Application of Agreement

This Agreement shall apply to all Secretarial and Clerical employees of the Town of West Hartford in those titles listed on the Certification of Representative (ME-8429), excluding those employees now represented by other bargaining agents heretofore certified by the Connecticut State Board of Labor Relations, confidential employees as mutually agreed, part-time employees who work less than 20 hours per week, temporary employees who work less than six months, seasonal employees, and other employees who work less than 1000 hours per year.

ARTICLE I - Recognition

1.1 The Town hereby recognizes CSEA Local 2001, SEIU as the sole and exclusive bargaining agent for the purposes of collective bargaining on matters of wages, hours of employment, and other conditions of employment for the employees of the Town in the positions described above.

1.2 It is agreed, however, that any other employees eligible under the law, may at any time be designated to be represented by the Union either (a) by their majority consent and mutual agreement of the parties hereto or (b) by certification of the State Board of Labor Relations.

ARTICLE II - Wage Deductions

2.1 The Town agrees that, upon the written authorization of any employee in the bargaining unit, it will make a monthly deduction from the wages of such employee of an amount authorized by the employee for the purpose of paying Union dues or initiation fees. Such deduction shall be discontinued only in the event of termination of the employee's services or upon employee's written request. All such requests shall be on forms provided by the Town to the employees, and submitted at least 30 calendar days before they are to become effective. No refund will be made to any employee in the event of the employee's failure to comply with this provision. All deductions under this section will be made from the wages payable on the first regular payroll of each month.

2.2 All members of the bargaining unit shall, as a condition to continued employment, either become and remain a member of the Union or pay to the Union a service fee equivalent to the amount of Union dues, such requirement to become effective thirty (30) days after ratification of this agreement by both parties, or thirty (30) days after the employee's date of hire in the bargaining unit, whichever occurs later.

2.3 Any employee who objects to joining or financially supporting labor organizations shall not be required to join or financially support the Union. However, in lieu of periodic dues, such employee shall be required to pay sums equal to such dues to one of the following non-religious charitable funds: (a) Connecticut Children's Medical Center, (b) Amnesty International/U.S.A., (c) Disabled American Veterans, (d) American Heart Association, (e) American Lung Association of Connecticut, (f) March of Dimes, (g) American Cancer Society, (h) St. Jude's Children's Hospital, (i) Juvenile Diabetes Foundation, (j) any other non-religious charity approved by both the Town and the Union.
2.4 Additionally, if such employee requests the Union to use the grievance-arbitration procedure on the employee's behalf or otherwise requests Union representation, the Union shall charge the employee for the reasonable cost of such representation.

2.5 The Union agrees to indemnify and save harmless the Town for any sums which the Town is required to pay as the result of a claim that the sums of money herein referred to have been illegally deducted, or for any liabilities which may arise from the Town's having complied with or enforced this provision.

2.6 The total amount deducted each month, in accordance with the provisions of Article II, will be remitted by the Town, together with a list of the employees from whose wages such deductions have been made, to such individual and at such address as shall be specified by the Secretary of the Union. Such remittance shall be made by the last day of the month in which the deductions are made.

2.7 The obligation of the Town for funds actually deducted under this Article terminates upon the delivery of the deductions so made to the person authorized to receive such amounts from the Town. Neither any employee nor the Union shall have any claim against the Town for errors in processing of deductions unless a claim of error is made in writing to the Finance Director within ninety (90) calendar days after the date such deductions were or should have been made.

2.8 The Union agrees that it will not call, authorize, instigate, sanction or condone any strike, slowdown, work stoppage, or any action against the Town by bargaining unit employees who are on duty. The Town agrees that it will not lock out any employees.

ARTICLE III - Management Rights

3.1 Except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this agreement, the Town has and will continue to retain, whether exercised or not, all of the rights, powers and authority heretofore had by it and, except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this agreement, it shall have the sole and absolute right, responsibility and prerogative of management of the affairs of the Town and direction of the working force, including, but not limited to the following;

(a) To determine the care, maintenance and operation of equipment and property used for and on behalf of the purposes of the Town.

(b) To establish or continue policies, practices and procedures for the conduct of Town business and, from time to time, to change or abolish such policies, practices, or procedures.

(c) To discontinue processes or operations or to discontinue their performance by employees.

(d) To select and to determine the number and types of employees required to perform the Town's operations.
(e) To employ, transfer, promote or demote employees, or to layoff, terminate or otherwise relieve employees from duty for lack of work or other legitimate reasons when it shall be in the best interests of the Town or the department.

(f) To prescribe and enforce reasonable rules and regulations for the maintenance of discipline and for the performance of work in accordance with the requirements of the Town, provided such rules and regulations are made known in a reasonable manner to the employees affected by them.

(g) To ensure that incidental duties connected with departmental operations, whether enumerated in job descriptions or not, shall be performed by employees.

(h) To establish contracts or sub-contracts for municipal operations, provided that this right shall not be used for the purpose or intention of undermining the Union or of discriminating against its members. All work customarily performed by the employees of the bargaining unit shall be continued to be so performed unless in the sole judgment of the town it can be done more economically or expeditiously otherwise.

(i) To create job specifications and to revise existing job specifications.

3.2 The above rights, responsibilities and prerogatives are inherent in the Town Council and the Town Manager by virtue of statutory and charter provisions and are not subject to delegation in whole or in part.

ARTICLE IV – Grievance Procedure

4.1 No permanent employee shall be discharged, reduced in rank or compensation, suspended without pay or disciplined in any other manner except for just cause. Whenever any employee is so disciplined, the Department Head or designated representative shall present such employee with written reasons for such disciplinary action within five (5) days after such employee is disciplined or notified of their discipline, whichever comes sooner.

Written warnings or letters of reprimand may not be used against an employee after one (1) year from the date of issue, and records of disciplinary suspension shall not be used against any employee after five (5) years from the date of issue. In addition, upon request of the affected employee, the Town will seek approval of the State of Connecticut Public Records Administrator for the destruction of written warnings or letters of reprimand after one (1) year from the date of issue, and of records of disciplinary suspensions after five (5) years from the date of issue.

4.2 A grievance shall mean a complaint by an employee or group of employees or the Union that, as to him, her, them, or it, there has been a violation, misinterpretation or misapplication of the provisions of this Agreement.

4.3 Adjustment of all grievances shall be sought as follows, except that grievances over a disciplinary action may, at the discretion of the Union, be started at Step 4 of this Section:

Step 1. The aggrieved employee, who may be represented by a Union representative, shall present verbally or in writing the grievance or dispute to his or her immediate supervisor
within ten (10) calendar days of the date of the grievance or his knowledge of its occurrence. The written grievance shall include a statement of the grievance and facts involved, the alleged violation of the agreement, and the remedy requested. The immediate supervisor shall meet with the interested parties within seven (7) calendar days after receipt of the grievance in an attempt to adjust the matter and shall render his or her decision within seven (7) calendar days after the grievance hearing.

**Step 2.** If the grievance has not been settled, it shall be presented in writing to the Department Head within ten (10) calendar days after the supervisor's response is received or should have been received. The Department Head or his/her designated representative shall meet with the interested parties within seven (7) calendar days after such Department Head receives such grievance, and render his/her decision in writing no later than seven (7) calendar days after the grievance hearing.

**Step 3.** If the grievance has not been settled, it shall be appealed to the Town Manager within ten (10) calendar days after the decision of the Department Head or his or her designated representative is received or should have been received. The Town Manager or his or her designated representative shall meet with the parties within seven (7) calendar days after the receipt of the grievance and in any case shall render his/her decision in writing within seven (7) calendar days after the grievance hearing.

**Step 4.** If the grievance has not been settled, it shall be appealed to the Personnel Board in writing within 10 calendar days of the decision rendered in Step 3. Said Board shall hear and act on such grievance in accordance with its rules of procedure and render a decision in writing within thirty (30) days after such grievance is heard. Such hearing may be before an odd-numbered majority of the Board unless a full Board is requested by the Union when the grievance is submitted, or by the Town within two (2) working days thereafter. If an even number of Board members is present, one shall be excused by lot or other mutually agreeable procedure. Either the Town or the Union may elect to waive Step 4 of the grievance procedure and proceed to Step 5 within ten (10) days after receipt of the Step 3 response.

**Step 5.** If the Union or the Town is not satisfied with the decision of the Personnel Board, it may within ten (10) working days after receipt of the decision submit the grievance to arbitration. Notice of intention to proceed to arbitration must be given to the Town Manager or Union President within (10) working days after receipt of such decision. Arbitration shall be by the State Board of Mediation and Arbitration, except in the case of grievances involving, discharges, reprimands, reductions in rank or compensation, and suspensions without pay, which may at the option of the Town be submitted to the American Arbitration Association. If the Town elects to exercise its option, it shall pay the fee of the arbitrator. If the Town chooses to exercise such option, it must do so within two (2) working days after receipt of notice of the Union's intention to proceed to arbitration. The arbitrator shall be limited to the express terms of the contract and shall not have the power to modify, amend, or delete any of the terms or provisions of the agreement.

4.4 The decision of the arbitrator shall be final and binding on the parties.

4.5 The time limits provided for in Section 4.3 of this Article may be extended by agreement of the parties. As used throughout this Article, the term "days" refers to calendar days, unless otherwise specified.
4.6 Beginning not later than Step 2, all grievances and answers thereto shall be set forth in writing.

4.7 The number of bargaining unit employees who may be released from duty with pay in order to present grievances, under Section 3 of this Article, shall not exceed two at any one time, unless the attendance of additional witnesses is required.

4.8 Nothing contained herein shall prevent any employee from presenting their own grievance and representing themselves in steps 1 through 4 in these procedures.

4.9 The Union business agent may submit a written request for specific factual information, as related to a disciplinary action case, from the Department Head. The Department Head will make such requested data available to the business agent.

4.10 A grievance may be appealed to the next step at any time during the period in which a response is overdue, but not yet received. Failure at any step to appeal shall be considered acceptance of the decision rendered.

ARTICLE V - Holidays

5.1 The following holidays shall be observed as days off with pay, and except as specified elsewhere in this Article, shall be celebrated on the dates set forth in Connecticut General Statutes, Section 1-4:

- New Year's Day
- Labor Day
- Martin Luther King Day
- Columbus Day
- President's Day
- Veterans' Day
- Good Friday
- Thanksgiving Day
- Memorial Day
- Christmas Day
- Independence Day
- Lincoln's Birthday and Employee's Birthday (floating holidays)

(a) As with the Employee's Birthday holiday, in lieu of the former Lincoln's Birthday holiday, an employee may take a floating holiday with pay during each fiscal year at a time mutually agreed to between the employee and their immediate supervisor.

(b) Under no circumstances shall such holiday be carried over to another fiscal year if not taken nor will the employee receive premium pay for working on their birthday or on Lincoln's Birthday.

(c) Any employee who leaves the Town service for any reason shall repay the town if they have taken their birthday holiday before having earned such day (their birth date). As an option, the employee may elect to subtract the day from any accumulated vacation days the employee has due them at separation.

5.2 Holiday leave shall be granted on the day of the week on which the holiday falls except:
(a) When a specified holiday falls on Saturday, the holiday leave shall be granted on the preceding day, Friday, to those employees in such departments as are regularly scheduled to work only from Monday to Friday inclusive.

(b) When a specified holiday falls on Sunday, the holiday leave shall be granted on the following day, Monday.

(c) When, in the opinion of the head of the Library Department or the Director of Human Services, it is necessary to operate their department on a holiday or satisfy public service requirements, they may, with approval of the Town Manager, require the employees other than labor and trade personnel of their department to work on such holiday but, in each such instance, shall post a notice of such holiday work requirement not less than fifteen (15) days in advance of such holiday.

5.3 Whenever any of these holidays shall occur while an employee is out on sick leave, such employee shall be paid for the holiday and no charge to sick leave shall be made for that day.

5.4 When a holiday occurs while an employee is on vacation, the employee shall be granted an additional vacation day with pay, or (in the case of a vacation of one week or more) the employee may elect to receive an additional day's pay with their vacation pay.

5.5 Classified, permanent, part-time employees who are members of the bargaining unit shall be granted pro rata holiday pay for each holiday based upon their working hours compared to the normal weekly working hours for employees in their class and organizational unit.

5.6 Unauthorized absence from work on the scheduled workdays before or after the holiday will forfeit the employee's eligibility for holiday pay. If an employee is on authorized leave without pay for any duration and a holiday occurs during such absence, the employee shall not be entitled to any holiday pay.

5.7 Nothing in this agreement shall in any way abridge the Town's right to schedule employees to work on recognized holidays, subject to compensation provisions included in Article 10 of this contract.

ARTICLE VI - Vacations

6.1 (a) Annual vacation leave with pay shall be earned by all classified employees as follows:

<table>
<thead>
<tr>
<th>Service</th>
<th>Vacation Leave</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 4 full years of service:</td>
<td>5/6 day per month (2 weeks)</td>

<td>1-2/3 days per month (4 weeks)</td>
</tr>
<tr>
<td>More than 24 full years:</td>
<td>2-1/12 days per month (5 weeks)</td>
</tr>
</tbody>
</table>

One year's vacation accrual shall be posted to each employees' credit with the first full paycheck in July of each fiscal year. For any new employee such posting shall be for the portion of the fiscal year from date of hire to the end of the fiscal year and shall be made on the
first full (10 working days) paycheck after the employee's date of hire. The accrual shall be adjusted down, at the appropriate rate for the employees' length of service, for each month the employee fails to be in service (pay status) the full month. Any employee who leaves the Town service for any reason shall repay the Town for any vacation leave taken in excess of what they would have earned on a monthly accrual basis from the first of the fiscal year or date of hire. For employees with prior accumulation of vacation leave, said repayment shall be first subtracted from prior accumulated vacation days.

(b) In addition, immediately on completion of the number of full years of service indicated below, the following number of vacation days shall be credited to all classified employees as follows:

<table>
<thead>

</tbody>
</table>

(c) At the beginning of the 14th and 24th year of service, employees shall accrue vacation as stated in Section 1(a) as of and including the month in which their anniversary occurs.

6.2 However, earned but unused vacation leave shall not accrue to an employee's credit in excess of fifty (50) working days. Unused vacation in excess of the maximum accrual shall be forfeited if not used by the end of the fiscal year in which such excess accrual occurs.

6.3 For the purpose of computing vacation leave only dismissal or resignation will break the continuity of service; other leave except sick leave will defer vacation leave accrual during such leave. Vacation leave shall not be granted to employees with less than six months of service; however, upon completion of six months of service, employees shall have their accrual of such leave computed from the date of their original appointment.

6.4 In the event of illness during an employee's vacation period, the employee shall be given an option of charging the sick day to his sick leave, providing a doctor's certificate verifies illness.

6.5 Classified permanent employees working on a part-time basis will be granted vacation leave on a schedule prorated on their working hours compared to the normal weekly working hours for employees in their class and organizational unit.

6.6 Employees who resign in good standing or who are laid off shall be paid for any unused vacation leave that has accrued to their last day of service. An employee shall be considered to resign in good standing only if such employee notified their department head of such resignation at least fifteen (15) calendar days in advance of his last day of service. Employees who retire shall be entitled to use any accrued vacation leave prior to the effective date of their retirement, but any accrued vacation not so used shall be forfeited and in no case may a period of vacation leave delay retirement beyond the date of retirement as provided by the Town pension plan. Vacation leave shall not further accrue during the period of such terminal leave.

Effective July 1, 2003, only upon separation from Town service for immediate retirement under the Town Pension Plan, unused vacation leave, up to the maximum allowable accrual, shall be paid in a lump sum payment and shall be deposited into a Special Pay Retirement Plan.
This Special Pay Retirement Plan is subject to Section 401 of the Internal Revenue Code and, as such, is subject to its provisions.

Such payments shall not be credited toward the employee’s average final compensation for the purpose of calculating their pension benefit.

6.7 Employees entitled to vacation leave who are terminated for cause shall be paid for any unused vacation leave in excess of fifteen (15) days that has accrued to their last day of service. Any part or all of accrued unused vacation leave up to fifteen (15) days may be granted at the discretion of the Town Manager.

6.8 An employee leaving on vacation may be granted pay due them for their accrued vacation time, provided they submit a written request for such pay to the Finance Department not less than ten (10) calendar days in advance.

6.9 Employees may take their vacation leave, in accordance with schedules established by the Department Head, throughout the fiscal year. The Department Head may, however, limit the number of employees on vacation at any one time because of the operating requirements of the department and may further provide that no employee may take more than two (2) consecutive vacation weeks during the months of July and August. In the event there is a conflict concerning the choice of vacation weeks between employees, the Department Head shall give preference on the basis of greatest length of service in the highest classification but this decision shall be final.

6.10 If the workload of an employee's organization unit makes adherence to the vacation schedule impracticable or undesirable, vacation leave may be postponed at the discretion of the Department Head, but in requiring such postponement employees having the greatest length of service in their respective classifications shall be given preference over those with less service in said classification. Vacation leave so postponed shall accrue to the employee's credit notwithstanding the above provision for a maximum of such leave.

ARTICLE VII - Sick Leave

7.1 Sick leave shall not be considered as an entitlement which an employee may use at his discretion, but shall be allowed only in case of necessity arising from actual sickness or disability of the employee, or to meet dental appointment, or to take physical examination or other sickness prevention measures, when such appointment, examination and/or measure cannot reasonably be scheduled outside of working hours.

7.2 Sick leave with pay shall accrue to the credit of each employee as follows, subject to the restrictions listed below:

(a) Sick leave with pay shall accrue to the credit of each employee at the rate of one and one-quarter (1-1/4) working days for each full month of service to a maximum of one hundred fifty (150) working days.

One year's sick leave accrual (i.e., 15 days) shall be posted to each employees' credit with the first full paycheck in July of each fiscal year. For any new employee such posting shall be for the portion of the fiscal year from date of hire to the end of the fiscal year and shall be made on
the first full (10 working days) paycheck after the employee's date of hire. The accrual shall be adjusted down at a rate of one and one-quarter (1¼) days, for each month the employee fails to be in service (pay status) the full month. Any employee who leaves the Town service for any reason shall repay the Town for any sick leave taken in excess of what they would have earned on a monthly accrual basis from the first of the fiscal year or date of hire. For employees with prior accumulation of sick leave, said repayment shall be first subtracted from prior accumulated sick days.

(b) No provision of these rules is to be construed as preventing any Department Head, with the concurrence of the Town Manager, from withholding sick leave for just cause from any employee under their jurisdiction.

(c) Notwithstanding the foregoing provision regarding maximum accrual of paid sick leave, any employee may be granted additional paid sick leave upon joint approval of the employee's Department Head, the Personnel Director, and the Town Manager. Consideration of such approval shall take into account personal hardship, the nature of the illness, the employee's service record and length of service, and needs of the Town service.

(d) In all cases, sick leave with pay in excess of five (5) consecutive workdays will be granted only when a certificate from a regularly licensed practitioner of medicine or surgery, or both, verifying the need for sick leave, has been submitted to the Division Manager, Assistant Department Head, or Department Head.

However, if such authority feels an employee has been abusing sick leave by requesting such leave without justification, they may require such a certificate for future sick leave of any duration. He or she shall so notify the employee in writing, stating in his letter the reasons for the requirement.

(e) Sick leave shall not accrue during any leave of absence without pay.

(f) Up to five (5) days of an employee's accumulated sick leave may be used in any fiscal year for illness or incapacity in the employee's immediate household in cases where the presence of the employee is essential, which shall include illness or incapacity of the employee's domestic partner.

An employee may utilize up to ten (10) additional days accrued sick leave in any fiscal year for the birth, adoption or foster care of a child or the serious health condition of a child, parent, civil union spouse or spouse in accordance with FMLA provisions. This provision does not include the employee’s domestic partner.

(g) (i) Upon separation from town service for any reason except retirement under the Town Pension Plan, unused accrued sick leave shall revert to the Town. There shall be no sick leave buy-out for employee's who separate from Town service and vest for purposes of their pension benefit or for employees hired after May 24, 2016 who retire from Town service.

(ii) Employees hired on or after July 1, 2003, but prior to May 24, 2016, who retire under the Town pension plan immediately upon separation from Town service, shall be paid at his/her regular rate for 50% of the sick leave accrued to his/her credit up to one hundred fifty (150) working days' accrual (i.e., 75 working days' payment). Sick leave will not be included in the calculation of his/her average final compensation for the purposes of calculating pension benefits.
(iii) Employees hired prior to July 1, 2003, who retire under the Town Pension Plan immediately upon separation from Town service, shall be paid at his/her regular rate of pay for 50% of the sick leave accrued to his/her credit up to one hundred-fifty (150) working days' accrual (i.e., 75 working days' payment). For purposes of calculating pension benefits only, sick leave shall be calculated as one-half (1/2) the sick leave accrued to the employee's credit up to one hundred twenty (120) working days' accrual (i.e., sixty (60) working days' payment), plus one-tenth (1/10) of the additional sick leave accrual to the employee's credit up to an additional thirty (30) working days' accrual (i.e., three (3) working days' payment).

(iv) Any payments made to an employee under this Section shall be paid in a lump sum payment and shall be deposited into a Special Pay Retirement Plan. This Special Pay Retirement Plan is subject to Section 401 of the Internal Revenue Code and, as such, is subject to its provisions.

(h) In cases of sick leave of less than one full working day, an employee's accrued sick leave shall only be charged to the nearest hour of absence from work.

(i) Classified, permanent part-time, employees who are members of the bargaining unit will be granted sick leave on a schedule prorated on their working hours compared to the normal weekly working hours for employees in their class and organizational unit.

7.3 No more than three (3) days of accrued sick leave may be used by the employee each fiscal year for personal business which cannot be conducted at any other time, and which is not covered by any other leave provision in this Agreement. Request for leave under this paragraph should be made as soon as the employee is aware of the need, and in no event less than 24 hours prior to the beginning of the shift for which leave is requested, except in case of emergency or other unforeseen circumstances arising after such time limit has passed. If necessary, the Department Head or his designee may limit the number of employees on leave under this paragraph at any one time in order to meet the operating requirements of the Department. Personal leave days under this paragraph may not accumulate from year to year except as sick leave.

ARTICLE VIII - Insurance and Pension Program

8.1 - Health Insurance

A. Effective January 1, 1998, the Town will maintain, on behalf of Town employees, a group health PPO plan in accordance with the Town Health Plan Summary Plan Description, as amended.

B. Effective January 1, 2017, the Town shall also offer a High Deductible Health Plan (HDHP) option with Health Savings Account (HSA)/PPO Plan to Town employees.

(1.) The annual In-Network deductible for the HDHP option shall be $1,500 for individual coverage and $3,000 for family coverage. The annual Out-of-Network deductible shall be $1,500 for individual coverage and $3,000 for family coverage. For the purpose of satisfying the plan deductible, all claims shall be cross cumulative (i.e., inclusive of In-Network and Out-of-Network). Thereafter, for the purpose of satisfying the Out-of-
Network deductible, all claims shall be paid at an eighty percent (80%) Town paid and twenty percent (20%) employee split. The maximum annual total out of pocket expense shall be $3,000 for individual coverage or $6,000 for family coverage. Prescription drug coverage shall be included in all deductible calculations.

(2.) (a) Under the HDHP, the Town shall fund 50% of the annual deductible into the employee’s Health Savings Account (i.e., 50% of $1,500 for an individual plan and 50% of $3,000 for either an employee plus one or family plan.)

(b) The Town shall contribute 100% of the Town’s portion of the annual deductible for new hires in their initial year of employment regardless of when the employee becomes eligible.

(3.) The Town will pay set-up and monthly maintenance fees for Health Savings Account plans. Employees will assume responsibility for all other transaction fees. In-Network Preventive Care visits are paid 100% by the Plan and do not come out of the Health Savings Account. In-Network visits are first paid for by the annual deductible/health savings account and then covered 100% by the Plan. Out-of-Network visits are first paid for by the annual deductible/health savings account and then the employee pays 20% of the claims up to the cost share maximum, then the claims are covered at 100%.

C. Effective May 24, 2016 each member of the bargaining unit shall contribute seventeen percent (17%) of the fully insured rate for the PPO plan or sixteen percent (16%) of the fully insured rate for the High Deductible Health Plan for the individual or dependent coverage desired, not to exceed three percent (3%) of the employee’s annual earnings calculated from base pay rate.

D. After initial enrollment, an employee may modify coverage only during the annual enrollment period, except for changes in family status by birth, death, adoption, marriage, or involuntary loss of coverage due to extenuating circumstances may be made at any time.

E. Upon death of an active employee, medical benefits shall continue, for a period of 36 months, to the surviving spouse and eligible dependents in the same manner as if the deceased had remained an active employee, with the exception that any contributions to premiums shall not be required, and benefits for a surviving spouse age 65 or over will be coordinated with Medicare in the same manner as with a retired employee. Such continuation of medical benefits is intended to satisfy the requirements of COBRA and no further continuation shall be made.

F. Effective February 1, 1993, the Town shall provide a Tax Savings Plan within the meaning of Section 125 of the Internal Revenue Code of 1986, as amended, and the income designated by the employee in compliance with such plan shall be excludable from the employees’ taxable income as provided by law.

G. The parties agree that the Town Health Plan constitutes a self-funded non-federal governmental plan and the parties agree that it be exempted from all of the Health Insurance Portability and Accountability Act (HIPAA) requirements except certification.

8.3 - Retiree Health and Prescription Drug Plan

A. 1. For purposes of this Section, employees hired prior to July 1, 1986, the term “retired employee” shall be limited to those who are eligible to receive, and who actually do receive, either an early (reduced) or normal (unreduced) retirement benefit under the Town pension plan immediately upon separation from Town service.

2. For purposes of this Section, employees hired on or after July 1, 1986, the term “retired employee” shall be limited to those who are eligible to receive, and who actually do receive, a normal (unreduced) retirement benefit from the Town pension plan immediately upon separation from Town service.

B. Each individual retired employee and any eligible and enrolled dependents shall be eligible to participate in the same health and prescription drug programs which they enjoyed immediately prior to retirement. Such plans are described in Sections 8.1 and 8.2 of this Article and include the same co-pays, deductibles and other terms and conditions.

C. 1. Employees hired prior to July 1, 1986, who actually receive, either an early (reduced) or normal (unreduced) retirement benefit under the Town pension plan immediately upon separation from Town service shall be eligible to receive health insurance benefits in accordance with past practice and provisions of the Memorandum of Understanding regarding retiree health insurance benefits for individuals hired prior to July 1, 1986.

2. The parties agree to incorporate the provisions of Section 8.3 (C)(1) of this Article in a separate agreement with individual members of the bargaining unit who were employed prior to July 1, 1986. Such agreement shall be binding on the Town and on such individuals regardless of the result of future negotiations between the Town and the Union on the subject of retiree health insurance benefits. However, the Union does not waive its right to represent such individuals, and the Town shall have no right to negotiate directly with such individuals, as long as they remain employed by the Town and are covered by Section 8.3 of this Article, or by any successor provision governing retiree health insurance.
D. 1.) Employees hired on or after July 1, 1986 and prior to November 10, 1997, who retire with a normal (unreduced) retirement benefit immediately upon separation from Town service, shall pay seven percent (7%) of the fully insured rate for the individual or dependent coverage desired, for continued coverage of the health program that they enjoyed immediately prior to retirement. Payment shall be made to the Town until the retiree reaches Medicare eligibility.

2.) Employees hired on or after November 10, 1997, or on or before June 30, 2003, who retire with a normal (unreduced - and with eligibility at age 55 with 25 years of service) retirement benefit immediately upon separation from Town service, shall pay fifteen percent (15%) of the fully insured rate for the individual or dependent coverage desired, for continued coverage of the health program that they enjoyed immediately prior to retirement. Payment shall be made to the Town until the retiree reaches Medicare eligibility.

3.) Employees hired on or after November 10, 1997, or on or before June 30, 2003, who retire with a normal (unreduced - and with eligibility at age 60 with 10 years of service) retirement benefit immediately upon separation from Town service, shall pay thirty percent (30%) of the fully insured rate for the individual or dependent coverage desired, for continued coverage of the health program that they enjoyed immediately prior to retirement. Payment shall be made to the Town until the retiree reaches Medicare eligibility.

4.) The parties agree that for the duration of the 2002-2007 collective bargaining agreement, and in negotiations for all succeeding collective bargaining agreements between the parties, any change in Sections 8.3 D (1), (2) and (3) shall not be mandatory subjects of bargaining.

E. 1.) Employees hired on or after July 1, 2003, but prior to May 24, 2016, who retire with a normal retirement benefit (unreduced and with eligibility at age 65 with 15 years of service or age 62 with 35 years of service) immediately upon separation from Town service, shall pay 25% of the fully insured rate for individual coverage or 50% for dependent coverage of the health program that they enjoyed immediately prior to retirement. Payment shall be made to the Town until the retiree reaches Medicare eligibility.

2.) Employees hired on or after May 24, 2016, who retire with a normal retirement benefit (unreduced and with eligibility at age 65 with 15 years of service or age 62 with 35 years of service) immediately upon separation from Town service, shall pay 50% of the fully insured rate for the individual or dependent coverage elected. The health program shall be the same as current active members until the retiree reaches Medicare eligibility. At Medicare eligibility, provisions of Section 8.3 (f) shall apply. Payment shall be made to the Town as long as the retiree is receiving retiree health benefits (pre- and post-65) through the Town.

F. 1.) At Medicare eligibility, the retired employee’s health insurance coverage shall be converted to a Medicare Supplement Plan; and continuation is contingent upon conditions established by the carrier. The cost of the Medicare Supplement Plan shall be provided by the Town to the retiree without cost sharing for employees hired prior to May 24, 2016.

2.) It is assumed that the retired employee is covered by Medicare - Part A and Part B. The retired employee is automatically covered by Medicare Part A if they are eligible for Social Security. Enrollment in Medicare Part B and payment of the Medicare premium is the retired employee’s responsibility. Whether enrolled or not, the Town Plan will only pay for the
amount normally payable under the Town Plan minus the amount payable under Medicare Part A and Part B for the same expenses.

G. Upon the death of the retiree, medical benefits shall continue, for a period of twenty-four (24) months, to the surviving spouse and eligible dependents in the same manner as if the deceased had remained an active employee, with the exception that any contributions to premiums shall not be required during this twenty-four (24) month period, and benefits for a surviving spouse age 65 or over will be coordinated with Medicare in the same manner as with a retired employee. This twenty-four (24) month continuation of medical benefits is intended to be applied to meeting the requirements of COBRA and any further continuation shall not exceed the COBRA limits.

H. At Medicare eligibility, the retired employees' prescription drug plan shall remain the same as is available to active employees. Agreement on having this benefit "remain the same as is available to active employees" shall not establish a precedent for other benefit negotiations.

I. Employees who are otherwise eligible to receive retiree health care benefits immediately upon separation from Town service and elect to opt-out of coverage, shall have the right to elect coverage in the future, as if they had elected coverage at the time of retirement (immediately upon separation from Town service).

8.4 - Health Benefits with Disability Retirement

A. Effective January 1, 1998, any employee who retires with a disability pension under Section 30-14 of the Pension Ordinance, and, has at least 10 years of consecutive and continuous years of service with the Town immediately prior to retirement, shall be eligible to receive health benefits in the following manner:

1.) The employee shall receive the same health benefit that is applicable to active employees in the same bargaining unit that the employee was in immediately prior to their disability retirement. Any change in the health plan for active employees shall also change the health plan for the retiree. At Medicare eligibility, the health plan shall convert to the Medicare Supplement Plan. The retiree shall continue to contribute toward the cost of the plan as defined in Section 8.4 (A)(2) of this Article.

2.) The employee shall contribute toward the cost of this health benefit in the following manner:

a.) 100% of the fully insured rate minus an amount determined by multiplying the employee's years of service by 3.5. For example, if an employee had 15 years of service, they would contribute 47.5% of the fully insured rate. (100 - [15X3.5])

b.) Dependent coverage may be continued for 12 months at the same rate as determined in Section 8.4(A)(2)(a) above. Any and all dependents coverage will be terminated thereafter, except that COBRA continuation will be offered, for a period of 26 months, by paying 102% of the fully insured rate.
c.) Upon reemployment with any other employer who provides a health plan of any kind, the employee and dependents shall be ineligible for further participation in the Town plan.

i.) The employee shall be responsible for notification of the Town and shall be responsible for any claim made against the Town during any period of time they could have been covered by another plan.

ii.) The employee shall furnish such documentation as required from time to time by the Town for purposes of verifying other employment and available health benefits. Failure to do so shall render the employee ineligible for this health benefit.

8.5 - Cost Containment

The Town may choose to provide for the administration of employee health benefits under a “cost-containment” program by any provider who has filed with and been approved by the Connecticut State Department of Insurance to provide such services. Such a program may include any classifications and definitions of services which have been agreed upon by the Union, provided that implementation or elimination of any such service is thoroughly communicated to all employees not less than 60 days prior to the effective date of implementation or elimination. Once implemented, the Town may eliminate any such service at its sole discretion provided it gives employees the notice required above and further provided it restores the full contractual benefit that the eliminated service(s) affected. Any service implemented must be within parameters which have been agreed upon by the Union in writing.

8.6 - Life Insurance

A. Effective January 1, 1998, the Town will participate in a group life insurance plan providing a benefit in the amount of $50,000 for each full-time active employee and will pay the cost of such insurance for each participating employee.

B. Effective January 1, 1998 each employee pensioned, will have their group life insurance automatically reduced from $50,000 to $25,000. This reduction will become effective as specified in the group life insurance plan. The cost of such reduced life insurance for each pensioned employee who retires shall be paid by the Town. The balance of each retired employee’s group life insurance may be converted and paid for by the retired employee in accordance with the terms of the group life insurance plan.

C. In lieu of the reference insurance coverages, the Town shall pay the cost of a $3,000 group life insurance policy for permanent part-time employees in the bargaining unit. As used in the preceding sentence, the phrase “permanent part-time employees” means those employees who work twenty (20) hours or more per week, but less than a full workweek, and who are employed 52 weeks per year.
8.7 - Long Term Disability

Effective January 1, 1998, the Town shall provide for active employees' disability insurance coverage with the following features: 180-day waiting period, benefit of 60% of pay with $3,000 monthly maximum and with offset for any other disability income, benefits to age 65, disability defined as unable to engage in own occupation for first 2 years and unable to engage in any occupation thereafter.

8.8 - Vision Care

Effective July 1, 2003 the Town shall provide and pay the cost, for active employees and qualified dependents, for a “basic” networked vision care program as outlined in Attachment B. For each retiree eligible for health insurance benefits as defined in Article VIII, Section 8.3 (B), (C)(1), (D)(1), (2), and (3) and their eligible dependents, one (1) vision examination related to refractive errors shall be provided per year and be paid in full after a $20 copayment up to reasonable and customary charges, until eligibility for Medicare Supplement Plan, as per practice.

8.9 - Dental Insurance

Effective July 1, 2003, the Town shall provide a full service dental plan as outlined in Attachment C and pay 75% of the fully insured rate toward the cost of individual coverage. Each bargaining unit member shall be enrolled and pay 25% of the fully insured rate for individual coverage and have the option to elect further coverage for eligible dependents. Employees who elect to enroll dependents may do so, the Town shall pay 50% of the fully insured rate toward the cost of dependent coverage, employees will authorize monthly payroll deductions covering 50% of the fully insured rate toward the cost of such enrolled dependents. Dependents may be enrolled during the open enrollment period and must remain participants in the plan for at least twelve (12) months. Eligible dependents may include dependent children to age 19, or age 25 if full time students. Participation in the Dental Plan is limited to active employees, unless otherwise required by applicable law.

8.10 - Carriers

The Town may at any time and from time to time change the carriers for any of the foregoing insurance, provided that the benefits shall be the equivalent or better than those provided in the above referenced coverages.

8.11 - Pension

A. 1. The provisions of the Codified Ordinances of the Town of West Hartford relating to pensions for Town employees are made a part of this agreement. The Town shall continue the present pension coverage for existing clerical unit employees for the duration of the Agreement. Any and all amendments to said pension ordinance, which effect this bargaining unit, and which are enacted during the term of the Agreement shall also become a part hereof, provided that no such amendment which reduces retirement allowances or their dependent or beneficiaries, or which requires greater employee contributions than now specified, shall become a part hereof without written consent of the Union.
2. Employees hired on or after May 24, 2016 will participate in a “hybrid” retirement program. Employees shall become members of the Town of West Hartford Pension Plan, Part E. The Part E member shall contribute 3% of Base wages to the Plan. Upon reaching eligibility for a retirement benefit and, in compliance with Pension Ordinances, the defined benefit shall be calculated at 1% of Base wage multiplied by the member’s years of credited service, up to a maximum of 35 years.

3. Additionally, employees hired on or after May 24, 2016 shall become enrolled in the 401(a) defined contribution plan and shall allocate 2.25% of his/her Base wage to their 401(a) plan. The Town shall contribute an amount equal to 2.25% of the employee’s base wage to the employee’s 401(a) plan. The Plan shall be in compliance with IRS regulations.

B. The following amendments to the Pension Ordinance have been agreed to by both parties, effective as to members of this bargaining unit on the dates specified below, but shall not apply to Part E members hired on or after May 24, 2016:

1. For each individual retiring on or after January 1, 1998 there shall be a 1 % cost-of-living adjustment to their pension every year beginning 3 years after retiring with a normal retirement. The adjusted benefit shall begin on the closest January 1st or July 1st to the third year following the member’s normal retirement date.

2. For each individual retiring on or after January 1, 1998 with an early retirement, there shall be a 1 % cost-of-living adjustment to their pension every year beginning 3 years after they would have been eligible for a normal retirement. The adjusted benefit shall begin on the closest January 1st or July 1st to the third year following the member’s normal retirement date.

3. Section 30-24 (H) of the Pension Ordinance regarding the 1% cost of living adjustment will be applied as follows:

(a.) The 1% cost of living adjustment is provided on the amount of the member’s benefit at the time they are receiving it, except as modified by (3)(d) of this Section. The benefit will include all previous year’s COLA adjustments, so that there will be a compounding effect.

(b.) When a member who is receiving the temporary retirement allowance (as defined in Section 30-18 and 30-19 of the Pension Ordinance) is no longer eligible for that allowance, the COLA amount that was applied to the members benefit during the temporary increase will be applied on an actuarial equivalent basis to the new benefit.

(c.) COLA increases after a member’s eligibility for the temporary retirement allowance shall be on the amount of the member’s actual benefit at the time the COLA increase is to take effect, except as modified by (3)(d) of this Section.

(d.) COLA increases shall be calculated without regard to or inclusion of any portion of the retirement allowance which is payable to the member as a result of a retirement incentive.
4. The COLA provisions shall not apply to disability retirements, employees who terminate with a deferred vested benefit, or to beneficiaries of employees who die before becoming eligible for retirement.

5. Effective January 1, 1998, all active employees in the bargaining unit shall contribute, in addition to any other contribution they may make to the Pension plan, 1% of gross earnings to the Pension plan.

6. Any reduction in the 1% contribution, referred to in Section 11(B)(5), shall not be a mandatory subject of bargaining for the duration of this contract and for the duration of the next two succeeding contracts.

7. It is understood by both parties that the intended relationship of this 1% employee contribution and 1% COLA is to have the benefit pay for itself through employee contributions. It is agreed that any future change in the plan benefit negotiated by the parties that would change the intended relationship between the contribution and the COLA will be reason, for either party, to request and have accepted a opener of this Article VIII, Section 8.11(B)(1), (2), (3), (4) and (5) of the collective bargaining agreement, for the purpose of negotiating a change that will keep the intended relationship intact. Such opener shall not, however, violate the provisions of Section 8.11(B)(6).

8. Any employee who leaves Town service and withdraws from participation in the Town’s Pension Plan shall receive a refund of their 1% pension contribution as referenced in Section 8.11 (B)(5) plus 2% interest payment. Such payment is a separate refund from any other refund which may be provided in Section 8.11(E).

C. For bargaining unit employees who are Part B members of the Pension Plan, Section 30-19 of the Pension Ordinance shall be modified, effective January 1, 1998, so that:

1. The reduction in benefits for years of service prior to January 1, 1989 shall be changed to apply to years of service prior to January 1, 1986; and
2. The reduction shall not be made until the member reaches full retirement age as defined by the Social Security Administration schedule.
3. Members with years of service prior to January 1, 1986 and with total Town service exceeding 30 years, the pension calculation shall adjust the amount of service worked prior to January 1, 1986 by the amount of service worked beyond the maximum of 30 years. For example:

   Employee A has a total of 34 years of service. Of the 34 years, 5 years were worked prior to January 1, 1986. The years of service in excess of 30 years are 4 years. The 5 Pre-86 offset years shall be reduced by 4 years, leaving 1 year to be offset.

D. 1. The Town shall establish procedures for allowing members of the bargaining unit to buy back eligible years of service from other governmental entities through payroll deductions and to use any contractual provision for sick leave buy out upon retirement for the purpose of such buy back. Employees may only buy back years of service from other entities during their first year of service with the Town or during their last year of service with the Town.
2. Employees who exercised their option to purchase eligible years of service from other governmental entities as provided in Section 8.11 (D)(1) may request reimbursement of the previously purchased service if they no longer wish the previous service to be used in the calculation of retirement benefits. Refunds will be allowed and calculated based on the cash value at the time of the initial purchase. Reimbursement of buyback payments shall not be subject to any interest payment from the Plan. All buyback provisions shall be in accordance with Pension Plan provisions.

E. The Town shall establish procedures for enrolling members of the bargaining unit in the existing deferred compensation plan. Participation in this plan shall be at the discretion of each individual employee, and shall not require any contribution by the Town. In lieu of a contribution to the deferred compensation program by the Town, the pension contribution (Article VIII, Section 8.11(J)) shall have the base wage portion of the contribution reduced by 1.2% (wages earned in excess of base shall be subject to the full contribution).

F. An employee shall provide his/her department director 30-days’ notice of his/her intent to retire under the Town of West Hartford Pension Plan.

G. For bargaining unit employees who are Part B members of the Pension Plan, Section 30-12 of the Pension Ordinance shall be modified, effective July 1, 2003, to reflect the following:

1. Any member who is hired by the Town on or after July 1, 2003 and shall have attained the age of 65 years and completed 15 years of credited service or attained the age of 62 years and completed 35 years of credited service shall be eligible for retirement from active service and for a normal unreduced retirement allowance.

2. Any member who is hired by the Town before July 1, 2003, and who retires on or after July 1, 2003 and who became eligible for a normal retirement by attaining at least the age of 55 and having at least 25 years of credited service or at least the age of 60 and having at least 10 years of credited service, and does not retire shall earn the following annual pension supplement:

3. (a) The pension supplement shall not be calculated in the cap calculation. The years of credited service and/or buy-back of years from other employment are still capped at 35. However, the supplement will be added to an employee’s pension above the cap amount.

(b) The above pension supplement will not be calculated as part of the COLA computation and will not be a survivor benefit.

(c) The supplement shall be made annually in a single payment during the month of July, starting the first July after the employee’s retirement date.
4. The parties agree that for the duration of the 2002-2007 collective bargaining agreement, and in negotiations for the next three succeeding collective bargaining agreements between the parties, any change in the age and/or years of service for a normal pension retirement shall not be a mandatory subject of bargaining. The parties further agree that this provision may be extended by mutual agreement of both parties.

H. For bargaining unit employees who are Part B members of the Pension Plan, Section 30-13D of the Pension Ordinance shall be added, effective July 1, 2003, to reflect the following:

Any member who is hired by the Town on or after July 1, 2003 and shall have attained the age of 55 years and shall have completed 15 years of credited service or attained the age of 60 years and completed 10 years of credited services shall have the option, to be exercised by written request to the Pension Board, to retire not less than 60 days after the filing of said request with the Pension Board.

I. For bargaining unit employees who are Part B members of the Pension Plan, Section 30-8 of the Pension Ordinance shall be modified, effective July 1, 2003, to reflect the following:

AVERAGE FINAL COMPENSATION – The average annual compensation of a member during the three highest paid years of service prior to and including the last full month of employment. For employees hired on or after July 1, 2003 the average final compensation for a Part B member shall not exceed the member’s highest paid calendar year base wage. The highest paid calendar year base wage will be calculated on base wages or salary only and will not include payments on account of overtime worked, longevity payments, meal payments, or any other payment.

J. 1. (a.) Effective July 1, 2006, all active employees in the bargaining unit shall contribute, (in addition to Article VIII, Section 8.11(B)(5) for eligible employees), 1.8% of their gross earnings to the Pension fund. Such contribution shall increase according to the following schedule:

An additional .5% per year starting 7/1/2014 for a total of 2.3%
An additional .5% per year starting 7/1/2015 for a total of 2.8%
An additional .5% per year starting 7/1/2016 for a total of 3.3%
An additional .5% per year starting 6/30/2017 for a total of 3.8%

(b) In lieu of a contribution to the deferred compensation program by the Town, the pension contribution shall have the base wage portion of the contribution reduced by 1.2% (wages earned in excess of base shall be subject to the full contribution for employees hired prior to May 24, 2016.)

2. (a.) When an employee hired prior to July 1, 2003, reaches 30 years of credited service with the Town (excluding any buy-back time) his/her contribution shall be reduced to 2.0% of their gross earnings.

(b.) When an employee hired after July 1, 2003, but prior to May 24, 2016, reaches 35 years of credited service with the Town (excluding any buy-back time) his/her contribution shall be reduced to 2.0% of their gross earnings.
(c.) Any employee hired after May 24, 2016 shall maintain their employee contribution to the Pension Plan through the term of their employment.

K. 1.) Effective July 1, 2007, any member of the bargaining unit hired prior to July 1, 2003 and retiring after July 1, 2007, who earns 30 years of credited service, not counting buyback of service time, shall receive an annual benefit equal to 70% of the member's average final compensation provided they otherwise are eligible for a normal retirement benefit by reaching age 55 with 25 years of service or age 60 with 10 years of service. Members with years of service prior to January 1, 1986 are subject to a benefit offset as defined in the pension ordinance.

2.) Effective July 1, 2007, any member of the bargaining unit hired prior to July 1, 2003 and retiring after July 1, 2007, who earns 25 years of credited service but less than 30 years of service, not counting buyback of service time, shall receive an annual benefit equal to 60% of the member's average final compensation provided they otherwise are eligible for a normal retirement benefit by reaching age 55 with 25 years of service or age 60 with 10 years of service.

3.) Members with years of service prior to January 1, 1986 are subject to a benefit offset as defined in the pension ordinance.

L. Provisions of the Pension Ordinance related to Disability Pensions, as a result of workplace injuries, shall be modified effective July 1, 2007 to provide for the following:

2.) Regardless of years of service, the disability pension benefit shall be offset at a rate of one dollar for every two dollars of income, once income plus disability pension benefit equals the employee's annual base salary at the time of disability. Income shall be defined as adjusted gross income on federal income taxes and include, but not be limited to, wages, long term disability payments, workers' compensation payments, etc.

3.) An employee who qualifies for a disability pension, who is offered alternate employment shall remain a member of Part B of the Pension Plan for all purposes, including the computation of employee and Town contributions, retirement eligibility date, and pension benefit computation, as if he or she had remained in his/her former position, and had received the salary increase uniformly applicable to his/her former position. An employee similarly situated from another bargaining unit shall maintain the benefits afforded to them under the collective bargaining unit they belonged at the time of the injury.

Grade 5

Grade 4

Grade 3
9.2 If an employee is hired at the first step and completes six months of service, they will be eligible to advance on or after the effective date of this agreement to the second step effective with the employee's six-month anniversary date of employment providing they meet the conditions set forth in Section 9.3 of this Article.

9.3 The Town reserves the right to grant annual merit pay increases. Merit salary increases within an established range shall depend primarily upon recommendations of merit by the Department Head. Merit salary increases shall not be predicted solely upon the length of service. Merit increase will be given only upon certification by a Department Head that the employee has maintained consistently high level of performance throughout the preceding year. When an increment is withheld, the employee shall be notified in writing of the reasons for such action and shall have the right to challenge the decision by means of the grievance procedure.

Merit increases in excess of one step or more often than once per year shall be reserved for exceptional performance and shall be given only with approval of the appointing authority.
Merit salary increases will normally be made with the employee's anniversary date of advancement.

9.4 When an employee is promoted from one class to another his/her rate of pay will be increased on the date of such promotion from his/her current step in his/her current salary range to the corresponding step in the range for the position to which he/she is promoted, except that he/she shall not be placed on any step in the pay range for the new position which results in an increase of more than 10% in the employee's biweekly or hourly rate unless required to place the employee at least at the minimum of the new rate range. Following promotion, merit salary increases will normally be made on the anniversary date of the promotion.

9.5 No employee shall repeatedly or for an extended period be detailed or required by his superiors to perform duties of a higher level of skill or responsibility than those included in the description of their regular position in the classification plan without reasonable provision for additional compensation to the employee, except as provided below. Such duty is hereinafter referred to as "higher work assignment" and such additional compensation shall be paid for the period of such "higher work assignment at a rate not less than 5% higher than the employee's current rate in their regular position. Notwithstanding the foregoing, however:

(a) Additional compensation shall not be paid for any "higher work assignment" that, with the consent of the employee, is included as part of an apprenticeship or on-the-job training program administered under regular supervision and designed specifically to prepare the employee for possible advancement.

(b) If operating conditions so required, an employee may be detailed to an occasional "higher working assignment" of less than one normal work day's duration without additional compensation but they may refuse to accept more than one such "higher working assignment" in any calendar month without additional compensation for the period of the assignment.

9.6 Effective July 1, 2013, on the employee's anniversary date of employment after five (5) years of consecutive and continuous full-time (excluding part-time) Town service, and on their yearly anniversary thereafter, they will be awarded a lump sum according to the following table.

On completion:

Such lump sum will be given to the employee on a regular payroll date nearest to the employee's anniversary date of employment, and will be subject to payroll deductions. For the purpose of this Section, if the employee leaves the Town service for any reason prior to their anniversary date of employment of this lump sum payment, they shall forfeit such payment.

9.7 A Staff Assistant working in the Police Records Division performing the payroll function, in addition to his/her other duties, will receive a stipend of ten (10) dollars per day. One Staff Assistant will be assigned payroll duties typically for a 12-week period. Only the Staff Assistant assigned to payroll duties will receive the stipend.
9.8 A.) Effective July 1, 2013, and upon receipt of transcripts, members of this bargaining unit shall receive additional compensation for educational attainments in accordance with the following schedule:

1.) For satisfactory completion at an accredited college or university of an Associate’s Degree - $720 annually ($60 per month).
2.) For satisfactory completion at an accredited college or university of a Bachelor’s Degree - $1,020 annually ($85 per month).

B.) Employees shall be eligible for either education incentive defined in Section 9.8 (A) (1) or (2), not both. Within each category a member may only receive one incentive regardless of the number of degrees possessed.

C.) Employees shall provide certified transcripts to the Employee Services Department prior to determination of eligibility for this benefit. Educational incentive commences following receipt of certified transcripts.

ARTICLE X - Hours of Work and Overtime

10.1 Unless otherwise specified herein, the basic work week for full-time employees who are in the bargaining unit shall consist of 35 hours.

10.2 All work in excess of hours in the basic workweek shall constitute overtime.

10.3 Work Schedule: For all Library personnel, the work schedule shall consist of five (5) workdays during the service week and two (2) days off, one of which shall be Sunday; provided that if the Town makes a decision to keep the Library open to the public seven (7) days a week, the Town shall provide the Union with written notice of such decision at least thirty (30) days prior to implementation thereof, and the parties shall meet to renegotiate the provisions of this sentence. For all other personnel in the bargaining unit, the work schedule shall consist of five (5) consecutive workdays during the service week and two (2) days off, at least one of which shall be either Saturday or Sunday; provided that work schedules shall be rotated every four (4) weeks in departments where more than one work schedule exists.

10.4 Distribution of Overtime: The Town shall have the right to require overtime work in a manner most advantageous to the Town, but every effort shall be made to keep overtime at a minimum consistent with the demands of the public service. Generally, overtime work, when required, shall be offered to and distributed as equally as practicable among employees within the organizational unit whose position classifications call for such work as is required. When such overtime work is related to a specific job assignment to which a particular employee has been detailed over a period of time, however, or for which, in the opinion of the Division or Department Head, a particular employee is particularly well qualified, nothing herein shall be construed as preventing the detailing of such particular employee to a specific overtime work assignment, regardless of other considerations. In any event, the opportunity for overtime work shall be offered to all employees in the organizational unit whose position classification calls for such work as is required before it is offered to any other employee. If an employee is scheduled for overtime work and he or she does not avail himself or herself of the opportunity

29
to work overtime, it shall be so noted, and the hours for the purpose of determining equal
distribution of overtime shall be considered as worked by such employee. If all persons in the
same classification refuse to work overtime, the Town may require employees to work
overtime, starting with the least senior person.

10.5 Compensation for Overtime: Employees shall be compensated for overtime work at the
following rates, payable for the pay period in which the overtime was incurred, so that the
next immediate succeeding pay check includes such compensation:

(a) at "straight time," or regular rate of pay, for up to four (4) hours worked in excess of their
basic workweek for employees whose basic workweek schedule is thirty-five (35) hours.

(b) at one and one-half their regular rate of pay for any time worked that is:

1.) more than four (4) hours in excess of their basic workweek, or
2.) performed by employees in excess of forty (40) hours, or
3.) performed on any day observed as a holiday in accordance with Article V, or
4.) performed on any other day not included in their work schedule.

(c) Overtime may be compensated (by agreement between the employee and supervisor) by
compensatory time off, computed in the same manner as financial compensation would
otherwise have been computed. Such compensatory time off shall be taken during the same
period in which the work is performed. Except as required by law, no payment for unused
compensatory time shall be made upon termination of employment for any reason and
compensatory time may not be used as terminal leave.

10.6 Computation of Overtime: For the purpose of computing overtime hours in excess of the
basic workweek, hours paid for but not worked on holidays or any other approved leave with
pay shall be counted as hours worked.

10.7 Compensation for Holidays: Subject to the provisions of Articles V and XIV, every
employee shall receive a full day's pay for each holiday observed by the Town, consisting of
their regular rate of pay for one-fifth (1/5) of their basic work week. Work performed on an
actual holiday, determined without reference to Article V, Section 5.2(a) and (b), shall be
compensated at two (2) times the employee's regular rate of pay.

10.8 An employee called in for emergency work, as determined by the Town, shall be paid at
one and one-half (1-1/2) times their regular rate of pay for actual hours worked, but not less
than the equivalent for four (4) hours of their regular hourly rate of pay.

10.9 An employee shall be deemed to have been "called in" only when they are notified, after
finishing their preceding regular shift, of work to be done. If they receive such notice before
finishing their shift, they shall be deemed to have worked continuously, for purposes of this
Section. Only hours between their regular quitting time and two (2) hours before their next
day's starting time are subject to the call-in provision during the regular work week.

10.10 Once an employee has been called in, they shall be considered to be available for work
for the next four (4) hours; and if they are called back to work more than once within such
four (4) hour period, they shall not be entitled to a second four (4) hour straight-time
minimum. However, if the second call-in extends beyond the end of the original four (4) hour
period, all work thereafter shall be compensated at time and one-half.
10.11 Overtime records: A record of overtime shall be kept in the department, or division, and shall be made available to inspection by employees and the Union.

10.12 An employee who is requested or required to attend and participate in a meeting or public hearing or to conduct other Town business away from the office after scheduled work hours shall be paid not less than the equivalent of three (3) hours at his regular hourly rate of pay.

10.13 The Payroll Specialist position will work 75 hours bi-weekly. The Payroll Specialist will normally work 40 hours per week during a payroll preparation week, and 35 hours during a non-payroll preparation week.

**ARTICLE XI - Existing Rules and Practices**

11.1 The Town agrees to provide bulletin boards at the various buildings in Town where employees of this Unit work and to permit the Union to utilize them for posting of notices concerning Union business and activities. Permission is also granted to utilize the internal mail system to send notices and communication addressed to various members.

11.2 The Town shall also utilize the boards for posting any matter generally related to wages, hours, or conditions of employment; and supervisors shall be instructed to post such matter.

11.3 Except as specifically abridged, modified by or in conflict with express provisions of this agreement, Chapter XIII, Consolidated of Codified Ordinances of the Town of West Hartford, entitled "Personnel Rules," shall continue in effect as amended from time to time.

11.4 No rule, regulation, or work practice approved by the Division Managers and Department Heads shall be changed or adopted during the term of this Agreement without prior consultation with the Union concerning the content of such proposed change or adoption. In the event disagreements are not resolved by such consultation, and such change or adoption takes place, the rule, regulation or work practice in question may be challenged through the grievance procedure with regard to whether or not it is a reasonable one.

11.5 If any Article or Section of this contract is declared invalid by a competent court or by any State Labor Department ruling, for any reason, such declaration of invalidity shall not affect the other articles or sections or portions thereof which shall be held valid and in continued force.

11.6

(a) Any employee who believes his/her position is not properly classified, may request the Personnel Director to review such position. After receipt of the job analysis questionnaire, the Personnel Director or his or her designated representative shall conduct a study of the individual's position and shall render their decision in writing to the employee, Union and the Department head within 120 days of receipt of the job analysis questionnaire. If the employee is not satisfied with the decision of the Personnel Director, he or she may submit an appeal to the Personnel Board within ten (10) days thereafter. Said Board shall hear and act on such dispute in accordance with its rules of procedure and render a decision within sixty (60) days
of the date of the receipt of such appeal which shall be final and binding on all parties unless a request for arbitration is made by the Union or the Town within ten (10) calendar days of the receipt of the Board's decision.

The appealing party shall file notice of appeal with the American Arbitration Association, with all costs borne equally by the Town and the Union. The AAA shall act on such request in accordance with its rules and regulations. The decision of the arbitrator shall be final and binding on both parties.

(b) The Time limits specified above may be extended by written agreement of the parties.

(c) If an employee's position is reallocated to a higher class, such employee's merit increment date will remain unchanged. Such action will be treated as a promotion for the purpose of determining the pay rate of the employee involved. If an employee's position is reallocated to an lower class, such action shall be treated as a demotion for purposes of determining the pay rate of the employee involved, provided that if the maximum rate of pay for the employee's new class is lower than the employee's existing rate of pay, such employee shall continue to receive their existing rate as long as they remain in such position, until such time as the maximum rate for the employee's new class equals or exceeds the employee's existing rate.

(d) This section shall not apply to cases where there is more than one employee or position occupying the classification in question, unless the claim is that a single employee's work is sufficiently distinct from that of other employees who justify reallocation of his or her position to a new or different classification. Claims affecting more than a single employee or position shall be reserved to general contract negotiations or wage reopeners.

11.7 The Town agrees to reproduce sufficient copies of this contract and to provide a copy to the Union offices and to each Department Head and Division Manager and other administrators, by whatever title, whose functions are substantially managerial.

11.8 The Town shall furnish the Union announcements of promotional position vacancies. In addition, the Town shall inform the Union of any new hires or terminations among full-time or part-time permanent employees in the bargaining unit.

11.9 Mileage reimbursement for employees who use their private automobiles for business purposes shall be in accordance with Town policy as established by the Town Manager.

11.10

(a) The Town shall furnish each employee at least once a year with a statement of the earned sick days to his credit, and net accrued vacation days.

(b) The Town shall furnish each employee with a copy of each Personnel Action Form pertaining to his personnel record including such actions as are signed by management, without the employee's own signature.

11.11 The Town shall promptly furnish the Union with copies of all duly authorized new and revised specifications concerning classifications within the bargaining unit.

11.12 When death occurs in an employee's immediate family, funeral leave with pay shall be granted in accordance with the following schedule:
• 5 days leave for employee’s mother, father, spouse, civil union spouse, child, sister, brother, domestic partner;
• 5 days leave for spouse’s or civil union’s spouse’s mother, father, children;
• 3 days leave for employee’s grandparent, grandchild; or any other relative whether by birth, civil union or marriage actually domiciled within the household of the employee or to whose support the employee contributed a majority share.
• 3 days leave for spouse’s or civil union spouse’s sister, brother, grandparent, grandchild;
• 1 day leave for employee’s aunt, uncle

Exceptions to this provision will be referred to the Personnel Director. Documentation of need and priority may be required at the discretion of the Director. Domestic Partner is not considered as the spouse for the purposes of this provision, however a civil union spouse is considered a spouse.

11.13 Employees shall be granted leave with pay for the following reasons and subject to the following restrictions: (1) Jury duty. (2) Any other required appearance before a court or public body except where the employee is a litigant. (3) Participation in short term military training in Federal Reserve or National Guard, in short term military training in Federal Reserve or National Guard, not to exceed two weeks in any calendar year. (4) Participation in conferences or official meetings which enhance the employee’s value to the Town and approved by the appointing authority. (5) Participation in education or training courses which enhance the employee’s value to the Town and approved by the appointing authority. In case the employee receives any pay or remuneration, such as a fee for jury duty or military pay, or a scholarship or fellowship, their Town salary shall be reduced by the amount for the duration of the leave.

11.14 Employees shall be granted leave without pay for the duration of military service and shall be returned to their original position or to one similar in pay and duties upon their separation from such military service provided they return to the Town service within ninety (90) days of their separation from the military service or from hospitalization arising from such service.

11.15 Employees may be granted other leave without pay at the discretion of the Director with the concurrence of the Personnel Director when, in his opinion, the Town service would benefit from such leave. Such approval shall be granted only after consideration of the needs of the Town service, the service record of the employee, and the relevancy of the request to the needs of the Town.

11.16
(a) Both parties agree to continue their policies of not discriminating against any employee on the basis of race, creed, color, national origin, religion, age, sex, marital status or physical disability, or membership or lawfully protected activities in behalf of the Union.

(b) The parties agree to continue their policies of not discriminating against any employee on the basis of any State or Federal statutorily protected class. Masculine or feminine pronouns used throughout this agreement are intended to refer to individuals of either sex.
(c) The town agrees to abide by applicable provisions by the State of Connecticut Civil Union statutes.

11.17
(a) The Town shall provide adequate Workers' Compensation Insurance and shall supplement the Workers' Compensation payments of the insurance company so that the employee will receive full pay during this absence, provided that such supplementary benefits shall end one (1) year from the date on which the injuries were sustained.

(b) Effective upon execution of this collective bargaining agreement the supplement referred to in Section 17(a) shall be calculated so that the net take-home amount the employee receives while on workers' compensation shall not be more than they would have otherwise received if they were not on workers' compensation.

(c) Should an employee recover from a third party damages for an illness or injury including death, compensable pursuant to C.G.S. Chapter 568, the employee agrees to reimburse the Town for the supplemental wage payments paid to them up to the limit of such recovery, in the same manner that workers' compensation payments are reimbursed under applicable law.

11.18 The Town may employ temporary or seasonal employees provided no members of this bargaining unit who are qualified to perform the work involved are on layoff at the time.

11.19
(a) The Town shall make every reasonable effort to make repairs or to adjust unsafe or unhealthy working conditions as soon as possible after such conditions are reported.

(b) Employees shall perform their duties in a safe manner and shall comply with the Town's safety rules and accident prevention measures. Unsafe conditions shall be reported to the Town promptly.

(c) Complaints regarding safety concerns shall be handled internally through the contractual grievance procedure, but individual employees may not appeal such grievances to Step 3 or Step 4 of the grievance procedure except through the Union as their representative.

(d) Effective with the 1991 - 1994 union contract, the Town will establish a unit-wide Health & Safety Committee to discuss concerns of the bargaining unit.

11.20 In the event that an employee who is assigned to work on a VDT becomes pregnant, the Town shall upon her request give fair consideration to temporary transfer or reassignment of the employee or her work in order to minimize or eliminate VDT exposure. Factors to be considered include the wishes of the employee, the disruption of the operation, the frequency and duration of VDT exposure, and available medical opinions.

11.21 The Town shall provide an employee full financial assistance for required educational courses and training programs which are job related and designed to improve the employee's chances for promotion. For courses which are voluntary, reimbursement shall be provided at the Town's discretion. In exercising that discretion, the Town may establish a committee of management members to review requests, and may adopt reasonable restrictions on reimbursement in order to ensure that available funds are distributed equitably.
In order to be reimbursed the employee must complete the course with a passing grade of at least C. Total reimbursement will be 70% of costs for a grade of C or above, 80% of costs for a grade of B or above and 90% of costs for a grade of A or above. One-quarter of total reimbursement shall be paid upon completion with a satisfactory grade, and the remainder will be reimbursed at the rate of $100 per month thereafter.

11.22 Any employee may request a leave of absence without pay, which may be granted or denied by the Department Head after consultation with the Director of Employee Services. If such leave is granted, the employee and dependents shall remain enrolled in the Town's medical insurance plans, with the Town paying the cost of coverage for the month in which the leave commences plus one (1) additional month (six months in the case of leave without pay for medical reasons, as verified by a physician's certification), and the employee paying the cost of such coverage thereafter. The employee shall not accrue vacation leave, sick leave, pension credits or other benefits during a leave without pay, but upon the employee's return, such benefits will be reinstated at the same level they existed when the leave began. If the employee allows the coverage to lapse, the Town will assure that upon return to active employment, the coverage will resume immediately without a waiting period. The employee shall not accrue vacation or sick leave for any calendar month during which he/she is not actively employed for at least half the scheduled number of working days. Employees shall not be paid for holidays or other paid leave while on leave without pay. Administration of other benefits shall be in accordance with applicable provisions of the Personnel Rules and the Pension Plan.

11.23 Effective March 7, 2008, employees shall be required to have their payroll checks deposited directly. Direct deposit of payroll checks shall be a condition of continued employment. Employees with on-line access shall receive their payroll related documents using the on-line direct deposit system.

ARTICLE XII - Union Business Leave

12.1 Wages are payable to not more than four (4) employees for the time spent in negotiations during normal working hours, but not after such hours. Wages shall not be payable to more than one employee in any one department at any one time.

12.2 Special leave of absence with pay will be granted under the following conditions to authorized Union Representatives for attendance at conferences, institutes, or seminars sponsored or endorsed by the Union:

(a) Written request for such leave shall be submitted by the Union to the Department Head at least ten (10) calendar days prior to the first day of such requested leave.

(b) Not more than an aggregate total of ten (10) days of leave from scheduled duty shall be granted annually with pay under this Section. Leave without pay aggregating an additional fifteen (15) days may be granted annually by the Department Head for other Union business.

(c) The Department Head may deny a request for either paid or unpaid leave submitted under the section if, in their opinion, the absence from duty of the employee during the period of requested leave would be seriously detrimental to the best interests of the department.
because of operating requirements. When such leave is for a longer period than one (1) day, the Department Head may deny leave to any more than two (2) employees who would otherwise be on scheduled duty during any part of the proposed period of leave.

(d) The Department Head, within three (3) calendar days after submission of a request for leave under this Section, shall grant or deny the request in writing to the Union. In granting any such request, he may require that the employee, upon return to duty, furnish evidence of his/her attendance at the conference, institute or seminar for which the leave was granted.

(e) It is recognized that an employee who is granted leave with pay under this Section is granted such leave in his capacity as a representative of the Union, as distinguished from his service as an employee of the Town; therefore, it is agreed that during the period of such leave, the Town shall have no greater legal or other obligation to such employee than it would have to any employee absent from duty on authorized leave without pay.

ARTICLE XIII - Seniority, Job Security and Layoffs

13.1 Seniority shall be defined as an employee's length of service in the bargaining unit since their most recent date of hire. Probationary employees shall have no seniority during the period of their probation, but at the expiration of such period they shall immediately accrue seniority from their date of hire.

13.2 In the event of layoffs within a particular classification, employees in that classification shall be laid off in reverse order of seniority. In lieu of layoff, an affected employee may elect to displace any less senior employee in the bargaining unit in any lower job classification within the same occupational series (as defined in Appendix A), provided he or she is qualified. Such replaced employee may exercise the same right. For the purposes of this Section only, Union stewards, not to exceed four (4), shall be treated as the most senior employees in their classification or in any classification into which they are placed as a result of this Section.

13.3 Employees on layoff shall retain recall rights for a period equal to their length of continuous service, up to a maximum of two (2) years from the date of layoff. Recall shall be in order of seniority. An employee who is recalled shall be so notified by certified mail, return receipt requested, and shall be expected to report for duty not more than five (5) days after receipt of such notification. Time limit may be waived by agreement of the parties for good cause. Employees recalled to any classification shall return to the same status they held on the date of layoff in terms of pay rate within classification, vacation and sick leave accumulation, if any, seniority, and all other benefits (including pension, to the extent permitted by ordinance). However, no seniority, leave time, or other benefits shall accrue during the period of layoff. Employees shall have recall rights to any classification to which they had displacement rights under Section 2, as well as to their former classification.

Employees who accept recall to a lower classification shall retain recall rights to their former classification for the balance of their recall period.

13.4 Seniority shall be broken only by the following events: discharge for cause; retirement; resignation; layoff for more than the applicable recall period; failure to report for duty within five (5) days after notification of recall (unless waived in accordance with preceding Section).
Seniority accumulation shall be suspended (but not broken) during layoff or during long term leave of absence without pay (more than thirty (30) days).

13.5 Every permanent full-time classified or unclassified employee in the bargaining unit whose services are terminated as a result of the elimination of his position is entitled to any unused vacation leave accrual and in addition, severance pay. Such termination which is outside of the employee's control will not reflect any discredit on the service of the employee. The employee is eligible to receive severance pay as follows:

<table>
<thead>
<tr>
<th>LENGTH OF SERVICE</th>
<th>NUMBER OF BASIC WORK</th>
</tr>
</thead>
<tbody>
<tr>
<td>3 to 5 years inclusive</td>
<td>2</td>
</tr>
<tr>
<td>Over 5 to 10 years inclusive</td>
<td>3</td>
</tr>
<tr>
<td>Over 10 to 20 years inclusive</td>
<td>4</td>
</tr>
<tr>
<td>Over 20 years or more</td>
<td>5</td>
</tr>
</tbody>
</table>

Employees must have a minimum of three (3) calendar years of continuous Town service in order to be eligible for severance pay. A week's pay will be determined by the employee's basic work week and excludes overtime earnings.

13.6 Except as otherwise specifically set forth in this Article, the term "layoff" means involuntary separation from employment because of lack of work, lack of funds, elimination of position, or other legitimate reasons. The term "layoff" shall not include demotion, nor cases where an employee is promoted but does not successfully complete the probationary period for the classification. Such an employee shall be returned to a position in their former classification, if at any time during the probationary period the Town determines they are not qualified for the new classification.

13.7 The present ordinance on personnel rules shall apply except as modified by this contract. Ordinance paragraph 30.0.25(e) (2) ("Emergency Appointments") shall be changed so that appointments shall automatically end in thirty (30) days, except that if the emergency continues, the appointment may be extended to a total of 120 days; and furthermore, no individual may be given more than a total of two 120-day appointments to the same position in any fiscal year.

13.8 The Town shall maintain a current list of employees in the bargaining unit. The Town agrees to furnish the Union with the current list of employees, their classification, date they obtained regular status, and their pay rates. This list to be furnished at least twice a year; once between December 1st and December 29th of each year; and once between July 15th and July 30th of each year. The Town will also furnish the union with a list of regular part-timers in the bargaining unit.

13.9 For the duration of the 2013-2017 collective bargaining contract, the parties agree to the following:

A. As a result of the Employer contracting out to a private source or reassigning to the Board of Education any of this bargaining unit's present work or services, no bargaining unit employee shall be demoted, have his/her work week reduced below normal hours, be laid off,
or suffer any loss in wage rate, as a result of this contracting out or reassigning to the Board of Education;

B. Not as an attempt to shift work out of the bargaining unit but rather to have others support this bargaining unit to finish a task in a given time, the parties agree that:

1. The employer may use supervisors and employees from other bargaining units to temporarily supplement and support the work of this bargaining unit provided the use of said supervisors or employees from other Town bargaining units does not result in the reduction in standard work hours, lay off, demotion, or loss of wage rate for members of this bargaining unit; and

2. The Town may use members of this bargaining unit to temporarily supplement and support the work of their own and other bargaining units provided that so doing does not result in the demotion, reduction in standard work hours, layoff, or loss of wage rate for members of this bargaining unit.

**ARTICLE XIV - Miscellaneous**

14.1 The parties acknowledge and agree that the following memoranda of understanding remain in full force and effect:

a. Agreement of 11/18/86 regarding retiree health insurance benefits for individuals hired prior to July 1, 1986.

b. Agreements of 11/18/86 relating to Pension Plan.

c. Agreement of 11/18/86 regarding Health Care Cost Containment

d. Agreement of 2/16/95 regarding Flexible Work Schedule Policy

e. Agreement of 3/3/04 regarding Payroll Specialist classification
ARTICLE XV - Duration

15.1 This Agreement contains the full agreement between the parties on all negotiable issues, and neither party shall be required during the term hereof to negotiate upon any issue, whether covered or not covered herein, during the term hereof.

15.2 This Contract shall be in full force and effect from July 1, 2013 to June 30, 2017, and shall continue in effect thereafter, unless amended or modified in the manner prescribed below, or terminated in accordance with the law. Wage increases and other changes which bear an effective date prior to the execution of this agreement shall be implemented retroactive to the date indicated. All other changes shall be implemented as soon as possible after the execution of this agreement.

15.3 Between the first day of January and the first day of February, 2017, either party may notify the other that it wishes to amend or modify the contract as of July 1, 2017. Within thirty (30) days of such notification, the party receiving such notification shall meet with the other party to discuss the proposed amendments or modifications.

In witness whereof the parties hereto have set their hands on this day of February, 2018.

AGREEMENT

This agreement is made by and between the Town of West Hartford ("Town"), SEIU Local 531 ("Union"), and each and every person employed by the Town on July 1, 1986 in a position included in the Clerical Unit represented by SEIU Local 531, as set forth in Schedule A ("Covered Employees").

WHEREAS the Town and SEIU Local 531 have negotiated and agreed upon conditions for coverage of retirees and dependents under the Town's health insurance plan, which conditions are different for individuals hired before and after July 1, 1986, and

WHEREAS the Town and SEIU Local 531 wish to guarantee individuals hired before July 1, 1986 that their retiree health insurance benefits will not change,

NOW THEREFORE the parties agree as follows:

(1) The retiree health insurance provisions of the 1986-1988 collective bargaining agreement between the Town and SEIU Local 531, as set forth in Schedule B, are incorporated herein by reference.

(2) Such retiree health insurance provisions will remain in full force and effect for all covered employees listed in Schedule A, and will be binding on the Town with respect to such covered Employees, for as long as they live, regardless of whether or not the corresponding provisions of the applicable collective bargaining agreement remain in effect.

(3) This agreement shall be enforceable by any or all of the Covered Employees listed in Schedule A in any court of competent jurisdiction. In the event the Town fails to comply with this agreement, the Town shall pay the costs and attorney's fees of the prevailing plaintiff(s), in addition to any other legal or equitable relief which the court may order.

(4) The Town agrees to indemnify and hold harmless SEIU Local 531 in the event of claim by any of the covered Employees listed in Schedule A, asserting either (a) the deprivation of the rights of Covered Employees by reason of agreement to the terms contained in Article VIII Section 8 of the 1986-88 collective bargaining agreement, or (b) an action by any or all of such Covered Employees to prevent or remedy any breach of this agreement by the Town. The Union agrees to use reasonable efforts to dissuade Covered Employees from initiating frivolous actions to enforce this agreement.
IN WITNESS WHEREOF the Town Manager, having been duly authorized by the Town Council, the Union President, acting on the basis of a ratification vote constituting authorization by the membership of the Union, and the covered Employees, have all affixed their signatures on the dates indicated below.

APPENDIX C

TOWN OF WEST HARTFORD and SEIU LOCAL 531

Agreements Relating to Pension Plan

In conjunction with the negotiations during 1985 and 1986 leading to new collective bargaining agreements with the various units of Town employees represented by Local 531, the parties have reached certain understandings regarding pension provisions which apply to all Local 531 bargaining units. Although these understandings are not appropriate for inclusion in the Pension Plan itself, they are binding on the Town and the Union.

1. The Union does not object to the amendments to the Plan currently under consideration by the Town Council, relating to eligibility requirements for entry into the Plan. However, the Union reserves the right to challenge such amendments if they are determined not to comply with applicable age discrimination requirements, and assumes no responsibility or liability if such a determination is made.

2. The Town agrees to change its administrative procedures so that upon termination of an employee who is vested in the Pension Plan, in the absence of an election, the employee will be presumed to elect retention of vested rights rather than a return of contributions.

3. The Town will explore the possibility of providing annual pension benefit statements within the limits of available funds.

4. Upon the expiration of the current term of the employee appointee to the Pension Board in 1988, the Town will appoint a member of one of the Local 531 bargaining units, such individual to be selected by the Town from a list of five (5) SEIU bargaining unit members submitted by the Union.

IN WITNESS WHEREOF, the parties have caused their duly authorized representatives to affix their signatures this 18th day of November, 1986.

APPENDIX D

TOWN OF WEST HARTFORD
AND
SEIU LOCAL 531

Memorandum of Understanding re:
Health Care Cost Containment

The Town may choose to provide for the administration of employee health benefits under a "cost-containment" program by any provider who has filed with and been approved by the Connecticut State Department of Insurance to provide such services. Such a program may include any of the following classifications and definitions of services, provided that implementation or elimination of any such service is thoroughly communicated to all employees not less than 60 days prior to the effective date of implementation or elimination. Once implemented, the Town may eliminate any such service at its sole discretion provided it gives employees the notice required above and further provided it restores the full contractual benefit that the eliminated service(s) affected. Any service implemented must be within the parameters listed below for each service.

A. Pre-Admission Certification (non-emergency)

The Process is as follows:

1. The employee/dependent will telephone the provider using a toll free 800 number prior to any non-emergency admission. The call will be made as soon as the date of admission is known to the patient.

2. The attending physician will submit information to the provider delineating the indications for admission. If the planned date of admission is within seven days of the attending physician's decision to admit the patient, the physician will contact the provider via telephone using the toll free 800 number. For all other admissions, the attending physician/provider contact will be conducted via the mail using an approved review form.

3. These indications will be screened by a provider nurse according to criteria developed by physicians to determine if the admission is medically necessary.

4. For cases which meet the criteria, the provider nurse will approve the admission.

5. Any proposed admission not meeting the criteria will be referred to a provider physician reviewer. He will discuss the case with the attending physician and a determination will be made to approve or disapprove the case.

6. The patient, the attending physician and the hospital will be notified in writing about the outcome of the review. If the case is reviewed within five days prior to the admission date, they will be notified by telephone followed by written communication.
7. When a case is disapproved, the insurance carrier will receive a copy of this written communication.

8. If the employee/dependent decides to go ahead with a disapproved hospitalization, the Town insurance will pay only 80% of what it would have paid for an approved hospitalization, the employee/dependent will be liable for the remaining 20%, not to exceed $1,000.

9. The provider of this service will offer a patient awareness/education service which will involve discussing with the employee/dependent the alternatives to hospitalization which may be available. This will occur when the provider physician reviewer determines that the recommended treatment can be provided without hospitalizing the patient.

10. There will be an appeal process where hospitalization is denied. This appeal will utilize a tripartite panel consisting of the patient's attending physician, the provider physician reviewer and a third physician agreed upon by the above designated physicians but who is not affiliated with either and is Board certified in the specialty involved. The Town will bear the full cost of the appeal procedure.

B. Concurrent Review

1. The employee/dependent/or family member will notify the provider of the hospitalization within 48 hours of admission using a toll free 800 number.

2. The provider nurse will communicate via telephone with the attending physician regarding the indications for admission and the projected length of stay required for hospitalization. This information is screened against physician developed criteria.

3. Where the case meets the criteria, the provider nurse will approve the admission and assign the projected length of stay. This assignment will initiate a follow-up review to assess patient progress and the necessity for continued hospitalization.

4. Where the case does not meet criteria, the provider nurse will refer the case to a provider physician reviewer. He or she will discuss the case with the attending physician and make a determination to approve or disapprove the case. The physician reviewer will inform the attending physician of his decision during their telephone conversation.

If the case is approved, a length of stay will be assigned. If the case is disapproved, a letter will be sent to the patient, the attending physician, the hospital, and the insurance carrier. At the same time, the provider nurse will inform the patient and the hospital by telephone.

5. If the case is disapproved, the Town insurance will pay 100% of the hospital cost up to 24 hours after notification to the employee/dependent that the case has been disapproved. After 24 hours of notification of disapproval, the Town insurance will pay 80% of the hospital cost and the employee/dependent will be responsible for the remaining 20%, not to exceed $1,000.
6. There will be an appeal process for disapproved cases. This appeal will utilize a tripartite panel consisting of the patient's attending physician, the provider physician reviewer and a third physician agreed upon by the above designated physicians but who is not affiliated with either and is Board certified in the specialty involved. The Town will bear the full cost of the appeal procedure.

C. Discharge Planning

This process involves the provider nurse discussing with the patient or his family the alternatives available for post discharge care (home care, hospice, etc.) when it has been determined by the attending physician that the patient needs such care.

D. Pre-admission Testing (non-emergency), unless there is a medical reason for the testing to be done while employee/dependent is an in-hospital patient.

E. No Weekend or Early Admissions (non-emergency), unless there is a medical reason for early admission.

F. Home Health Care - In lieu of hospital care with the approval of the attending physician.

G. Mandatory Second Surgical Opinions (non-emergency) - The Second Surgical Opinion program will evaluate the indications for the surgery recommended by the patient's attending physician, and assist the patient to make an informed choice to have or not to have the surgery performed. The choice is solely the employee/dependent's choice and regardless of the advice of the physician consultant there will be no penalty if the patient decides to have the surgery.

The only penalty in this procedure will be if the patient (non-emergency) does not get a second surgical opinion, in which case the Town insurance will pay only 80% of the reasonable and customary charge for the surgery as opposed to the 100% of reasonable and customary that would have been paid if the patient had gotten a second surgical opinion.

In addition to providing the second opinion at no cost to the employee/dependent, in those cases where the physician consultant does not agree with the attending physician the Town will provide at no cost a third surgical opinion if the patient so requires.

There will be a specified list of elective surgical procedures which will be the only procedures requiring a second surgical opinion. The procedures on that list will be by mutual agreement of the Town and the Union.

The system will be developed to be sensitive to the concerns and anxiety of the patient during this important decision-making process.

1. When the patient's doctor recommends a procedure included on the Second Surgical Opinion List, the patient will make telephone contact with a provider nurse using an 800 toll free number.
2. The nurse will confirm that the procedure is on the list and then provide the patient with the names of three physicians in the involved specialty who have agreed to perform these consultations. The physician consultants will all have agreed not to perform the involved surgical procedure on the patient.

3. The patient will then be sent a form to be completed by the physician he/she chooses for the consultation.

4. The patient will schedule his/her appointment with the physician and telephone the provider nurse with the date.

5. If the physician consultant does not send in the form within 10 days after the scheduled appointment, the provider nurse will telephone his office to confirm that the appointment was kept and remind the physician to return the form.

6. Following the patient's consultation with the doctor, the patient will telephone the provider nurse to inform her about his/her decision to have/not have the surgery performed.

H. Mandated Ambulatory Surgical Serv. (non-emergency)

There will be a specified list of surgical procedures which will be paid 100% of reasonable and customary only if done on the ambulatory basis. The list will be by mutual agreement of the Town and the Union. For procedures on the list which the employee/dependent chooses to have done as an in hospital patient, the Town insurance will pay 80% of reasonable and customary for the surgical procedure; and additionally, only 80% of the hospital bill, the employee/dependent will be responsible for the remaining 20%, not to exceed $1,000.

The above notwithstanding if the patient's attending physician identifies a medical reason for the procedure to be done with the patient in the hospital. In that case, all costs will be paid in full.

I. Maintenance Drug Program

For those employees/dependents on maintenance drugs, the Town may have arrangements with wholesalers to provide a 6 month supply of drug at a time at wholesale cost to the Town insurer and employee/dependent will accept drug from wholesaler if he wants Town insurance to pay for it. Drugs must be as prescribed by attending physician and generic substitutes can be made only with approval of attending physician.

J. Hold Harmless Clause

If an employee follows the procedures he will not be subject to any of the penalty provisions.
IN WITNESS WHEREOF the parties have caused their authorized representatives to affix their signatures this 18th day of November, 1986.

MEMORANDUM OF UNDERSTANDING
DOMESTIC PARTNER HEALTH BENEFIT COVERAGE

Clerical Bargaining Unit

It is agreed between the parties that the current Town health plan for this bargaining unit will be amended to allow eligible employees to extend the group benefits coverage to domestic partners. Dependents of the domestic partner are not eligible for medical benefits coverage except as they qualify as a dependent of the employee. The plan will define a "domestic partner" as an individual who is (1) living in an exclusive committed relationship with the employee for at least three years prior to the commencement of the coverage; (2) jointly financially responsible with the eligible employee for their common welfare and living expenses; (3) neither married to anyone else, legally separated from anyone else, nor the domestic partner of anyone else; (4) not related by blood; and (5) over the age of 18; and (6) are living together in the same residence and intend to do so indefinitely. The Town shall have the sole and absolute discretion with regards to accepting a domestic partner as a covered participant in the Town health and prescription drug plans.

Required evidence for domestic partner participation may include:
• joint checking and savings accounts; and
• either joint ownership of home(s) or a jointly signed lease; and
• a will designating the partner as beneficiary; and
• designated primary beneficiary on life insurance policies; and
• evidence of joint responsibility for vehicles, other personal property, or debts.

Any change in the status of the aforementioned eligibility evidence from the time of acceptance shall make the domestic partner ineligible for Plan participation.

It is understood that the taxability of benefits provided shall be in accordance with IRS regulations and it is further understood that medical expenses or premiums paid by an employer for a domestic partner will be included in the gross income of an employee as compensation for services. This shall not be used for any other purpose and specifically shall be excluded from determination of pension benefits.

It is understood that the employee shall sign an affidavit attesting to his/her eligibility to enroll his/her domestic partner. This affidavit shall also bind the employee to accepting the taxability of such domestic partner benefits as determined by the IRS.

It is understood that if, for any reason, this relationship is not continued, or the employee is no longer eligible to receive a health benefit, the domestic partner shall not have any rights to continue health coverage under COBRA or any other means. The employee shall notify the Employee Services department as to any changes in domestic partner status within thirty (30) days of such change.

The Town of West Hartford and SEIU, Local 760, Clerical Unit have negotiated on the subject of a Special Pay Retirement Plan and on the buy-out of accrued sick leave upon retirement. The agreement on these subjects is located in Article VII, Section 2 (g) of the 2002-2007 collective bargaining agreement. The Town of West Hartford and SEIU, Local 760 have met to discuss changes in the Town Pension Plan that are reflected in Article VIII, Section 11-G of the 2002-2007 Collective Bargaining Agreement. To further the understanding of how this provision shall be applied, the following examples are provided:

Examples:

1. The above supplements are to be additive. That is, if someone reaches age 55 with 25 years of service and therefore is eligible to retire with a normal unreduced pension, but waits until they are age 65 with 35 years of service, the pension supplement will be $6,000 per year (the sum of each year above age 55).

2. If an employee becomes eligible for a normal unreduced pension at age 57 with 25 years of service and waits until they are age 65 with 33 years of service, the pension supplement will be $4,800 per year (the sum of each year from above age 57).

3. If an employee becomes eligible for a normal unreduced pension at age 55 with 25 years of service and waits until they are age 60 with 30 years of service, the pension supplement will be $3,000 per year (the sum of each year above age 55 through age 60).

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE TOWN OF WEST HARTFORD & SEIU, Local 2001, CSEA (Clerical Unit)

The Town of West Hartford and SEIU, Local 2001, CSEA have met to discuss changes in the Town Pension Plan that are reflected in Article VIII, Section 11 (L)(b) of the 2007 – 2012 collective bargaining agreement regarding other income earned while receiving Disability retirement benefits from the Town. Any employee who meets the qualifications of a Disability Retirement that has arisen out of and in the course of the member’s employment with the Town of West Hartford shall be provided a benefit minimum of 50% of the employee’s base pay, as defined. To further the understanding of how this offset provision shall be applied, the following examples are provided:

EMPLOYEE A -
• Employee’s annual base salary at the time of disability is $45,000.
• Employee has worked for the town for more than 10 years.
• The employee’s disability retirement benefit is $22,500 per year.
• The employee/retiree has an income of $20,000 for the calendar year, excluding the disability benefit from the Town of West Hartford.
• There are no other sources of income.

Under this scenario, the employee/retiree continues to receive the regular disability retirement benefit, as outlined in the Pension Ordinances, since the combined earnings ($42,500) are less than the $45,000 annual base salary at the time of the employee’s disability.

EMPLOYEE B -
• Employee’s annual base salary at the time of disability is $50,000.
• Employee has worked for the town for more than 10 years.
• The employee’s disability retirement benefit is $25,000 per calendar year.
• The employee/retiree has a calendar year income of $60,000, including the $25,000 disability payments from the Town of West Hartford.
• Combined income exceeds the $50,000 Base Pay by $10,000.

Under this scenario, the employee/retiree’s earnings exceed the annual base salary at the time of disability. Fifty (50%) percent of the $10,000 earnings that exceed the base pay, or $5,000, will be reduced from the employee/retiree’s $25,000 disability payments for the subsequent calendar year.

The employee/retiree receiving a Disability benefit under this provision must submit proof of income including copies of State and Federal Tax returns, each year to the Pension Office by April 15th in order to retain their Disability Pension.
Other provisions related to the administration of this benefit shall be determined by the Pension Board.

All requests for Family and Medical Leave should be documented including whether or not the leave was granted and the reasons for the denial when that is the case.

Family and Medical Leave Act prohibits an employer from putting any restraint on an employee for exercising their rights under FMLA. Employers can't penalize or discipline employees who use the FMLA provisions.

The 12-month period for FMLA purposes will coincide with the Town's fiscal year (July 1 - June 30). Each employee shall be allowed a combined total of 12 weeks of Family and Medical Leave per year, except for FMLA leave due to a family member with a serious injury or illness incurred in the line of active military duty, in which case an employee may be allowed up to 26 weeks in any 12-month period.

Copies of notices to employees may be maintained in personnel files. Medical certification must be maintained in separate files/records and be treated as confidential medical records.

All requests for records under FMLA shall specify the Town's obligation to comply with the confidentiality requirements of the Genetic Information Non-Discrimination Act (GINA).

* An eligible employee is entitled to 26 workweeks of leave to care for a covered servicemember with a serious injury or illness during a "single 12-month period". The "single 12-month period" begins on the first day the eligible employee takes FMLA leave to care for a covered service member and ends 12 months after that date regardless of the method used by the employer to determine the employee's 12 workweeks of leave entitlement for other FMLA-qualifying reasons.

If the individual needs to care for more than one service member or the original service member has a subsequent injury, the individual may be entitled to take more than one period of 26 weeks of leave, but the individual cannot take more than 26 weeks for the same illness or injury for a single service member.

"Covered veteran" is an individual who was discharged or released under conditions other than dishonorable at any time during the five year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran.

GENERAL PLAN PROVISIONS

The plan has been amended for the definition of physician services to include Naturopaths and Acupuncturists as providers. Office visits provided by Naturopathic physicians will be covered. Ancillary charges, i.e., nutritional supplements, supplies, etc., are excluded.

Payment for any use of any non-network health provider will be made in accordance with the Plan's covered services and reasonable and customary charges. The Town will only accept provider bills for up to the 90th percentile of the reasonable and customary charges. Any charges required by the provider beyond that amount are your responsibility.

Payment for any use of a non-network prescription drug provider will only be made in accordance with the Prescription Drug Plan provisions. In general, this means that you will pay 100% of the claim and submit the bill to the Health Plan Administrator (currently Insurance Programmers) for reimbursement. The Plan Administrator will reimburse you 80% of the bill after allowable co-pays and deductibles.

Covered maximums up to a certain number of days/visits per calendar year are reached by combining in-network and out-of-network benefits up to a limit shown. (Example, if an in-network benefit is for 60 days and out-of-network benefit is for 60 days, the maximum benefit is 60 days, not 120 days.)

SUBROGATION

The Town has the right to any payment received for expenses covered under the Plan.

Note: This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As the Town receives additional guidance and clarification on the new health care reform laws, we may be required to make additional changes to this summary of benefits.

- This provides guaranteed co-payment levels and a consistent level of charges to employees.

- Claims for non-network providers' services are paid based on the lesser of the dentist's actual charge or the prevailing fee as determined by the carrier.
