE HEALTH PLAN WITH HEALTH SAVINGS ACCOUNT

**Effective July 1, 2017**, a Cigna High Deductible Health Plan (HDHP) with a Health Savings Account (HSA) described below shall become the **principal** insurance plan.

Each employee and eligible retiree shall be entitled to medical insurance coverage for themselves and their dependents under either a \$1,000/\$2,000 (single) or a \$2,000/\$4,000 (two or more) High Deductible Health Plan (HDHP) with a Health Savings Account (HSA) with \$0/\$15/\$30 post-deductible prescription co-pays. **A description of this plan can be found on the City's intranet site. Employees can also access their complete medical insurance benefit plan on the Cigna website at <https://my.cigna.com/web/public/guest>.**

Said coverage under the HSA plan shall also include the Anthem (Blue Cross/Blue Shield) full payment dental rider, including riders A, B, C and D and the Cigna Vison Plan.

The City shall fund fifty percent (50 %) of the applicable deductible for employees and retirees covered the HDHP HSA plan. Said amount (\$1,000 single/\$2,000 two or more) shall be paid by the City, depositing that amount into each employee's HSA account during the month of July at a bank chosen by the City. This participation by the City is a means of partially funding the deductible and is not considered insurance under the HDHP HSA.

**New hires will receive a pro-rated share of the City's funding of the deductible for the year hired. In the event that an employee exceeds the pro-rated contribution, the City shall continue to fund its portion of the deductible based on invoices provided by the employee. The City will not contribute more than 100% of its required portion of the deductible (\$1,000 single/\$2,000 Family).**

Any employee who terminates employment before the end of any year for which the City has paid the deductible shall repay a proportional portion of the deductible to the City.

Effective **July 1, 2017** the City shall pay **eighty six and one-half percent (86.5 %)** and all employees and retirees shall pay **thirteen and one-half percent (13.5%)** of the cost of coverage under the HDHP HSA plan.

Effective **July 1, 2018**, the City shall pay **eighty six percent (86 %)** and all employees and retirees shall pay **fourteen percent (14 %)** of the cost of coverage under the HDHP HSA plan.

Effective **July 1, 2019**, the City shall pay **eighty six percent (86 %)** and all employees and retirees shall pay **fourteen percent (14 %)** of the cost of coverage under the HDHP HSA plan.

The City will provide all of the same medical coverage to current and eligible future retirees, which is provided to active Management Resolution personnel. Retirees will pay the same costshare amounts as current employees. Notwithstanding any other provision herein, medical insurance benefits shall not be provided to any employee (or his/her spouse, or dependents) who began his/her employment March 16, 2015 and whose employment is thereafter terminated for any reason including retirement.

The City will provide to the spouse of a retiree and other family members of the retiree, while eligible, all the medical coverage which is provided to active employees covered by this Resolution.

An employee who retires under the provisions of the Pension Plan and/or spouse, both having reached sixty five (65) years of age will have the following benefits continued until the death of both: Connecticut Blue Cross 65 High Option and Blue Shield 65 Plan 81.

If a retiree either prior to or after reaching age 65 takes other employment which provides equivalent medical coverage, any of the medical coverage provided by the City of Torrington shall cease during the term of that other employment or any other future employment. The

retiree shall immediately give notice of said equivalent medical coverage to the City's Finance Office. However, if written notification is given to the City by the retiree, spouse or eligible family member by certified mail, return receipt requested, that the retiree is no longer employed or that the employee no longer has equivalent medical coverage, the City shall have its insurance carrier resume the dropped coverage when eligibility exists, as soon as the insurance carrier is able to put the coverage into effect.

The City reserves the right to change insurance carriers provided that the level of benefits and services are substantially equal to or better than current coverage.

### **OPEN ACCESS PLAN (OAP)**

- 2. Unlimited lifetime maximum,**

## **CITY OF TORRINGTON POLICY**

### **PERFORMANCE EVALUATION PROGRAM**

It is the policy of the City of Torrington to evaluate the performance of employees who are governed by the Management Resolution. The purpose of this policy is to put into place a formal evaluation process, which identifies and provides specific feedback about the strengths and weaknesses of individual employees. The employee's evaluation should be viewed as a vehicle to improve the development of the employee while monitoring performance.

Newly appointed management personnel will receive an evaluation upon completion of the first six months of City service. If a satisfactory evaluation is received, new employees will be evaluated again on completion of their first year of service. All other management personnel shall receive a work performance evaluation annually by January 31, of any given year.

#### **EVALUATORS:**

Evaluations will be conducted in accordance with the list of Evaluators approved by the City Council. (See Page 20)

#### **EVALUATION INSTRUMENT:**

**EXEMPT EMPLOYEES** - Evaluators of Exempt employees will utilize the "City of Torrington Performance Evaluation Report - Management (Exempt)" form, which is available in the Personnel Department. (See forms attached)

**NON-EXEMPT EMPLOYEES** - Evaluators of Non-Exempt employees will utilize the City of Torrington Performance Evaluation Report - Management (Non-Exempt) form, which is available in the Personnel Department. (See forms attached)

## **THE PERFORMANCE EVALUATION PROCESS:**

### **PREPARING THE PERFORMANCE EVALUATION REPORT:**

1) Review the Position Description of the employee to be evaluated. Is it up to date? Have any substantive responsibilities been added or deleted? Discuss any changes with the employee during the performance evaluation meeting and arrange to discuss any substantive changes with the Personnel Department.

2) Set aside some uninterrupted time when you can consider each section of the Performance Evaluation report and measure the employee's performance against the criteria listed.

a) Review any notes you may have regarding this person's past performance. As an overall rule, an employee's good or poor performance should be discussed at the time of occurrence and not saved until the evaluation interview. If this is done, there will be no surprises for the employee when the evaluation is conducted. After the noted comments are included in the evaluation and have been discussed with the employee, discard any notes.

b) In areas of uncertainty, identify other individuals that have regular contact with the employee and who can objectively help you to develop a rating.

c) Complete the evaluation report in draft form and set it aside. Review it again at a later date and revise it, if necessary. When you feel the ratings accurately reflect the employee's performance, complete the evaluation report in final form. The Personnel Director will make himself available for assistance during this process if you wish some assistance.

### **CONDUCTING THE PERFORMANCE EVALUATION MEETING:**

- 1) Advise the employee that you intend to evaluate his/her performance a week or two ahead of time and ask the employee to think about things they wish to discuss.
- 2) Arrange for a meeting area where you can conduct the meeting uninterrupted. Set aside enough time (perhaps an hour) for the evaluation.
- 3) The objective of this discussion is to advise the employee of your rating of his/her work performance and to listen and note the employee's comments. In other words, this should be a two-way discussion that is aimed at reaching an agreement on the employee performance rating and what will be done to improve performance during the next rating period.
- 4) The evaluator must sign the Performance Evaluation report and have the employee sign the form.

### **AFTER THE PERFORMANCE EVALUATION MEETING:**

- 1) Arrange a meeting with the Personnel Director to discuss any proposed, substantive changes to the Position Description.
- 2) Review the Performance Evaluation Report and obtain the signature of the Mayor.
- 3) File the original Performance Evaluation Report with the Personnel Department. Keep a copy of the Evaluation in a secure location in your office and provide the employee with a copy of the evaluation.
