Re: Freedom of Information Request OPM ID #15-58

Dear Mr. Kovacs:

Enclosed please find the document responsive to your Freedom of Information request for the following:

Copies of public records that are held by the Connecticut Office of Personnel Management and Office of Labor Relations of union leave or association leave from the latest complete fiscal year available that detail the amount of union leave issued by all Connecticut state government agencies that grant union leave as well as their names, salaries, job title and activity performed by the state employee on union leave.

Please note that redactions have been made to protect confidential information. Additionally, the Office of Policy and Management does not maintain salary records relative to union leave and that information is therefore not included in the attached responsive document.

Accordingly, we are closing our file on this request.

Regards,
